What to Expect the First Year: Heidi Murkoff, Sharon Mazel ... What To Expect The First Since the day I delivered my first baby, I've been a mom on a mission: To help parents know What to Expect, every step of the way. From pregnancy and childbirth, from first cuddles to first steps, What to Expect is more than just information. What to Expect - The Most Trusted Pregnancy & Parenting Brand Announcing the completely revised third edition of What to Expect the First Year. With over 10.5 million copies in print, First Year is Some things about babies, happily, will never change. They still arrive warm, cuddly, soft, and smelling impossibly sweet. What to Expect the First Year by Heidi Murkoff WebMD explains the first trimester of pregnancy. You'll find out what to expect during the first trimester, along with signs and symptoms to know you're pregnant. First Trimester of Pregnancy: What to Expect, Baby Development What to expect:

Your body. Your body is also going through major physical changes. About 72 hours after giving birth, your milk will come in. Often, this coincides with your first day at home. Until now you've been producing the coveted, antibody-rich colostrum, which is usually yellower than breast milk. First days at home with your baby | BabyCenter The educational health content on What To Expect is reviewed by our medical review board and team of experts to be up-to-date and in line with the latest evidence-based medical information and accepted health guidelines, including the medically reviewed What to Expect books by Heidi Murkoff. This site complies with the HONcode standard for trustworthy health information. First Year for Your Newborn Baby - What to Expect Here's what to expect: You'll get a check-up. This may include a general health exam (checking your heart, lungs,... You'll get a confirmation of your pregnancy. You'll undergo a battery of other tests. Some tests are routine for every pregnant woman,... You'll get an official countdown. If you ... The First Prenatal Appointment - What to Expect Speaking of dirty diapers,

you can expect a whole lot from your newborn's bowel movements in the first few weeks. First poops are usually black and sticky — that's the meconium that filled your baby's intestines while in utero. That will transition after a day or two to greenish yellow stools, and a few days later to "regular" baby poops.
