Wolves of Rome Morgan James Publishing

Odisseu ou Ulisses, o herói do poema de Homero, é mais complexo e é mais moderno do que possa parecer. É o que vemos em O meu nome é ninguém - O juramento, romance do italiano Valerio Massimo Manfredi cujo título repete uma frase dita por seu protagonista, Odisseu. E mais de dois mil anos depois este personagem imortal continua a fascinar e a ensinar, a assombrar e a formar. Na recriação de Manfredi, é o próprio Odisseu quem se torna o narrador de suas magníficas aventuras, de maneira a aproximar-nos desse protagonista não só muito humano, mas atual. Sua história é repleta de maravilhas e nobres façanhas, desde a infância do herói na pequena ilha de Ítaca até o dramático final da guerra de Troia. Guerreiro, homem de Estado e diplomata, por vezes seguidas, Odisseu demonstra sua inteligência e sua sensatez. Propõe acordos pacíficos, resolve conflitos, prega a paciência e a lealdade, apesar de rodeado pelos personagens mais orgulhosos, intempestivos e belicosos da Antiguidade, entre os quais ressaltam Aquiles e Pirro. Mas aí estão também Hércules, Páris, Laertes, Penélope, a bela Helena (a causa da "interminável" e cruenta guerra), e todos desempenham um papel fundamental neste grande drama íntimo e ao mesmo tempo legendário.

Pharaoh MIRA

Set during the first half of the twentieth century, this is the story of the Brunis, a family of farmers from the Italian Padan Plain who have worked the land since time immemorial. And it is a story about the homeless multitudes, travelers, and tinkers, roaming Europe during the hardscrabble nineteen-twenties and thirties. In this expansive novel, these two worlds meet when the Brunis open their great barn and offer it as a refuge for those in need of a warm, dry, and safe place to sleep and eat. The barn becomes font and inspiration for a series of vivid stories involving sundry strangers, the Bruni parents themselves, and their nine children—seven boys and two girls—who will grow into young men and women during World War I and its aftermath. Told in the tradition of

country folktales and framed by the devastating years of strife—two world wars and the years of fascism—these stories will delight readers from the first page to the last. Manfredi’s A Winter’s Night provides a timely reminder that simple values and a sense of solidarity with our fellow human beings remain of vital importance, above all in a world undergoing momentous and rapid change.

Odysseus: The Oath Pan Macmillan

"This book is divided into two parts, the first comprises two chapters dealing with Karol Lanchkoronski and the fate of his collection, as well as wedding rituals in Renaissance Italy and the history of domestic painting. The second part, consisting of eight chapters, discusses the cassone panels and paintings deriving from day beds--lettucci--and panelling of the walls--spalliere."--Back cover.

O MEU NOME ☐ NINGU☐M: O JURAMENTO

CRC Press

The extraordinary story of a legendary hero continues ... After ten years of uninterrupted war, blood and agony, the Trojans have finally been defeated. Odysseus and his men begin the epic journey to return to Ithaca. Along the way, terrifying enemies await them: the cyclops Polyphemus, the lotus eaters, who feast on narcotic flowers that give only oblivion, the sorceress who turns men into swine, and the deadly, enthralling sirens. In this stunning new novel, Valerio Massimo Manfredi gives a new voice to one of the most adventurous and fascinating heroes of all time.

Empire of Dragons Pan Macmillan

Why did Rome fall? Vicious barbarian invasions during the fifth century resulted in the cataclysmic end of the world's most powerful civilization, and a 'dark age' for its conquered peoples. Or did it? The dominant view of this period today is that the 'fall of Rome' was a largely peaceful transition to Germanic rule, and the start of a positive cultural transformation. Bryan Ward-Perkins encourages every reader to think again by reclaiming the drama and violence of the last days of the Roman world, and reminding us of the very real horrors of barbarian occupation. Attacking new sources

with relish and making use of a range of contemporary archaeological evidence, he looks at both the wider explanations for the disintegration of the Roman world and also the consequences for the lives of everyday Romans, in a world of economic collapse, marauding barbarians, and the rise of a new religious orthodoxy. He also looks at how and why successive generations have understood this period differently, and why the story is still so significant today.

The Ides of March Macmillan

Anatolia, AD 260. The Roman outpost of Edessa is on its last legs after the Persian siege, and Roman Emperor Publius Licinius Valerianus agrees to meet his adversary to negotiate peace. But the meeting is a trap and the Emperor ends up in enemy hands, along with the commander of his personal guard, Marcus Metellus Aquila, and ten of his most valiant and trusted men. Their destiny is sealed: they will rot away in a mine, forced into slavery. But Metellus - legate of the Second Augusta Legion, hero of the empire - and his men break free and find shelter at an oasis, where they meet a mysterious, exiled prince. The Romans become the prince's private militia, agreeing to safeguard the prince's journey back to his homeland, Sera Maior, the mythical Kingdom of Silk - China. And so they begin an extraordinary and epic journey through the forests of India, the Himalayan mountains, the deserts of central Asia, all the way to the heart of China - as the very survival of the world's greatest two empires is at stake.

The Ends of the Earth L'Erma Di Bretschneider

The 15th of March, 44 BCE. A day of infamy. A day that fascinates scholars and writers. A crucial moment for humanity. The date of the assassination of the man who could have radically changed the history of the world. With THE IDES OF MARCH, Manfredi revisits the three days in the life of Julius Caesar that led to his assassination in the Senate - a death that set off waves of repercussions throughout the Roman world and beyond.

Silent in the Sanctuary Simon and Schuster

The first novel from award-winning author Gianfranco Calligarich to be published in English, Last Summer in the City is a witty and despairing classic of Italian literature. Biting, tragic, and endlessly quotable, this translated edition features an introductory appreciation from longtime fan

New York Times bestselling author André Aciman. In a city smothering under the summer sun and an overdose of la dolce vita, Leo Gazarra spends his time in an alcoholic haze, bouncing between run-down hotels and the homes of his rich and well-educated friends, without whom he would probably starve. At thirty, he's still drifting: between jobs that mean nothing to him, between human relationships both ephemeral and frayed. Everyone he knows wants to graduate, get married, get rich—but not him. He has no ambitions whatsoever. Rather than toil and spin, isn't it better to submit to the alienation of the Eternal City, Rome, sometimes a cruel and indifferent mistress, sometimes sweet and sublime? There can be no half measures with her, either she's the love of your life or you have to leave her. First discovered by Natalia Ginzburg, *Last Summer in the City* is a forgotten classic of Italian literature, a great novel of a stature similar to that of *The Great Gatsby* or *The Catcher in the Rye*. Gianfranco Calligaris's enduring masterpiece has drawn comparisons to such writers as Truman Capote, Ernest Hemingway, and Jonathan Franzen and is here made available in English for the first time.

Mattia Preti Harvey Miller

In Valerio Massimo Manfredi's *The Ends of the Earth* Alexander's epic quest continues through the heart of Asia and on towards the mystery of India. The Macedonian Army march in search of limitless glory, crushing resistance at every turn. The beauty of Babylon is ravaged, the Palace of Persepolis burnt to ashes. An empire is destroyed and a new and bloody era begins. But there are other things on the great conqueror's mind. An ambitious project to unite the peoples of the empire in one homeland begins to obsess him, until the curious beauty of Queen Roxanna gives Alexander the strength to fulfil his destiny . . . A truly compelling and romantic book and a breathtaking conclusion to the bestselling Alexander trilogy.

Last Summer in the City Pan Macmillan

After twenty years, Odysseus finally returns to Ithaca, but instead of receiving the homecoming he had hoped for finds himself caught in an intense battle of wills with his faithful and long-suffering wife Penelope. When Penelope recognizes him under the guise of a beggar, she becomes furious with him for not trusting her enough to include her in his plans for ridding the palace of the Suitors. As a result, she plays her own game of fictions to make him suffer for this lack of faith, inspiring jealousy, self-doubt, and misgivings in her husband, the legendary Homeric hero. In this captivating retelling of the *Odyssey*, Penelope rises as a major force with whom to be reckoned. Shifting between first-person reflections, Ithaca Forever reveals the deeply personal and powerful perspectives of both wife and husband as they struggle for respect and supremacy within a marriage that has been on hold for twenty years. Translated by PEN award-winner Douglas Grant Heise, Luigi Malerba's novel gives us a remarkable version of this greatest work of western literature: Odysseus as a man full of doubts and Penelope as a woman of great depth and strength.

The Lost Army Pan Macmillan

Assistive Technology Assessment Handbook, Second Edition, proposes an international ideal model for the assistive technology assessment process, outlining how this model can be applied in practice to re-conceptualize the phases of an assistive technology delivery system according to the biopsychosocial model of disability. The model provides reference guidelines for evidence-based practice, guiding both public and private centers that wish to compare, evaluate, and improve their ability to match a person with the correct technology model. This second edition also offers a contribution to the Global Cooperation on Assistive Technology (GATE) initiative, whose activities are strongly focused on the assistive products service delivery model. Organized into three parts, the handbook: gives readers a toolkit for performing assessments; describes the roles of the assessment team members, among them the new profession of psychotechnologist; and reviews

technologies for rehabilitation and independent living, including brain-computer interfaces, exoskeletons, and technologies for music therapy. Edited by Stefano Federici and Marcia J. Scherer, this cross-cultural handbook includes contributions from leading experts across five continents, offering a framework for future practice and research.

Caravaggio to Canaletto Pan Macmillan

In her new book about the men who were instrumental in establishing the Rome of the Emperors, Colleen McCullough tells the story of a famous love affair and a man whose sheer ability could lead to only one end -- assassination. As *The October Horse* begins, Gaius Julius Caesar is at the height of his stupendous career. When he becomes embroiled in a civil war between Egypt's King Ptolemy and Queen Cleopatra, he finds himself torn between the fascinations of a remarkable woman and his duty as a Roman. Though he must leave Cleopatra, she remains a force in his life as a lover and as the mother of his only son, who can never inherit Caesar's Roman mantle, and therefore cannot solve his father's greatest dilemma -- who will be Caesar's Roman heir? A hero to all of Rome except to those among his colleagues who see his dictatorial powers as threats to the democratic system they prize so highly, Caesar is determined not to be worshiped as a god or crowned king, but his unique situation conspires to make it seem otherwise. Swearing to bring him down, Caesar's enemies masquerade as friends and loyal supporters while they plot to destroy him. Among them are his cousin and Master of the Horse, Mark Antony, feral and avaricious, priapic and impulsive; Gaius Trebonius, the nobody, who owes him everything; Gaius Cassius, eaten by jealousy; and the two Brutuses, his cousin Decimus, and Marcus, the son of his mistress Servilia, sad victim of his mother and of his uncle Cato, whose daughter he marries. All are in Caesar's debt, all have been raised to high positions, all are outraged by Caesar's autocracy. Caesar must die, they decide, for only when he is dead will Rome return to her old ways, her old republican self. With her extraordinary knowledge of Roman history, Colleen McCullough brings Caesar to life as no one has ever done before and surrounds him with an enormous and vivid cast of historical characters, characters like Cleopatra who call to us from beyond the centuries, for McCullough's genius is to make them live again without losing any of the grandeur that was Rome. Packed with battles on land and sea, with intrigue, love affairs, and murders, the novel moves with amazing speed toward the assassination itself, and then into the ever more complex and dangerous consequences of that act, in which the very fate of Rome is at stake. *The October Horse* is about one of the world's pivotal eras, relating as it does events that have continued to echo even into our own times.

The Imagined Immigrant Pan Macmillan

Gymnastics Psychology takes a comprehensive look at the factors that are necessary for training champions while emphasizing concern for the athlete's psychological status, regardless of the level of achievement. The easy-to-follow articles cover the interpersonal relationships of coaches and athletes, psychological issues pertaining to motivation and fear management, meet preparation and goal setting, as well as vital family, school and peer relationships. The authors provide definitive insight in the areas of psychological development and competitive behaviors that are critical to success.

Gymnastics Psychology Editora Rocco

Valerio Massimo Manfredi's *The Oracle* is a modern thriller inspired by an ancient prophecy. 1973. Professor Periklis Harvatis, working alone and late into the night on an important archaeological dig, unearths a magnificent golden vase upon which the enigmatic images of a long-lost second *Odyssey* are engraved, showing the mystery of Ulysses' final voyage. But in the very same chamber, the Professor sees something so frightening that less than seven hours later he dies . . . but not before he has ensured the safety of the vase. Ten years later, a series of gruesome deaths connected to the rape and murder during the student protests in Athens of a Greek woman, on the

same night as Professor Harvatis's discovery, is perplexing the authorities. Each atrocity is accompanied by a dire quotation from the ancient sources, exposing an ingeniously cruel mind. Who is behind these murders? How are these two events connected? And what is the significance of the age-old prophecy of the *Odyssey*?

YODHA: THE DYNASTY OF SAMUDRAGUPTA

Pan Macmillan

Using original sources--such as newspaper articles, silent movies, letters, autobiographies, and interviews--Ilaria Serra depicts a large tapestry of images that accompanied mass Italian migration to the U.S. at the turn of the twentieth century. She chooses to translate the Italian concept of *immaginario* with the Latin *imago* that felicitously blends the double English translation of the word as "imagery" and "imaginary." *Imago* is a complex knot of collective representations of the immigrant subject, a mental production that finds concrete expression; impalpable, yet real. The "imagined immigrant" walks alongside the real one in flesh and rags.

THE ORACLE

OUP Oxford

A castaway tossed onto a deserted beach is the last survivor of a world that no longer exists. He has a terrible, fascinating story to tell - the true reason for which the Trojan War was fought... The protagonist of this tale is Diomedes, the last of the great ancient Greek Homeric heroes, who seeks to return to his beloved homeland after years of war against Troy. But destiny has other plans for him. Betrayed by his wife, who plots to murder him and persecuted by hostile gods, he has no choice but to turn his sails west, towards Hesperia, the mysterious mist-shrouded land that will one day be called Italy. He ventures boldly into this new world, for he carries with him the magic Talisman of Troy, a mysterious, powerful idol that can make the nation that possesses it invincible...

ONE HUNDRED HOUSES FOR ONE HUNDRED ARCHITECTS

Princeton University Press

Valerio Massimo Manfredi's *Tyrant* starts in Sicily 412 BC: the infinite duel between a man and a superpower begins. The man is Dionysius, who has just made himself Tyrant of Syracuse. The superpower Carthage, mercantile megalopolis and mistress of the seas. Over the next eight years, Dionysius' brutal military conquests will strike down countless enemies and many friends to make Syracuse the most powerful Greek city west of mainland Greece. He builds the largest army of antiquity and invents horrific war machines to use against the Carthaginians, who he will fight in five wars. But who was Dionysius? Historians have condemned him as one of the most ruthless, egocentric despots. But he was also patron of the arts, a dramatist, poet and tender lover.

THE LAST LEGION

Alexander: Child of a Dream

Valerio Massimo Manfredi's *Pharaoh* is a thrilling archaeological mystery. Jerusalem, 586 BC. The kingdom of Judah is on the verge of annihilation by the Babylonians. In the chaos, the prophet Jeremiah saves the sacred Ark of the Covenant and hides it in a cave. He returns terrified, having made a discovery that appears to have sent him mad. The Middle East, early in the second millennium. Professor William Blake, renowned Egyptologist, has a surprising visit from representatives of an American mining corporation. They have discovered a strange Egyptian tomb, which risks exploding the powder keg of Middle Eastern geopolitics. Blake finds himself facing the most mysterious case of his life. The tomb of the Pharaoh lies in the middle of the desert, miles from the Nile and the Valley of the Kings. As he starts to unravel the Pharaoh's story, a disturbing theory forms in Blake's mind as to the identity of this mysterious ruler - a theory that could destroy the balance of the modern world.
