A #1 New York Times bestseller! From #1 New York Times and USA TODAY bestseller Cassandra Clare comes an exciting short story collection that follows Jem Carstairs as he travels through

the many Shadow Markets around the world. Ghosts of the Shadow Market is set in the world of the Shadowhunters. The Shadow Market is a meeting point for faeries, werewolves, warlocks, and vampires. There, the Downworlders buy and sell magical objects, make dark bargains, and whisper secrets they do not want the Shadowhunters to know. Through two centuries, however, there has been a frequent visitor to the Shadow Market from the very heart of the Shadowhunters' world. Jem Carstairs is

searching through the Shadow Market, in many different cities over long years, for a relic from his past. Follow Jem and see—against the backdrop of the Shadow Market’s dark dealings and spectacle—Anna Lightwood’s doomed romance, Matthew Fairchild’s great sin, and Tessa Gray as she is plunged into a world war. Valentine Morgenstern buys a soul at the Market and a young Jace Wayland’s soul finds safe harbor. In the Market is hidden a lost heir and a beloved ghost, and no one can save you once you have traded away your heart. Not even Jem.

But when bodies of murdered humans and faeries continue to turn up, Emma and Julian must strike an uneasy alliance with their supposed enemies in order to find the killer. Meanwhile, an extremist faction of Shadowhunters called the Cohort will do anything to seize power and turn Shadowhunters against Downworlders once and for all. Emma, Julian, and their friends must embark on a series of quests from the Sunset Strip to the enchanted sea that pounds the beaches of Santa Monica, and deep into the realms of Faerie and beyond in order to save the Shadow World as they know it—even as a deadly and ancient curse threatens to destroy them and everyone they love. This beautifully packaged boxed set includes: *Lady Midnight Lord of Shadows Queen of Air and Darkness Clockwork Angel: The Mortal Instruments Prequel* BenBella Books, Inc.

Part thriller, part romance, *The Friend Scheme* is another twisty #ownvoices YA novel from Cale Dietrich, author of *The Love Interest*. Matt’s father is a criminal with high hopes that his son will follow in his footsteps. His family is at war with another, and Matt’s dad is caught in the crossfire. Matt and his older brother are expected to fight for their family. But deep down Matt has other ambitions—and attractions. When he meets Jason, Matt

believes he might be falling deeper than friendship for the first time. The boys keep their connection a secret, and soon Matt suspects that Jason is part of the family that tried to kill his father. The truth, however, is even more shattering, and Matt must decide if he can ever break free and own who he really is and who he is meant to love.

But when his mother passes away, Will finds himself stuck living with his awful aunt, unable to write a single word (despite the fact that two Muses will not leave him alone), and handed a mysterious package which includes an old picture of his grandparents and a piece of cloth with the words "The Griffin of Darkwood" on it. When his aunt decides to move both of them to a small village, Will is excited for a new adventure, and in a castle no less! But after a rude welcome to the town that includes stories about a curse, and an introduction to the servants of the castle who evidently mean to cause him harm, Will's sense of dread about the whole village rises. What is the curse the villagers all claim has been on the castle for hundreds of years, and what does it have to do with the disappearance of a young girl forty years ago? **CLOCKWORK PRINCESS**

Feiwel & Friends

Jen Beagin's funny, moving, fearless debut novel introduces an unforgettable character, Mona—almost 24, cleaning houses to get by, emotionally adrift. Handing out clean needles to drug addicts, she falls for a recipient who proceeds to break her heart in unimaginable ways. She decamps to Taos, New Mexico, for a fresh start, where she finds a community of seekers and cast-offs. But they all have one or two things to teach her—the pajama-wearing, blissed-out New Agers, the slightly creepy client with peculiar tastes in controlled substances, the psychic who might really be psychic. Always just under the surface are her memories of growing up in a chaotic, destructive family from which she's trying to disentangle herself. The story of her journey toward a comfortable place in the world and a measure of self-acceptance is psychologically acute, often surprising, and entirely human.
