\*The book that inspired the Burt Lancaster film, 'The Midnight Man', now back in print!\* The rites of spring are well underway on the small Midwestern campus of Jordan City College

when Morgan Butler reluctantly agrees to pinch hit for his ailing Marine buddy, the town constable. For Butler, a former detective turned gentleman farmer, it all seems fairly routine until he stumbles on the brutally murdered body of the beautiful, frosty coed Natalie Clayborne. In search for the girl's killer he plunges into a thick web of intrigue that turns up two more murders and begins to uncover shocking relationships between notable members of the academic community. The closer Butler gets to the situation, the more it appears that a disreputable member of the faculty still carries a torch for Natalie's mother; that the relationship

between Natalie and her father was more than a little out of the ordinary; and that the distinguished editor of the local newspaper knows more about the secrets Natalie shared with her hippy boyfriend than he is letting on. This is a powerful story about the explosive forces lurking beneath the staid veneer of the academic environment, and about the men and women forced to live behind this mask of respectability. The murder is the catalyst which unleashes a flood of pent-up furies and finally forces into the open the hidden secrets that have affected the very foundation of the community.

Miss Fisher meets Downton Abbey in this critically acclaimed mystery series from New York Times bestselling author Shelley Noble. Roasted chestnuts from

vendor's carts, fresh cut spruce trees lining the sidewalks, extravagant gifts, opulent dinners, carols at St Patrick's Cathedral, a warm meal and a few minutes shelter from the cold at one of the charitable food lines . . . It's Christmas in Gilded Age Manhattan. And for the first time ever an amazing giant ball will drop along a rod on the roof of the New York Times building to ring in the New Year. Everyone plans to attend the event. But the murder of a prominent newsman hits a little too close to home. And when a young newspaper woman, a protégé of the great Jacob Riis and old Vassar school chum of Bev's, is the target of a similar attack, it is

clear this is not just a single act of violence but a conspiracy of malicious proportions. Really, you'd think murderers would take a holiday. Something absolutely must be done. And Lady Dunbridge is happy to oblige in *A Resolution at Midnight*, the third book in this delightful series.
