Chop-Monster is a sequential jazz improvisation method by acclaimed jazz pianist and educator Shelly Berg that utilizes a "call-and-response" approach: students listen to a jazz idea, imitate it until it is internalized, and then "try it on their own." In Chop-Monster 1, students will hear and improvise to the Ima7, iimi7, and V7 chords in the key of B-flat, plus a basic blues progression. In Chop-Monster 2 students will hear and improvise to the ii-V-I progression in three keys (concert B-flat, E-flat, F).

### THE MONSTER SQUAD

Candlewick Press (MA)

"An urgent (and often very funny) attempt to explain a cocoo-rococo cosmology made up of garbled fragments of role-playing games, Transformers episodes, relaxation exercises and horror movies."--The New York Times The final chapter of this epic trilogy finds our hero, Izadore, awoken with his mind, body and soul reunited. The last Monks of the Imaginary Man lead him beyond Toy Mountain to discover the true nature of the

relationship between imagination and reality. Not simply concluding the relentless, psychedelic plot, The Understanding Monster--Book Three explains how our creativity re-shapes our world, how we can overcome doubt through self-actualization.

Simon and Schuster

A ravaged, remnant human population claims the Earth's dismal daylight hours, while bloodthirsty savages rule the night. One aging warrior struggles to take back the darkness. He fights bloodlust with bloodlust, but his most powerful weapon is a terrible one that might turn on him at any moment. He knows his one-sided war is a fragile thing, because he understands his victory will be decided as a desperate race against time. Yet history leaves him no option but to fight. In a bleak post-apocalyptic future, monster confronts monster for ultimate control of the planet. One man and one beast stand between civilization and oblivion. Which bloodlust will be bloodiest?

The sweeping romance of Passenger meets the dark fantasy edge of This Savage Song in this stunning contemporary fantasy debut from Vanessa Len, where the line between monster and hero is razor thin. Don't forget the rule. No one can know what you are. What we are. You must never tell anyone about monsters. Joan has just learned the truth: her family are monsters, with terrifying, hidden powers. And the cute boy at work isn't just a boy: he's a legendary monster slayer, who will do anything to destroy her family. To save herself and her family, Joan will have to do what she fears most: embrace her own monstrousness. Because in this story...she is not the hero. Dive deep into the world of Only a Monster: hidden worlds dwell in the shadows, beautiful monsters with untold powers walk among humans, and secrets are the most powerful weapon of all.

*Monster of Monsters Collection #1* Laura Rye Books

The Last Kids on Earth meets Goosebumps in this hilarious new series about a secret society of babysitters who protect kids from the monsters that really do live under their beds! When middle schooler Kelly Ferguson's Halloween plans switch from party-going to babysitting, she thinks the scariest part of her night will be the death of her social life. But then Baby Jacob gets kidnapped by the Boogeyman's minions and Kelly learns there's a whole lot more to childcare than free snacks and Netflix. Like chasing shadow monsters, drop-kicking Toadies, and mastering monster-fighting moves like the Naptime Headlock and Playground Punch. Now, with the help of an ancient handbook

and a secret society of butt-kicking babysitters, Kelly sets out to destroy the Boogeyman before he brings Jacob's nightmares to life. But when the monsters' trail leads to her school's big Halloween bash, Kelly will have to prove she can save the world—without totally embarrassing herself in front of her friends. Packed with black-and-white illustrations and insider secrets from the world of monster hunting, A Babysitter's Guide to Monster Hunting is full of tricks, treats, and terrifying twists!

Cavo is a hideous monster with a pure heart. Liam, on the other hand, might look like the perfect gentleman, but he's a beast on the inside, and he has an eccentric personality to boot. When Cavo

rescues Liam from an unfortunate situation in the forest, the paths of the monster and the beast cross for the first time. Will their meeting be a fleeting encounter or a timeless entanglement? And will Liam succeed in leading the innocent Cavo astray?

### **Octo-Man and the Headless Monster #1** Simon and Schuster

This brand-new adventure series is filled with laughs, danger, and facing fears! Follow Freddy von Frankenstein and his monster big brother, F.M., as well as and his adopted sister, a werecat named Riya, as they explore the supernatural mountain they call home and discover all the fantastical creatures living there! It's the day before Freddy's eighth birthday, and he's so excited that he's old enough to go to town for the first time! However, his brother's holographic disguise goes awry, forcing them to run away before the townsfolk realize that F.M. is a big, hulking monster. On their way home, they run into a strange tiger unlike any they've seen before. Freddy zooms away from it, as he's scared of fantastical creatures that weren't created by science, like his brother was. The next morning, Freddy's parents introduce him to Riya, who mysteriously showed up and needs a place to stay. Freddy is wary, worried that she's going to take his parents' attention away from him, especially on his birthday! He thinks she might be hiding something, but when the tiger comes back and Riya disappears, Freddy has to put his suspicion aside to find her. Can he brave his fear of the fantasticals to get Riya back home safely?

One night, when Ethan reaches under his bed for a toy truck, he finds this note instead: "Monsters! Meet here for final test." Ethan is sure his parents are trying to trick him into staying under the covers, until he sees five colorful sets of eyes blinking at him from beneath the bed. Soon, a colorful parade of quirky, squeaky little monsters compete to

become Ethan's monster. But only the little green monster, Gabe, has the perfect blend of stomach-rumbling and snorting needed to get Ethan into bed and keep him there so he falls asleep—which as everyone knows, is the real reason for monsters under beds. With its perfect balance of giggles and shivers, this silly-spooky prequel to the award-winning *I Need My Monster* and *Hey, That's MY Monster!* will keep young readers entertained.
