And Baby Makes Three
Random House Books for Young Readers
A real-world guide to Attachment Parenting from the Big Bang Theory

actress, neuroscientist, and mother Mayim Bialik—a book hailed by Dr. William Sears as “delightful” and by Ricki Lake as “a fantastic guide to birth and parenting that is packed with invaluable wisdom.” Mayim Bialik was the child star of the popular 1990s TV sitcom *Blossom*, but she definitely didn’t follow the typical child-star trajectory. Instead, Mayim got her PhD in neuroscience

from UCLA, married her college sweetheart, and had two kids. Mayim then did what many new moms do—she read a lot of books, talked with other parents, and she soon started questioning a lot of the conventional wisdom she heard about the “right” way to raise a child. That’s when she turned to Attachment Parenting, a philosophy and lifestyle popularized by well-known physicians like

Dr. William Sears and Dr. Jay Gordon. To Mayim, Attachment Parenting's natural, child-led approach not only felt right emotionally, it made sense intellectually and instinctually. She found that when she followed her intuition and relaxed into her role as a mother instead of following some rigid parenting script, both she and her children thrived. Taking into account her

experience as a mother (and her scientific background), Mayim presents the major tenets of Attachment Parenting, including: Baby wearing: How to "wear" your baby in a sling or a wrap to foster a closer bond with your child—it's possible even for mamas with bad backs (and with big babies)! Breastfeeding: Learn how to listen to your baby's cues rather than sticking to a rigid schedule—and

why people on airplanes love a nursing mother! Gentle discipline: How to get your child to behave without yelling, threats, or time-outs—it really is possible. Co-sleeping: How to avoid "sleep training" and get a great night's sleep for the whole family. Without the pretense and luxuries typical of so many Hollywood actors and parents, Mayim

describes the beauty, simplicity, and purposefulness of Attachment Parenting, and how it's become the guiding principle for her family. Much more than a simple how-to parenting guide, *Beyond the Sling* shows us that the core principles underlying Attachment Parenting are universal and can be appreciated no matter how you decide to raise your child. *A Novel* Simon

and Schuster
Of the six Montgomery brothers, Zach has always walked on the wild side. He rocketed to fame playing a hero in a movie, but off screen he's living in the shadows. Zach's dark secret: he leads a double life as a CIA operative. When a mission to stalk a terrorist goes horribly wrong, Zach's cover is blown. He's on the run and fighting to stay alive long enough to discover

whom he can trust — and who betrayed him. Jenna Walters thought she'd married the perfect man — until she unearthed his terrible secret. Now, desperate to escape his crosshairs, she and her son take refuge in Zach's secret hideaway. Sparks fly between Zach and Jenna even as danger explodes around them. From Afghanistan to Turkey to the mountains of Colorado,

assassins track them and are closing in. Not only is Zach's life at stake, but now Jenna and her son are targets in this high-stakes game. "Perini refreshes romantic suspense...with high-tech armament and high-heat passion." - Publishers Weekly on In Her Sights [How Circle of Security Parenting Can Help You Nurture Your Child's Attachment, Emotional Resilience, and Freedom](#)

From activist, speaker, mother of five, and rabbi Susan Silverman (sister of comedian Sarah): a funny, moving, sparkling memoir about home, identity, family, and faith.
More than 100 Great-Tasting and Healthy Recipes from My Family to Yours
Harlequin Living in a "perfect" world without social ills, a boy

approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.
The Dark Tower I A&C Black
These days, many mothers-to-be find themselves torn between the desire for a natural childbirth with minimal medical intervention

and the peace of mind offered by instant access to life-saving technology that only a hospital can provide. In *Natural Hospital Birth*, doula Cynthia Gabriel asserts that there is no good reason that women in North America should not be able to have both. She shows expectant mothers what they can do to avoid unnecessary medical interventions and how to take initiative and

consciously prepare for the kind of birth they want to have. Also included are inspiring stories from other women who know firsthand that natural birth in the hospital is possible. With this book, mothers-to-be will be equipped with the knowledge they need to ensure a satisfying hospital birth that they will look back on with peace and joy. Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly.

Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with

deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description. *A Real-Life Guide to Raising Confident, Loving Children the Attachment Parenting Way* Penguin Mayim Bialik, Jeopardy! host and star of The Big Bang Theory, puts her Ph.D. to work as she talks to teens

about the science of growing up and getting ahead. A must-have book for all teenage girls. Growing up as a girl in today's world is no easy task. Juggling family, friends, romantic relationships, social interests and school...sometimes it feels like you might need to be a superhero to get through it all! But really, all you need is little information. Want to know why your stomach does

a flip-flop when you run into your crush in the hallway? Or how the food you put in your body now will affect you in the future? What about the best ways to stop freaking out about your next math test? Using scientific facts, personal anecdotes, and wisdom gained from the world around us, Mayim Bialik, the star of *The Big Bang Theory*, shares what she has learned from her life and her many

years studying neuroscience to tell you how you grow from a girl to a woman biologically, psychologically and sociologically. And as an added bonus, *Girling Up* is chock-full of charts, graphs and illustrations -- all designed in a soft gray to set them apart from the main text and make them easy to find and read. Want to be strong? Want to be smart? Want to be spectacular? You can! Start by reading this book.

Praise for *Girling Up*: "Bialik is encouraging without being preachy . . . many teens will be drawn to this engaging and useful book." -
-Booklist
"Ultimately, the author stresses that 'Girling Up' does not end with adulthood—it is a lifelong journey. Thanks to Bialik, readers have a road map to make this trip memorable." -
-School Library Journal
"Written in conversational style . . . the

tone remains understanding, supportive, and respectful of the reader's individuality throughout the text." -- VOYA

Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until one of them succumbs to his weakness

for soft, helpless creatures and strangles a farmer's wife. Who Ate the First Oyster? W. W. Norton & Company
Today's parents are constantly pressured to be perfect. But in striving to do everything right, we risk missing what children really need for lifelong emotional security. Now the simple, powerful "Circle of Security" parenting strategies that Kent Hoffman, Glen Cooper,

and Bert Powell have taught thousands of families are available in self-help form for the first time. You will learn: How to balance nurturing and protectiveness with promoting your child's independence. What emotional needs a toddler or older child may be expressing through difficult behavior. How your own upbringing affects your parenting

style--and what you can do about it. Filled with vivid stories and unique practical tools, this book puts the keys to healthy attachment within everyone's reach--self-understanding, flexibility, and the willingness to make and learn from mistakes. Self-assessment checklists can be downloaded and printed for ease of use.

CARRY THE DOG

Penguin

"Trust me. This is the only baby book you'll ever need! It's amazing, heartwarming, and completely user-friendly. Just add your heart!" -- Christiane Northrup, MD, author of Mother-Daughter Wisdom, The Wisdom of Menopause, and Women's Bodies, Women's Wisdom Attached at the Heart offers readers practical parenting advice for the modern age. In its most

basic form, "attachment parenting" is instinctive. A crying baby is comforted and kept close to parents for protection. If hungry, he or she is breastfed. And while it is understood that there is no such thing as perfect parenting, research suggests that there is a strong correlation between a heightened sense of respect, empathy, and affection in those children raised the "attachment	parenting" way. In this controversial book, readers will gain much needed insight into childrearing while learning to trust the intuitive knowledge of their child, ultimately building a strong foundation that will strengthen the parent-child bond. Using the Eight Principles of Parenting, readers will learn: How to prepare for baby before birth Why breastfeeding is a must for busy moms	When to start feeding solid food How to respond to temper tantrums Sleeping safety guidelines and the benefits of cosleeping Tips for short separation How to practice positive discipline and its rewards Tips for finding and maintaining balance The benefits of using a baby sling and implementing infant massage Tips on dealing with criticism from those opposed or
---	---	---

unfamiliar with AP style. The dangers surrounding traditional discipline styles of parenting. Contrary to popular belief, "attachment parenting" has been practiced in one form or another since recorded history. Over the years, it had been slowly replaced by a more detached parenting style—a style that is now believed by experts to be a leading contributing factor to

suicide, depression, and violence. The concept of "attachment parenting"—a term originally coined by parenting experts William and Martha Sears—has increasingly been validated by research in many fields of study, such as child development, psychology, and neuroscience. Also known as "conscious parenting," "natural parenting," "compassionate parenting," or "empathic

parenting," its goal is to stimulate optimal child development. While many attachment-parenting recommendations likely counter popular societal beliefs, authors Barbara Nicholson and Lysa Parker are quick to point out that the benefits outweigh the backlash of criticism that advocates of detached parenting may impose. **The Snowy Day** Simon and Schuster Nick the

"chocolate ogre" wants to help the children of Everlost to reach the light at the end of the tunnel, and is slowly handing each child a coin which will release them from Everlost. But Mary Hightower wants to trap the children forever, and joins forces with Pugsy Capone, a death boss, who gains allies in a terrible way... Meanwhile, Allie has gone in search for her parents and joins up with a group

of "skinjackers". But, as her search takes her further away from Nick and the children of Everlost, Allie uncovers a shocking secret... it seems that "skinjackers" are not actually dead... In this riveting sequel to the imaginative, supernatural thriller, Everlost, there is new dark force to be reckoned with. **Beyond the Sling** Oxford University Press, USA The Butter Battle Book,

Dr. Seuss's classic cautionary tale, introduces readers to the important lesson of respecting differences. The Yooks and Zooks share a love of buttered bread, but animosity brews between the two groups because they prefer to enjoy the tasty treat differently. The timeless and topical rhyming text is an ideal way to teach young children about the issues of tolerance and

respect. Whether in the home or in the classroom, The Butter Battle Book is a must-have for readers of all ages. Creating a Family in a Beautiful, Broken World Little, Brown Spark Ayla, an injured and orphaned child adopted by a primitive tribe, carries within her the seed and hope of humankind in this epic of survival and destiny set at the dawn of prehistory. Reissue.

The Giver Quartet

Health Communicatio ns, Inc. "An exciting novel of suspense, based on a fight to the finish between an honest and courageous young man and a cynical business tycoon who believes that anything can be had for a price."--Horn Book. The Butter Battle Book

Ember
"Powered by insight and true wit." -- Meg Wolitzer, New York Times bestselling author of The Female Persuasion "I

can't remember the last time I was as completely bewitched by a fictional character as I was by Bea Seger . . . What a treat to view life through the eyes of this funny, smart, gutsy woman." -- Richard Russo, author of *Empire Falls* and *Chances Are...* Bea Seger has spent a lifetime running from her childhood. The daughter of a famous photographer, she and her brothers were the subjects of an explosive series of images in the 1960s known as the Marx Nudes. Disturbing and provocative, the photographs left a family legacy of grief felt long past the public outcry and media attention. Now, decades later, both the Museum of Modern Art and Hollywood have come calling, eager to cash in on the enduring interest in these infamous photos. Bea faces a choice: Let the world in--and be financially compensated for the trauma of her childhood--or leave it all locked away in a storage unit forever. Twice divorced from but still dependent on aging rock star Gary Going, Bea lives in Manhattan with her borrowed dog, Dory, and her sort-of half-sister, Echo. Navigating old resentments and betrayals, Bea stumbles towards her best future, even as the past looms

larger than ever before. Carry the Dog reverberates with rock and roll, and truths about the human condition of a late-blooming feminist. To inhabit this story is to be swept into Bea's world, to bear witness as the little girl in the photographs and the woman in the mirror meet at the blurry intersection of memory and truth, disappointment and gratitude, vulnerability and connection,

and most of all, resilience.

THE CLAN OF THE CAVE BEAR

RH Childrens Books
A modern-day classic. This highly acclaimed adventure series about two friends desperate to save their doomed city has captivated kids and teachers alike for almost fifteen years and has sold over 3.5 MILLION copies! The city of Ember was built as a last refuge for the human race. Two

hundred years later, the great lamps that light the city are beginning to flicker. When Lina finds part of an ancient message, she's sure it holds a secret that will save the city. She and her friend Doon must race to figure out the clues before the lights go out on Ember forever!
