Tells the story of Martin Luther King, Jr., the civil rights activist who brought about change through peaceful methods such as boycotts, marches, and speeches.

**Martin Luther King Jr** Scholastic Inc.

Named a Best Book of 2017 by NPR The New York Times Book Review Editors' Choice The Washington Post's Books to Read in 2017 USA Today, "New and Noteworthy" Read it Forward, Favorite Reads of January 2017 A Parade Magazine Pick "This book is distinctly Coretta's story . . . particularly absorbing. . . generous, in a manner that is unfashionable in our culture."—New York Times Book Review "Eloquent . . . inspirational"—USA Today The life story of Coretta Scott King—wife of Martin Luther King Jr., founder of the Martin Luther King Jr. Center for Nonviolent Social Change (The King Center), and singular twentieth-century American civil and human rights activist—as told fully for the first time, toward the end of her life, to Rev. Dr. Barbara Reynolds. Born in 1927 to daringly enterprising parents in the Deep South, Coretta Scott had always felt called to a special purpose. While enrolled as one of the first black scholarship students recruited to Antioch College, she became politically and socially active and committed to the peace movement. As a graduate student at the New England Conservatory of Music, determined to pursue her own career as a concert singer, she met Martin Luther King Jr., a Baptist minister insistent that his wife stay home with the children. But in love and devoted to shared Christian beliefs as well as shared racial and economic justice goals, she married Dr. King, and events promptly thrust her into a maelstrom of history throughout which she was a strategic partner, a standard bearer, and so much more. As a widow and single mother of four, she worked tirelessly to found and develop The King Center as a citadel for world peace, lobbied for fifteen years for the US national holiday in honor of her husband, championed for women's, workers' and gay rights and was a powerful international voice for nonviolence, freedom and human dignity. Coretta's is a love story, a family saga, and the memoir of an extraordinary black woman in twentieth-century America, a brave leader who, in the face of terrorism and violent hatred, stood committed, proud, forgiving, nonviolent, and hopeful every day of her life.

*The Story of Martin Luther King* Worthy Kids/Ideals

"A fascinating, elegiac account" of the bond between two of the Civil Rights Era's most important leaders—from the journalist and author of *Strange Fruit* (Chicago Tribune). With vision and political savvy, Martin Luther King, Jr. and Robert F. Kennedy set the United States on a path toward fulfilling its promise of liberty and justice for all. In *The Promise and the Dream*, Margolick examines their unique bond, both in life and in their tragic assassinations, just sixty-two days apart in 1968. Through original interviews, oral histories, FBI files, and previously untapped contemporaneous accounts, Margolick offers a revealing portrait of these two men and the mutual assistance, awkwardness, antagonism, and admiration that existed

between them. MLK and RFK cut distinct but converging paths toward lasting change. Even when they weren't interacting directly, they monitored and learned from one another. Their joint story, a story each man took pains to hide during their lives, is not just gripping history but a window into the challenges we continue to face in America. Complemented by award-winning historian Douglas Brinkley's foreword and more than eighty revealing photos by the foremost photojournalists of the period, *The Promise and the Dream* offers a compelling look at one of the most consequential but misunderstood relationships in our nation's history.

*I Am Martin Luther King, Jr* Beacon Press

"a quick introduction to the life of a great American" -- The New York Times An inspiring portrait of the incredible life and lasting influence of Dr.

Martin Luther King Marshall Frady, the reporter who became the unofficial chronicler of the civil rights movement, here re-creates the life and turbulent times of its inspirational leader. Deftly interweaving the story of King's quest with a history of the African American struggle for equality, Frady offers fascinating insights into his subject's magnetic character, with its mixture of piety and ambition. He explores the complexities of King's relationships with other civil rights leaders, the Kennedy and Johnson administrations, and the FBI's J. Edgar Hoover, who conducted a relentless vendetta against him. The result is a biography that conveys not just the facts of King's life but the power of his legacy.

*Martin Luther King, Jr.: Civil Rights Leader* Penguin

From coming of age under poverty and the looming threat of racial violence to preaching from the Ebenezer pulpit for forty years, King, Sr., candidly reveals his life inside the civil rights movement, illustrating the profound influence he had on his son. Born in 1899 to a family of sharecroppers in Stockbridge, Georgia, Martin Luther King, Sr., came of age under the looming threat of violence at the hands of white landowners. Growing up, he witnessed his family being crushed by the weight of poverty and racism, and escaped to Atlanta to answer the calling to become a preacher. Before engaging in acts of political dissent or preaching at Ebenezer Baptist Church, where he would remain for more than four decades, King, Sr., earned high school and college diplomas while working double shifts as a truck driver—and he won the heart of his future wife, Alberta “Bunch” Williams. King, Sr., recalls the struggles and joys of his journey: the pain of leaving his parents and seven siblings on the family farm; the triumph of winning voting rights for blacks in Atlanta; and the feelings of fatherly pride and anxiety as he watched his son put his life in danger at the forefront of the civil rights movement. Originally published in 1980, *Daddy King* is an unexpected and poignant memoir. “There are two men I am supposed to hate. One is a white man, the other is black, and both are serving time for having committed murder. James Earl Ray is a prisoner in Tennessee, charged with killing my son. Marcus Chenault was institutionalized as deranged after shooting my wife to death. I don’t hate either one. There is no time for that, and no reason, either. Nothing that a man does takes him lower than when he allows himself to fall so far as to hate anyone.” —The Reverend Martin Luther King, Sr., in *Daddy King*

*Martin Luther King, Jr* Bloomsbury Children's Books

The classic collection of Dr. King's sermons that fuse his Christian teachings with his radical ideas of love and nonviolence as a means to combat hate and oppression. As Martin Luther King, Jr., prepared for the Birmingham campaign in early 1963, he drafted the final sermons for *Strength to Love*, a volume of his most well known homilies. King had begun working on the sermons during a fortnight in jail in July 1962. While behind bars, he spent uninterrupted time preparing the drafts for works such as “Loving Your Enemies” and “Shattered Dreams,” and he continued to edit the volume after his release. *Strength to Love* includes these classic sermons selected by Dr. King. Collectively they present King's fusion of Christian teachings and social consciousness and promote his prescient vision of love as a social and political force for change.
