The Road Trip East of Eden

This moving parable of wealth and the evil it can bring is based on a Mexican folktale. The simple life of Kino, a pearl fisher, changes for ever when he finds a great pearl, a pearl as large as a seagull's egg. The story is of the finding of the pearl, the dreams it represents and its loss. Kino is blind to the greed, fear and even violence the pearl arouses in his neighbours - and in himself - and the promise of great wealth and a better life for Kino and his family brings nothing but misfortune and enemies.

(Penguin Orange Collection) Penguin

A Penguin Classic Written at a time of profound anxiety caused by the illness of his mother, Nobel Prize winner John Steinbeck draws on his memories of childhood in these stories about a boy who embodies both the rebellious spirit and the contradictory desire for acceptance of early adolescence. Unlike most coming-of-age stories, the cycle does not end with a hero "matured" by circumstances. As John Seelye writes in his introduction, reversing common interpretations, *The Red Pony* is imbued with a sense of loss. Jody's encounters with birth and death express a common theme in Steinbeck's fiction: They are parts of the ongoing process of life, "resolving" nothing. *The Red Pony* was central not only to Steinbeck's emergence as a major American novelist but to the shaping of a distinctly mid twentieth-century genre, opening up a new range of possibilities about the fictional presence of a child's world. This edition contains an introduction by John Seelye. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

THE PEARL

Penguin Classics

A Penguin Classics Deluxe Edition of Steinbeck's brilliant short novels Collected here for the first time in a deluxe paperback volume are six of John Steinbeck's most widely read and beloved novels. From the tale of commitment, loneliness and hope in *Of Mice and Men*, to the tough yet charming portrait of people on the margins of society in *Cannery Row*, to *The Pearl's* examination of the fallacy of the American dream, Steinbeck stories of realism, that were imbued with energy and resilience. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

(Penguin Classics Deluxe Edition) Penguin

Winner of the 2021 Los Angeles Times Book Prize for Biography A Publishers Weekly Best Book of 2020 in Nonfiction A resonant biography of America's most celebrated novelist of the Great Depression. The first full-length biography of the Nobel laureate to

appear in a quarter century, *Mad at the World* illuminates what has made the work of John Steinbeck an enduring part of the literary canon: his capacity for empathy. Pulitzer Prize finalist William Souder explores Steinbeck's long apprenticeship as a writer struggling through the depths of the Great Depression, and his rise to greatness with masterpieces such as *The Red Pony*, *Of Mice and Men*, and *The Grapes of Wrath*. Angered by the plight of the Dust Bowl migrants who were starving even as they toiled to harvest California's limitless bounty, fascinated by the guileless decency of the downtrodden denizens of Cannery Row, and appalled by the country's refusal to recognize the humanity common to all of its citizens, Steinbeck took a stand against social injustice—paradoxically given his inherent misanthropy—setting him apart from the writers of the so-called "lost generation." A man by turns quick-tempered, compassionate, and ultimately brilliant, Steinbeck could be a difficult person to like. Obsessed with privacy, he was mistrustful of people. Next to writing, his favorite things were drinking and womanizing and getting married, which he did three times. And while he claimed indifference about success, his mid-career books and movie deals made him a lot of money—which passed through his hands as quickly as it came in. And yet Steinbeck also took aim at the corrosiveness of power, the perils of income inequality, and the urgency of ecological collapse, all of which drive public debate to this day. Steinbeck remains our great social realist novelist, the writer who gave the dispossessed and the disenfranchised a voice in American life and letters. Eloquent, nuanced, and deeply researched, *Mad at the World* captures the full measure of the man and his work.

A RUSSIAN JOURNAL

Vintage Canada

An intimate journey across and in search of America, as told by one of its most beloved writers, in a deluxe centennial edition In September 1960, John Steinbeck embarked on a journey across America. He felt that he might have lost touch with the country, with its speech, the smell of its grass and trees, its color and quality of light, the pulse of its people. To reassure himself, he set out on a voyage of rediscovery of the American identity, accompanied by a distinguished French poodle named Charley; and riding in a three-quarter-ton pickup truck named Rocinante. His course took him through almost forty states: northward from Long Island to Maine; through the Midwest to Chicago; onward by way of Minnesota, North Dakota, Montana (with which he fell in love), and Idaho to Seattle, south to San Francisco and his birthplace, Salinas; eastward through the Mojave, New Mexico, Arizona, to the vast hospitality of Texas, to New Orleans and a shocking drama of desegregation; finally, on the last leg, through Alabama, Virginia, Pennsylvania, and New Jersey to New York. *Travels with Charley in Search of America* is an intimate look at one of America's most beloved writers in the later years of his life—a self-portrait of a man who never wrote an explicit autobiography. Written during a time of upheaval and racial tension in the South—which Steinbeck witnessed firsthand—*Travels with Charley* is a stunning evocation of America on the eve of a tumultuous decade. This Penguin Classics Deluxe Edition also features French flaps and deckle-edged paper. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres

and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators. From the Trade Paperback edition.

Travels with Charley in Search of America Penguin

The final novel of one of America's most beloved writers—a tale of degeneration, corruption, and spiritual crisis A Penguin Classic In awarding John Steinbeck the 1962 Nobel Prize in Literature, the Nobel committee stated that with *The Winter of Our Discontent*, he had "resumed his position as an independent expounder of the truth, with an unbiased instinct for what is genuinely American." Ethan Allen Hawley, the protagonist of Steinbeck's last novel, works as a clerk in a grocery store that his family once owned. With Ethan no longer a member of Long Island's aristocratic class, his wife is restless, and his teenage children are hungry for the tantalizing material comforts he cannot provide. Then one day, in a moment of moral crisis, Ethan decides to take a holiday from his own scrupulous standards. Set in Steinbeck's contemporary 1960 America, the novel explores the tenuous line between private and public honesty, and today ranks alongside his most acclaimed works of penetrating insight into the American condition. This Penguin Classics edition features an introduction and notes by leading Steinbeck scholar Susan Shillinglaw. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Penguin

A controversial tale of friendship and tragedy during the Great Depression A Penguin Classic Over seventy-five years since its first publication, Steinbeck's tale of commitment, loneliness, hope, and loss remains one of America's most widely read and taught novels. An unlikely pair, George and Lennie, two migrant workers in California during the Great Depression, grasp for their American Dream. They hustle work when they can, living a hand-to-mouth existence. For George and Lennie have a plan: to own an acre of land and a shack they can call their own. When they land jobs on a ranch in the Salinas Valley, the fulfillment of their dream seems to be within their grasp. But even George cannot guard Lennie from the provocations, nor predict the consequences of Lennie's unswerving obedience to the things George taught him. *Of Mice and Men* represents an experiment in form, which Steinbeck described as "a kind of playable novel, written in a novel form but so scened and set that it can be played as it stands." A rarity in American letters, it achieved remarkable success as a novel, a Broadway play, and three acclaimed films. This edition features an introduction by Susan Shillinglaw, one of today's leading Steinbeck scholars. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

EAST OF EDEN

Little, Brown

Collects a variety of the writings of Steinbeck, including selections from all his major works and his Nobel Prize acceptance speech.

[All Quiet on the Western Front](#) Penguin

April 2014 marks the 75th anniversary of the first Viking hardcover publication of Steinbeck's crowning literary achievement First published in 1939, Steinbeck's Pulitzer Prize-winning epic of the Great Depression chronicles the Dust Bowl migration of the 1930s and tells the story of one Oklahoma farm family, the Joads, driven from their homestead and forced to travel west to the promised land of California. Out of their trials and their repeated collisions against the hard realities of an America divided into haves and have-nots evolves a drama that is intensely human yet majestic in its scale and moral vision, elemental yet plainspoken, tragic but ultimately stirring in its human dignity. A portrait of the conflict between the powerful and the powerless, of one man's fierce reaction to injustice, and of one woman's stoical strength, the novel captures the horrors of the Great Depression and probes the very nature of equality and justice in America. As Don DeLillo has claimed, Steinbeck "shaped a geography of conscience" with this novel where "there is something at stake in every sentence." Beyond that—for emotional urgency, evocative power, sustained impact, prophetic reach, and continued controversy—*The Grapes of Wrath* is perhaps the most American of American classics. To commemorate the book's 75th anniversary, this volume is modeled on the first edition, featuring the original cover illustration by Elmer Hader and specially designed endpapers by Michael Schwab.

SWEET THURSDAY

Diamond Pocket Books Pvt Ltd

"The finest work of fiction by any American writer... No American novel comes closer than *Gatsby* to surpassing literary artistry, and none tells us more about ourselves" THE WASHINGTON POST "A curious book, a mystical, glamorous story that's both boisterous and tragic" THE NEW YORK TIMES "Fantastic proof that chivalry, of a sort, is not dead" LIFE MAGAZINE It's the Roaring Twenties, and New York City is the place to be. Everything can be purchased, everyone can be bought. But, can you make money erase your past? It's the Roaring Twenties, and it is the time of over-indulgence. As far as the eyes can see and the mind can perceive, there are ostentatious displays of wealth and even more lavish displays of decadency. Unapologetic decadency. But, does it ever stop? It's the Roaring Twenties, and the great American Dream has been perverted. It no longer stands for anything profound that resonates with people. But, does the Idealism even attempt to stop the Materialism? As more and more people lose themselves to the lure of money, ironically the only person who remains unaffected is Jay Gatsby, the enigmatic host of the most extravagant parties... In this definitive tale on American culture, Fitzgerald pits a chaste dream against the corrupting influences of wealth and comes up with an epic story that can only be defined as 'A Great American novel'.

East of Eden Penguin

Cannery Row St. Martin's Press

Steinbeck's writing was fuelled by a need to observe things firsthand, whether as a journalist or novelist. The huge success of *The Grapes of Wrath* enabled him to travel the world, ceaselessly writing about the great events of each decade. This collection brings together the greatest of those dispatches - from countries as diverse as Vietnam, Britain, Morocco and Italy. In addition, it reproduces 'America and the Americans', a gripping account of the US in the 1960s based on Steinbeck's observations on racism, moral decline & the environment. The extremely enjoyable book makes an important point about Steinbeck's oeuvre, showing just how important journalism was to his career as a writer.

[The Portable Steinbeck](#) Penguin

Now an award-winning Netflix film by Jane Campion, starring Benedict Cumberbatch and Kirsten Dunst: Thomas Savage's acclaimed Western is "a pitch-perfect evocation of time and place" (Boston Globe) for fans of *East of Eden* and *Brokeback Mountain*. Set in the wide-open spaces of the American West, *The Power of the Dog* is a stunning story of domestic tyranny, brutal masculinity, and thrilling defiance from one of the most powerful and distinctive voices in American literature. The novel tells the story of two brothers — one magnetic but cruel, the other gentle and quiet — and of the mother and son whose arrival on the brothers' ranch shatters an already tenuous peace. From the novel's startling first paragraph to its very last word, Thomas Savage's voice — and the intense passion of his characters — holds readers in thrall. "Gripping and powerful...A work of literary art." —Annie Proulx, from her afterword

[The Silver Chalice](#) Penguin UK

Shocking and controversial when it was first published in 1939, Steinbeck's Pulitzer prize-winning epic remains his undisputed masterpiece. It tells of the Joad family who travel West in search of the promised land, and find only broken dreams.

THE POWER OF THE DOG

Penguin

You may be fluent in many languages but sometimes you could find yourself off the beaten track where you can't communicate. Point it, with 1300 items to point at, is the answer. Everyone in the world will understand you. This passport-sized assistant is the result of the author's extensive travels in the five continents.

[The Long Valley](#) Penguin

First published in 1993, *The Virgin Suicides* announced the arrival of a major new American novelist. In a quiet suburb of Detroit, the five Lisbon sisters—beautiful, eccentric, and obsessively watched by the neighborhood boys—commit suicide one by one over the course of a single year. As the boys observe them from afar, transfixed, they piece together the mystery of the family's fatal melancholy, in this hypnotic and unforgettable novel of adolescent love, disquiet, and death. Jeffrey Eugenides evokes the emotions of youth with haunting sensitivity and dark humor and creates a coming-of-age story unlike any of our time. Adapted into a critically acclaimed film by Sofia Coppola, *The Virgin Suicides* is a modern classic, a lyrical and timeless tale of sex and suicide that transforms and mythologizes suburban middle-American life.

[Losing Eden](#) Everyman's Library

Steinbeck and Capa's account of their journey through Cold War Russia is a classic piece of reportage and travel writing. A Penguin Classic Just after the Iron Curtain fell on Eastern Europe, Pulitzer Prize-winning author John Steinbeck and acclaimed war photographer Robert Capa ventured into the Soviet Union to report for the New York Herald Tribune. This rare opportunity took

the famous travelers not only to Moscow and Stalingrad – now Volgograd – but through the countryside of the Ukraine and the Caucasus. Hailed by the New York Times as "superb" when it first appeared in 1948, *A Russian Journal* is the distillation of their journey and remains a remarkable memoir and unique historical document. What they saw and movingly recorded in words and on film was what Steinbeck called "the great other side there ... the private life of the Russian people." Unlike other Western reporting about Russia at the time, *A Russian Journal* is free of ideological obsessions. Rather, Steinbeck and Capa recorded the grim realities of factory workers, government clerks, and peasants, as they emerged from the rubble of World War II—represented here in Capa's stirring photographs alongside Steinbeck's masterful prose. Through it all, we are given intimate glimpses of two artists at the height of their powers, answering their need to document human struggle. This edition features an introduction by Steinbeck scholar Susan Shillinglaw. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

[A Novel](#) Pantheon

'Beautifully written, movingly told and meticulously researched ... a convincing plea for a wilder, richer world' Isabella Tree, author of *Wilding* 'By the time I'd read the first chapter, I'd resolved to take my son into the woods every afternoon over winter. By the time I'd read the sixth, I was wanting to break prisoners out of cells and onto the mossy moors. *Losing Eden* rigorously and convincingly tells of the value of the natural universe to our human hearts' Amy Liptrot, author of *The Outrun* Today many of us live indoor lives, disconnected from the natural world as never before. And yet nature remains deeply ingrained in our language, culture and consciousness. For centuries, we have acted on an intuitive sense that we need communion with the wild to feel well. Now, in the moment of our great migration away from the rest of nature, more and more scientific evidence is emerging to confirm its place at the heart of our psychological wellbeing. So what happens, asks acclaimed journalist Lucy Jones, as we lose our bond with the natural world—might we also be losing part of ourselves? Delicately observed and rigorously researched, *Losing Eden* is an enthralling journey through this new research, exploring how and why connecting with the living world can so drastically affect our health. Travelling from forest schools in East London to the Svalbard Global Seed Vault via primeval woodlands, Californian laboratories and ecotherapists' couches, Jones takes us to the cutting edge of human biology, neuroscience and psychology, and discovers new ways of understanding our increasingly dysfunctional relationship with the earth. Urgent and uplifting, *Losing Eden* is a rallying cry for a wilder way of life - for finding asylum in the soil and joy in the trees - which might just help us to save the living planet, as well as ourselves.

[Our Fundamental Need for the Natural World and Its Ability to Heal Body and Soul](#) Librorium Editions

This story of crisis, passion, love and longing tells about the occupants of a wayward bus, which travels the backroads of the California countryside. There is the driver, hot-blooded and uninhibited, a girl who dances at stag parties, a travelling salesman, a young man and a college girl.
