SHORT STORIES TO LEARN SPANISH, VOL. 1

Council of Europe

It is startling and it is shaming: in a country that prides itself on being among the most enlightened in the world, 25 million American adults cannot read the poison warnings on a can of pesticide, a letter from their child's teacher, or the front page of a newspaper. An additional 35 million read below the level needed to function successfully in our society. The United States ranks forty-ninth among 158 member nations of the UN in literacy, and wastes over \$100 billion annually as a result. The problem is not merely an embarrassment, it is a social and economic disaster. In *Illiterate America*, Jonathan Kozol, author of National Book Award-winning *Death at an Early Age*, addresses this national disgrace. Combining hard statistics and heartrending stories, he describes the economic and the human costs of illiteracy. Kozol analyses and condemns previous government action—and inaction—and, in a passionate call for reform, he proposes a specific program to conquer illiteracy. One out of every three American adults cannot read this book—which is why everyone else must.

NATIONAL BESTSELLER • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. "A brilliant and thoroughly modern guide to learning new languages."—Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Grammar Zero* At thirty years old, Gabriel Wyner speaks six languages fluently. He didn't learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he's discovered. Starting with pronunciation, you'll learn how to rewire your ears and turn foreign sounds into familiar sounds. You'll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you'll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you'll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.

The Phantom of the Opera (1910) is a novel by French writer Gaston Leroux. Originally serialized in *Le Galois*, the novel was inspired by legends revolving around the Paris Opera from the early nineteenth century. Originally a journalist, Leroux turned to fiction after reading the works of Arthur Conan Doyle and Edgar Allan Poe. Despite its lack of success relative to Leroux's other novels, *The Phantom of the Opera* has become legendary through several adaptations for film, theater, and television, including Andrew Lloyd Webber's celebrated 1886 Broadway musical of the same name. In 1880s Paris, the legendary Palais Garnier Opera House is rumored to be haunted by a malignant entity. Known as

the Phantom of the Opera, he has been linked to the hanging death of a stagehand in addition to several strange and mysterious occurrences. Just before a gala performance, a young Swedish soprano named Christine is called on to replace the opera's lead, who is suffering from a last-minute illness. From the audience, the Vicomte Raoul de Chagny recognizes Christine, his childhood sweetheart, and goes backstage after the opera has ended to reintroduce himself. While waiting by her dressing room, he hears her talking to an unknown man, but upon entering finds himself alone with Christine. Pressing her for information, she reveals that she has been receiving lessons from a figure she calls the Angel of Music, prompting suspicion and terror in Raoul, who is familiar with the legend of the Phantom. As Raoul makes his feelings for Christine known, the Phantom professes his love for his protégé, and a battle for her affection ensues. Caught in this love triangle, threatened on all sides by jealousy and pursuit, Christine struggles to hold on as her star in the Paris Opera rises. With a beautifully designed cover and professionally typeset manuscript, this edition of Gaston Leroux's *The Phantom of the Opera* is a classic of French literature reimagined for modern readers.

English for Business Studies in Higher Education Studies The Garnet Education English for Specific Academic Purposes series won the Duke of Edinburgh English Speaking Union English Language Book Award in 2009. English for Business Studies is a skills-based course designed specifically for students of business who are about to enter English-medium tertiary level studies. It provides carefully graded practice and progressions in the key academic skills that all students need, such as listening to lectures and speaking in seminars. It also equips students with the specialist business language they need to participate successfully within a business studies faculty. Extensive listening exercises come from business studies lectures, and all reading texts are taken from the same field of study. There is also a focus throughout on the key business vocabulary that students will need. Listening: how to understand and take effective notes on extended lectures, including how to follow the argument and identify the speaker's point of view. Speaking: how to participate effectively in a variety of realistic situations, from seminars to presentations, including how to develop an argument and use stance markers. Reading: how to understand a wide range of texts, from academic textbooks to Internet articles, including how to analyze complex sentences and identify such things as the writer's stance. Writing: how to produce coherent and well-structured assignments, including such skills as paraphrasing and the use of the appropriate academic phrases. Vocabulary: a wide range of activities to develop students' knowledge and use of key vocabulary, both in the field of business studies and of academic study in general. Vocabulary and Skills banks: a reference source to provide students with revision of the key words and phrases and skills presented in each unit. Full transcripts of all listening exercises. The Garnet English for Specific Academic Purposes

series covers a range of academic subjects. All titles present the same skills and vocabulary points. Teachers can therefore deal with a range of ESAP courses at the same time, knowing that each subject title will focus on the same key skills and follow the same structure. Key Features Systematic approach to developing academic skills through relevant content. Focus on receptive skills (reading and listening) to activate productive skills (writing and speaking) in subject area. Eight-page units combine language and academic skills teaching. Vocabulary and academic skills bank in each unit for reference and revision. Audio CDs for further self-study or homework. Ideal coursework for EAP teachers. Extra resources at www.garnetesap.com

Research shows that, when learning a new language, students who read for pleasure make the most progress on vocabulary acquisition and are better at understanding grammar structures. After several years of delivering audio and video lessons online, Spanish To Move(R) is publishing this book, which follows its unique formula: interesting stories carefully prepared to create subconscious patterns in the students. In this context, these stories will help you learn or practice Spanish, acquire new vocabulary, and go over the most used grammar structures without even thinking about grammar. Also, by focusing on short texts, you will remain engaged, focused and motivated when you achieve specific learning goals. This book offers 39 stories designed to take you from simple to complex grammar structures, on a variety of topics. You will find inspiring and motivational stories, as well as anecdotes on many subjects, ranging from geography and nature to history, psychology, and philosophy. The stories have been written mostly in present, past and future tenses, for beginner and intermediate students (levels A2, B1, and B2 of the Common European Framework of Reference for Languages).

El mundo ha cambiado tanto que los jóvenes tienen que reinventar la rueda. Para Michel Serres, nace un nuevo ser humano, él lo bautiza como Pulgarcita, sobre todo por su capacidad para enviar mensajes con el pulgar. Las sociedades occidentales han experimentado dos revoluciones: la transición de lo oral a lo escrito, y el paso de escribir en una pizarra a escribir en libros. Ahora vivimos la tercera revolución: la transición a las nuevas tecnologías. No hay progreso o desastre, ya sea bueno o malo, ésta es la realidad y tenemos que lidiar con eso. La generación Pulgarcita tendrá que reinventar una forma de vivir juntos, instituciones y formas de ser y conocer. - "Michel Serres es el abuelo con el que todos soñamos. En él se unen tan bien la sabiduría y la juventud, que a su lado se tiene la impresión de que tiene toda la vida por delante" - Sophie Bancquart, directora de la Editorial Pommier. - "A este formidable ensayo se puede aplicar igualmente la frase de Michel de Montaigne: "vale más una cabeza bien hecha que una cabeza bien llena" - Lire, Francia. - "Michel Serres analiza meticulosamente y con ternura los cambios que entrañan las

nuevas tecnologías sobre (o en) las generaciones actuales. Lejos de estigmatizar a los nativos digitales, describe una generación mutante y apasionada" - Dirigeants Chrétien.

The CEFR Companion volume broadens the scope of language education. It reflects academic and societal developments since the publication of the Common European Framework of Reference for Languages (CEFR) and updates the 2001 version. It owes much to the contributions of members of the language teaching profession across Europe and beyond. This volume contains: ► an explanation of the key aspects of the CEFR for teaching and learning; ► a complete set of updated CEFR descriptors that replaces the 2001 set with: - modality-inclusive and gender-neutral descriptors; - added detail on listening and reading; - a new Pre-A1 level, plus enriched description at A1 and C levels; - a replacement scale for phonological competence; - new scales for mediation, online interaction and plurilingual/pluricultural competence; - new scales for sign language competence; ► a short report on the four-year development, validation and consultation processes. The CEFR Companion volume represents another step in a process of engagement with language education that has been pursued by the Council of Europe since 1971 and which seeks to: ► promote and support the learning and teaching of modern languages; ► enhance intercultural dialogue, and thus mutual understanding, social cohesion and democracy; ► protect linguistic and cultural diversity in Europe; and ► promote the right to quality education for all.
