In The World Computer  
Jonathan Beller forcefully

demonstrates that the history of commodification generates information itself. Out of the omnipresent calculus imposed by commodification, information emerges historically as a new money form. Investigating its subsequent

financialization of daily life and colonization of semiotics, Beller situates the development of myriad systems for quantifying the value of people, objects, and affects as endemic to racial capitalism and computation. Built on oppression and genocide, capital and its technical

result as computation manifest as racial formations, as do the machines and software of social mediation that feed racial capitalism and run on social difference. Algorithms, derived from for-profit management strategies, conscript all forms of expression—language, image, music, communication—into the calculus of capital such that even protest may turn a profit. Computational media function for the purpose of extraction rather than

ameliorating global crises, and financialize every expressive act, converting each utterance into a wager. Repairing this ecology of exploitation, Beller contends, requires decolonizing information and money, and the scripting of futures wagered by the cultural legacies and claims of those in struggle. *Communication Miracles for Couples* Duke University Press "I stood on the bridge just before midnight, the wind from the ocean arriving in violent blasts, as if saying

under its breath, 'Jump, motherf\*\*\*er, jump.' This was the last of a string of attempted departures, most orchestrated in my tired mind. Always a bitter reminder of all that had been lost and destroyed by my foolishness." When suicide feels like your best option, you know something has gone horribly wrong – and that's just how Matt Thomson felt. He had lost everything: his wife, his children, his job, all his money, and his front door key. But everything changes when he meets

Joey Murphy, ex-Merchant Marine, entrepreneur, teacher, and wild man, an enigmatic mixture of Forrest Gump, Merlin, and a long-lost best friend. Upon hearing Matt's woes, Joey offers Matt a life-changing deal he can't resist: "The life you know has been completely predetermined by automatic habits, both your triumphs and your failures. If you are really at the end of your rope, these habits will drop away, and you will be free . . . I give you ten days, starting today. I will show

you all you need to see. It is up to you." And with the deal struck, Joey leads Matt on the roller-coaster ride of his life: a ten-day adventure filled with dodging cop cars, playing Blind Man's baseball on the edge of a cliff, finding heaven in a Taco Bell, and learning how to open the hearts of total strangers. Joey introduces Matt to "the True Teacher," but also leads him to face his own deepest darkness and despair. *Communication Miracles for Couples* Shambhala Publications

This Illustrated Guide for Couples Ends 12 Hurtful Arguments Once and for All! Conflict within relationships is complex and challenging to overcome. In her 20 years of working with couples, clinical psychologist Michelle Brody found a way to make change simpler. Her secret: clear and lighthearted illustrations that help couples literally see what's driving their battles and blocking their bond, so they can chart a course together to stop the fights. The Money

Fight “You’re such a cheapskate!” “You spend way too much!” The Sex Fight “Not tonight. I’m not in the mood.” “You haven’t been in the mood since 1975!” The Parenting Differences Fight “You’re too overprotective!” “Is skydiving next?!” Stop the Fight! includes more than 300 illustrations to help couples unlock the destructive cycles that drive the birthday fight, the difficult relatives fight, and other familiar battles. Going beyond common relationship advice, the

tools in Stop the Fight! will help you understand the big picture and create lifelong change.

## **THE HIGH-CONFLICT COUPLE**

Communication Miracles for Couples  
Learn to Love Yourself  
From Stress to Happiness.  
Many of us know intellectually that we need to be good to ourselves if we want to be happy. But it feels so hard. We are simultaneously the harsh judge and the lost, scared child who wants to stop feeling judged. It becomes

a vicious cycle. It only stops when we step outside ourselves and observe how we got ourselves stuck. Only then can we learn to practice gratitude and positive thinking. Joy and Peace. Lori Deschene, creator of TinyBuddha.com and the self-help journals Tiny Buddha's Worry Journal and Tiny Buddha's Gratitude Journal, shares 40 unique perspectives and insights to help you stop judging yourself so harshly. Featuring stories selected from hundreds of TinyBuddha.com

contributors, Tiny Buddha's Guide to Loving Yourself provides an honest look at what it means to overcome critical, self-judging thoughts to create a peaceful, empowered life. More than a Self-Help Book. Tiny Buddha's Guide to Loving Yourself is a collection of vulnerable reflections and epiphanies from people who are learning to love themselves, just like you. In this book, you will find:

- Four authentic, vulnerable stories in each chapter
- Insightful

observations about our shared struggles and how to overcome them • Action-oriented suggestions based on the wisdom in the stories Readers of inspirational books and spiritual books like The Book of Joy or other books by Lori Deschene such as Tiny Buddha's Worry Journal or Tiny Buddha's Gratitude Journal will love Tiny Buddha's Guide to Loving Yourself. COMMUNICATION Vintage A leading Ted Talk speaker shares the secrets to being a better

communicator in this accessible and informative guide. Have you ever felt like you're talking, but nobody is listening? Renowned five-time TED Talk speaker and author Julian Treasure reveals how to speak so that people listen—and how to listen so that people feel heard. As this leading sound expert demonstrates via interviews with world-class speakers, professional performers, and CEOs at the top of their field, the secret lies in developing simple

habits that can transform your communication skills, the quality of your relationships, and your impact in the world. How to be Heard includes never-before-seen exercises to help you develop communication skills that are as effective at home as in the boardroom or conference call. Julian Treasure offers an inspiring vision for a world of effective speaking, listening, and understanding. Secrets of communication skills and tips discussed in How to be Heard include: · How to

make sound work for you · Why listening matters · The four cornerstones of powerful speaking and listening · How to avoid the seven deadly sins of speaking and listening · How to listen and why we don't · The power of your vocal toolbox and tricks of great speakers · Exercises and methods to achieve clarity, precision and impact · How to deliver a great talk HuffPost 20 Best Business Books of 2017 2019 Audie Award Winner for Best Audio Book in Business and Personal Development

*Stop the Fight!: An Illustrated Guide for Couples* Oxford University Press  
Studies of African economic development frequently focus on the daunting challenges the continent faces. From recurrent crises to ethnic conflicts and long-

standing corruption, a raft of deep-rooted problems has led many to regard the continent as facing many hurdles to raise living standards. Yet Africa has made considerable progress in the past decade, with a GDP growth rate exceeding five percent in some regions. The African Successes series looks at recent improvements in living standards and other measures of development in many African countries with an eye toward identifying what shaped them and the extent to

which lessons learned are transferable and can guide policy in other nations and at the international level. The third volume in the series, African Successes: Modernization and Development looks at the rise in private production in spite of difficult institutional and physical environments. The volume emphasizes the ways that technologies, including mobile phones, have made growth in some areas especially dynamic. Vladimir University of

Chicago Press  
The tenets of Nonviolent Communication are applied to a variety of settings, including the classroom and the home, in these booklets on how to resolve conflict peacefully. Illustrative exercises, sample stories, and role-playing activities offer the opportunity for self-evaluation, discovery, and application. Helping parents to connect compassionately with their children, show them love, and offer guidance even in difficult moments, this practical booklet

describes how the Nonviolent Communication (NVC) process can transform parenting to promote peace for generations to come. NVC-based parenting tips and ten practical exercises to foster trust, improve cooperation, and inspire open dialogue are included.

*Fight Less, Love More*  
Shambhala Publications  
All couples fight—but a little guidance goes a long way to tackling the issues that trigger fights in the first place. *No More Fighting* offers couples fast and effective strategies to overcome common relationship problems and build lasting love together. In just 20 minutes per week, couples will learn how to effectively speak and listen to each other as

they confront critical relationship issues. From reconciling different values to navigating intimacy issues and everything in between, *No More Fighting* gives you the skills you need to fight less and love each other more. --  
*Ziggy, Stardust and Me*  
Government Printing Office  
How can we have a deeper experience of God—especially with all the demands of modern-day life? Author and motivational speaker Jonathan Robinson asked

40 of the most respected spiritual seekers in the world for their expert advice and personal methods for knowing God (and he also offers his own wisdom in this regard). In an attempt to gather together all the best ideas and techniques in a single book, Robinson asked each person questions such as: How do you remember and/or tune into the sacred during your everyday life?; When you meditate and/or pray, how do you connect with the Divine presence?; What miracles

have you experienced on your spiritual path?; If you had one piece of advice to give those who want a deeper relationship with God; And what does the experience of God feel like to you? The secret methods and mind-expanding ideas of these spiritual leaders can help you to experience God in an entirely new way. Contributors include: Deepak Chopra, Wayne Dyer, Marianne Williamson, Louise L. Hay, Bernie Siegel, M. Scott Peck, Dalai Lama, and Mother Teresa, and more.

## **COMMUNICATION MIRACLES FOR COUPLES**

Hunter House

In this tender-hearted debut, set against the tumultuous backdrop of life in 1973, when homosexuality is still considered a mental illness, two boys defy all the odds and fall in love. Now in paperback. The year is 1973. The Watergate hearings are in full swing. The Vietnam War is still raging. And homosexuality is still officially considered a

mental illness. In the midst of these trying times is sixteen-year-old Jonathan Collins, a bullied, anxious, asthmatic kid, who aside from an alcoholic father and his sympathetic neighbor and friend Starla, is completely alone. To cope, Jonathan escapes to the safe haven of his imagination, where his hero David Bowie's Ziggy Stardust and dead relatives, including his mother, guide him through the rough terrain of his life. In his alternate reality, Jonathan can be

anything: a superhero, an astronaut, Ziggy Stardust, himself, or completely "normal" and not a boy who likes other boys. When he completes his treatments, he will be normal—at least he hopes. But before that can happen, Web stumbles into his life. Web is everything Jonathan wishes he could be: fearless, fearsome and, most importantly, not ashamed of being gay. Jonathan doesn't want to like brooding Web, who has secrets all his own. Jonathan wants nothing

more than to be "fixed" once and for all. But he's drawn to Web anyway. Web is the first person in the real world to see Jonathan completely and think he's perfect. Web is a kind of escape Jonathan has never known. For the first time in his life, he may finally feel free enough to love and accept himself as he is.

### **VIRTUAL FOREPLAY**

New Harbinger  
Publications  
NATIONAL BOOK CRITICS  
CIRCLE AWARD WINNER •  
A compulsively readable

riff on the classic detective novel from America's most inventive novelist. "A half-satirical cross between a literary novel and a hard-boiled crime story narrated by an amateur detective with Tourette's syndrome.... The dialogue crackles with caustic hilarity.... Unexpectedly moving." —The Boston Globe Brooklyn's very own self-appointed Human Freakshow, Lionel Essrog is an orphan whose Tourettic impulses drive him to bark, count, and rip apart our language in

startling and original ways. Together with three veterans of the St. Vincent's Home for Boys, he works for small-time mobster Frank Minna's limo service cum detective agency. Life without Frank Minna, the charismatic King of Brooklyn, would be unimaginable, so who cares if the tasks he sets them are, well, not exactly legal. But when Frank is fatally stabbed, one of Lionel's colleagues lands in jail, the other two vie for his position, and the victim's widow skips

town. Lionel's world is suddenly topsy-turvy, and this outcast who has trouble even conversing attempts to untangle the threads of the case while trying to keep the words straight in his head. *Motherless Brooklyn* is a brilliantly original, captivating homage to the classic detective novel by one of the most acclaimed writers of his generation. *How to Raise a Husband* The Experiment "Because of the thoughts behind this book, I have realized my complete self. I never knew how happy I

could be. I am so thankful. Did I get that right, honey?" -The Author's Husband How to Raise a Husband is not your average "men are from one planet, women from another" kind of relationship book. Tonilyn Hornung offers an extremely personal collection of wisdom from six married women that's like advice from your very best (and most trusted) girlfriends. The stories shared are those that most wives tend to keep to themselves, inspiring the reader to rise to each

challenge and learn more about themselves in the process. Through bonding over shared experience—never through "man-bashing"—readers will find inspired growth, happiness, and deeper love and respect with their spouse. Today's wives find themselves in uncharted marital territory simply trying their best to maintain—to maintain a loving relationship, a peaceful household, and an emptied dishwasher. Wives are continually on

the lookout for that extra bit of insight that can take them to a new level of understanding or simply to help them get through a hectic day. Completely nag-free, How to Raise a Husband offers a unique approach by incorporating the honesty of six experts (real wives) with one unifying voice (the author's) to assist and entertain, all the while providing deep and valuable insight into the less-talked-about issues of marriage. From honest communication to knowing the difference

between when to compromise and if you are compromising yourself, and how to know when it's appropriate to wear your Dallas Cowboy Cheerleader uniform, How to Raise a Husband gives practical advice and encouragement on marriage that will unite women across the globe

**How to Be an Adult in Relationships** Our Peaceful Family

This beloved book has touched hundreds of thousands of lives with its profound and actionable advice. Retaining the core

message of becoming more mindful in our relationships, this edition includes new and revised material that addresses how we live and love today. A new preface touches on David Richo's experience with the book over time and outlines the key updates, including attention to online dating and modern communication styles as well as new perspectives on anger and ending relationships. "Most people think of love as a feeling," says Richo, "but love is not so much a

feeling as a way of being present." How to Be an Adult in Relationships explores five hallmarks of mindful loving and how they play a key role in our relationships. Adult love is based on a mutual commitment to what Richo calls the "five A's": attention, acceptance, appreciation, affection, and allowing. Brimming with practical exercises for couples and singles, How to Be an Adult in Relationships offers heartening insights into a lifelong journey of love. Topics include: •

Becoming conscious of our relationship patterns and how they relate to childhood • Recognizing and attracting someone who can show adult love • Understanding the phases relationships go through • Creating and maintaining healthy boundaries • Overcoming fears of abandonment and engulfment • Expressing anger and other emotions in adult and loving ways • Surviving break-ups with our self-esteem intact • Understanding love as a spiritual journey  
PuddleDancer Press

"Today's search for spirituality and authenticity leads ultimately to the question, and the experience, of God. In this profound meditation from one of today's most renowned religious voices, theologian Raimon Panikkar offers a way to reflect on the perennial quest for God, its significance in many religious traditions, and its connection to our own deepest purpose and meaning. .... " [from back cover]

[The Five Keys to Mindful Communication](#) Simon and Schuster  
 Please note: This is a companion version & not the original book. Sample Book Insights: #1 The techniques in this book are simple, but they are powerful. They can help turn a conflicted relationship into a

peaceful one, and they can help you communicate with your coworkers, family, and friends better. #2 The skills you'll be gaining are best learned in a certain order, so I've divided the book into three sections. In Part I, Creating Intimacy, you'll learn how to give your partner what they most want from you. When you know how to give your partner exactly what they want, intimacy deepens and a lot of problems simply disappear all by themselves. #3 The three

As are essential to have a great relationship: acknowledgment, appreciation, and acceptance. They are like high-octane gasoline that makes the human personality run. They are the essential ingredients that convey love from one person to another. #4  
When it comes to listening, the more you validate your partner's experience, the more they will be willing to listen to you.

## **COMPUTER**

Hay House, Inc  
Explores methods of increasing spirituality, including meditation, redirection of negative emotions, and use of workshops and retreats.  
*Motherless Brooklyn*  
Harper Collins  
Learn how integrating money and work with our spiritual paths, can make us all more loving, creative, and fulfilled in our day-to-day lives. Real wealth means making real money from work you enjoy and feel good

about. You also need to know how to use money in a way that contributes to your spiritual growth, and that doesn't just mean filling the collection plate. Robinson brings together the spiritual and financial life, uniting once again the trader and the temple, in a book that attempts to bring integrity, creativity and a caring heart into the world of business.

## **NO MORE FIGHTING**

Simon and Schuster  
The author of the modern classic, Men Are from

Mars, Women Are from Venus presents a practical guide to living our lives to the fullest in a time of tremendous change. In this powerful book, John Gray encourages readers to return to what's most important in order to create a life of lasting love, health, and happiness. John Gray reveals that by awakening the hidden power to create miracles, readers

will more effectively adjust to life's challenges and respond with greater peace, joy, confidence, and love. He provides nine guiding principles to live by and shows how to fill each day with increasing wonder, power, and fulfillment: 1. Believe as if miracles are truly possible 2. Live as if you are free to do what you want 3. Learn as if you are a beginner 4. Love as

if for the first time 5. Give as if you already have what you need 6. Work as if money doesn't matter 7. Talk to God as if you are being heard 8. Feast as if you can have whatever you want John Gray once again helps readers live a rich and fulfilling life. Practical Miracles for Mars and Venus presents an inspiring message of self-acceptance and joy.
