AN APPLE FOR THE ROAD

Destiny Image Publishers
Most human cultures govern through the fear of punishment. Yet the New Testament calls the body of Christ to a very different style of government--the government of mature love, which drives out the fear of punishment (1 John 4:18), and leads people who sin on a journey of repentance, restoration, and reconciliation. Unpunishable lays out a roadmap for making this cultural shift, challenging all believers, and especially leaders, to leave the familiar tools of punishment behind and learn the practices that empower people to walk in the light of freedom and love, own and clean up their messes, and mature into sons and daughters who look like their Heavenly Father.

Experiencing Father's Embrace is an excellent resource for anyone interested in growing or ministering in the Father's love message. The author's style of writing makes this book easy to read, yet it is one of the most thorough and profoundly impacting books available on knowing God as a Father.

God's plan has never been to help believers avoid pain. In fact, He uses difficult seasons and relationships to

propel His children toward their destiny. The healing process from emotional and spiritual wounds is a journey that prepares Christians to live powerful lives, fully trusting the God who has freed them from the past. Jason Vallotton thought his world was burning down around him when he found out that his wife, Heather, was having an affair and planned to leave him and their children. Using his own story as a poignant, evocative illustration of God's grace and healing, Jason invites readers to reframe their understanding of redemption. With his dad, Kris Vallotton, Jason shows believers how they can steward the hardest times and deepest pain in their lives and allow God to use them to lay a foundation for complete restoration and empowerment for the future. While it may be hard to see emotional wounds as gifts when they still hurt so deeply, those who read *The Supernatural Power of Forgiveness* will discover that God can not only heal their wounds, but He can also use the process of healing to equip them for whole, fulfilled and powerful lives.

Pastor and cofounder of the Bethel School of Ministry Kris Vallotton walks Christians through the profound process of discovering their true identity and experiencing the wonder of their kingdom purposes. Christians are often told that they were born with a purpose that reaches beyond their human strivings, but most are not sure how to break past the daily struggles holding them back, much less how to fully step into their callings. As a pastor and the cofounder of the Bethel School of Ministry, Kris Vallotton has been teaching Christians all over the world how to walk in wholeness and purpose for more than seventeen years. In *Destined to Win*, he passes on the lessons that will help readers discover who they really are, overcome destructive behaviors, and become equipped for their kingdom purposes.
