Gender In Cross Cultural
PerspectiveAnthropology is uniquely

situated to look into concepts and theories of gender, sex and sexuality through its concern with the culturally-specific character of human categories and practices. This course explores gender, sex and sexuality across a range of cultural settings seeking, in the process, to question most of what we - including most theorists of sex/gender - take for granted about ...Gender in Cross-Cultural Perspective - ANU

Gender in Cross-Cultural Perspective is a one-volume reader built on classic contributions to gender and anthropology, incorporating recent literature on gender roles and ideology around the world. It combines theoretically and ethnographically-based essays and is appropriate for undergraduate and beginning graduate students.

Gender in Cross-Cultural Perspective (6th Edition ...This carefully crafted volume introduces anthropological approaches to and perspectives on gender. It combines theoretically and ethnographically based essays in order to examine gender roles and ideology around the world. Divided thematically into 11 sections, the editors open each section with a succinct introduction to the principal issues. The articles themselves, both classic and ...Gender in Cross-Cultural Perspective - 7th Edition ...These examples from Sweden, Chile, and Japan hardly scratch the surface of demonstrating some of the extreme variation in gender roles worldwide. "The World Turned Upside Down" Gender roles are reversed in this picture where the woman holds the scepter, while the man is spinning.
