Filling an important gap in the literary world, The Richard Peabody Reader is a wide-ranging selection of this great writer's poetry and prose. As a publisher, Peabody's steadfast dedication to that which is new, challenging, innovative, and dynamic has won him a wide reputation among writers whose work he has championed. This volume demonstrates those same values, embodied in nearly four decades of fiercely

smart, sophisticated, and often very funny writing. From his first collection of poems, *I'm in Love with the Morton Salt Girl*, to his most recent collection of short stories, *Blue Suburban Skies*, Peabody has established and developed a thoroughly unique voice, both warm and piercing, to deliver content that ranges from the hilarious, as in the short story "Flea Wars," to the bittersweet, as in the poem "The Other Man is Always French," to the elegiac, as in the poem in "Civil War Pieta," to the absurd, as in the rollicking farce of the short story, "Bad Day at Ikea."

Peabody's aesthetic is all-embracing—strands of punk, beat, experimental, feminist, and political protest literary influences blend with the purely romantic to create a body of work that is both profound and pleasing.

To the outside world Julia's family was a picture of respectability; middle-class, decent, loving. But between the ages of eight and thirteen Julia's father sexually abused her. While Julia's mother's obsessive domestic tendencies occupied her elsewhere, Julia's father concentrated his attentions on his daughter. When, eventually, Julia twice

found the courage to reveal what was happening to her, her mother encouraged her to retract her allegations. Years later, after Julia had married and had two daughters, her father confessed - and Julia was able to record their conversation and press charges. Her father is currently serving eight years in prison. Julia no longer has a relationship with her mother and brother, but she has successfully rebuilt a new life for herself. This the dramatic story of how, by confronting her painful past, Julia has begun to build herself a successful future.

She's my little sister's best friend. She calls me Daddy. She's completely off limits. And she's mine. My little sister thinks I'm taking care of her best friend while she's away at college. She doesn't know the half of it, though. Yeah, I give Fiona a place to stay, somewhere to sleep. I give her mindblowing O's,

too. That place to sleep? My bed. No clothes allowed. She started it. By teasing me. By calling me Daddy. By telling me what a good girl she'd be for me. I finished it by staking my claim and making her mine. Except we haven't told my little sister. We're sneaking around behind her back. So when my sister asks Fiona to go to a "singles only" college frat party with her... Look, I don't want either of them going. Fiona's not single, she's mine. No way in hell am I letting some preppy frat bro lay a hand on my baby girl.

She ran from trouble. She found a Daddy. A little homeless Little. He's a

big tough motorcycle club president. This is a bad idea...He's dangerous, violent, living outside the law. Bad news all around. But when I ran from trouble he was the only one who noticed. I can't help it that my Little side came out in front of him. Or that I'm falling for the ruggedly handsome Daddy. Drakel met her. She acted out. I spanked her. She looked innocent but she behaved like a brat. So I did something I've never done before. I fell for a Little. Only now trouble's coming after both of us. Because she's keeping a secret from me. And I couldn't resist taking her innocence from her. Motorcycle Daddy's Little stars a stern Daddy and a

Little in trouble. It is only suitable for open minded readers. As with all Daisy March books, the happily-ever-after is guaranteed.

Crystal longed for her father's love, but she felt only rejection. Added to that, she grew up in a home where incest and sexual molestation seemed "natural"-even from a very young age. But when her neighbor raped her and other men abused her she blamed herself. What have I done to make them do this to me? Her low self-esteem and depression led her into alcohol and drug

abuse, sexual promiscuity, thoughts of suicide, self-destructive habits and dabbling in the occult. As an adult, she searched for her identity and purpose in life through being a wife, a mother and serving God. But miscarriages, failed adoptions and years of infertility kept her from her dream of being a mother. Crystal turned to adultery to find value in herself. But this only added to her guilt and shame. She believed she didn't deserve to be forgiven. At her lowest point, however, the heavenly Father filled her with His love and revealed her identity to her as Daddy's Little Princess. Crystal Narby served as a youth pastor for ten years and was involved with the

Yokefellow Prison Ministry for many years. She was also a volunteer counselor for a domestic violence/rape crisis hotline. Presently she ministers healing and deliverance through Bible studies and speaking engagements. Her mission is to love the Lord and live a fasted life, according to Isaiah 58:6-7, and to go into all the world with the gospel of Jesus Christ, as commissioned in Mark 16:15-18. Crystal resides with her husband, Greg, and their son, Jayden, in Dubois, Pennsylvania. *Motorcycle Daddy's Little Daddy's Little Princess* Award-Winning Regency Romance from Bestselling Author Julie Klassen Emma Smallwood,

determined to help her widowed father regain his spirits when his academy fails, agrees to travel with him to the distant Cornwall coast, to the cliff-top manor of a baronet and his four sons. But after they arrive and begin teaching the younger boys, mysterious things begin to happen and danger mounts. Who does Emma hear playing the pianoforte, only to find the music room empty? Who sneaks into her room at night? Who rips a page from her journal, only to return it with a chilling illustration? The baronet's older sons, Phillip and Henry, wrestle with problems--and secrets--of their own. They both remember Emma Smallwood from their days at her father's academy. She had

been an awkward, studious girl. But now one of them finds himself unexpectedly drawn to her. When the suspicious acts escalate, can the clever tutor's daughter figure out which brother to blame...and which brother to trust with her heart?

Mr. Hatfield with all of his years of experience in marriage, parenting, family, missions and in the Church pulls no

punches in calling Christ's Bride to return to His Truth (God's revealed Law-Word) regarding discipleship (men and women of faith and grace) in Manhood and Womanhood, outrageously successful spousal relations, parenting with training in romance, sexual satisfaction, love and marriage! He is calling all believers, especially men, to confession and repentance and to receive, understand and apply these Truths in the Power of the Holy Spirit as the only acceptable response in which God will revive and reform the Family and the Church in the 21st Century! Not for the weak-kneed, weak-minded or humanistically influenced, this is for

Christ's Bride as we prepare for and anticipate His return! These applications of God's revealed Law-Word and His uncommon common sense in the lives of America's postmodern Christian culture and especially the promise of duplicating of these successes for love and marriage in our children, is exciting and challenging to the point of precedent setting magnitudes. The reader will experience riveting and exciting challenges to the status quo of our present day Christian culture. "Based on interviews with more than 1000 adults nationwide, the survey discovered that less than one out of every five adults believes that children under the age of 13 are being

"superbly" or "pretty well" prepared for life emotionally, physically, spiritually, intellectually or physically. Fewer than one out of every twenty adults believes that America's youngsters are receiving above average preparation in all five of those areas of life." Americans Agree: "Kids Are Not Being Prepared for Life," The Barna Group-October 26, 2004 The couples, who discover the answers to the moral morass of our postmodern Christian culture, are those who know that the future of their children is in jeopardy and that we are in a war for the control of that future! Sadly, the statistics of broken homes, divorces, adultery, domestic violence,

drugs and promiscuity - to mention only some of the ills of our culture - are almost equally divided between "Christian" families and non-Christian families. This is unacceptable as a comparison and must change. Consequently, fathers and mothers of faith and grace are those - who are and or who will experience - God's promise of victory over these fruits of our fallen nature and live a marriage experience that captures the best of God's gifts of love, sex and romance in marriage. Daddy's Little Girl and Mommy's Little Boy brings us clear evidence of just how America's Christian couples can have this victory in their marriage and how to duplicate this success

in their sons and daughters.
