THE KOLBRIN BIBLE

New World Library

The Spiritual, Occult and Historical significance of the "Emerald Tablets" is almost beyond belief of modern man. Written around 36,000 B.C. by Thoth, an Atlantean priest-king, this manuscript dates far back beyond reach of any Egyptian writings ever found. The author, Thoth, a Master-Teacher of the early Egyptians, put this treatise to writing in his native Atlantean language and Dr. Doreal, by use of his expertise as an Occultist and Master of time and space, was given the directive to retrieve these Tablets and translate them into English for the edification of modern man. The powerful and rhythmic verse of Thoth is wonderfully retained in Doreal's translation. Contained within the pages of Thoth's masterpiece of Spiritual and Occult Wisdom is the synthesis of the Ancient Wisdom Teachings, the guideline for initiates of all ages, revealing the Knowledge and Wisdom hitherto held secret, but now in this New Age, revealed to all Seekers on the Path of Light. Dr. M. Doreal, Ms.D., Psy.D., is the Spiritual; Teacher of a multitude of Seekers of Light, having founded a Metaphysical Church and College - The Brotherhood of the White Temple, Inc. He is the author of all of the Organization's writings and teachings, having been given permission for the Esoteric Wisdom to be remitted in a public forum by the Great White Lodge, the Elder Brothers of mankind who shape and form the Spiritual evolution of earth's inhabitants. The Brotherhood of the White Temple, Inc. is a correspondence school, accredited through the State of Colorado, and mails out to its world-wide membership weekly Lessons of Truth. Its four and one-half year College Course unveils the secrets of the Symbolism of all Mystery Schools, giving precisely and beautifully, the step by step progression all Seekers have searched for in their quest for Oneness with God, and for attainment of Cosmic Consciousness. "Read, Believe or not, but read, and the vibration found therein will awaken a response in your soul." - Doreal

The channeled Guides of I Am the Word provide a concise and immensely powerful program in self-awareness that can ease negative complexes and align your existence with its highest purpose. Humanity has lost itself. Both as individuals and as a world culture, we have forgotten our true nature. In I Am the Word, writer and medium Paul Selig has recorded an extraordinary program for self-realization, as dispensed through beings of higher intelligence, sometimes called Guides or Ascended Masters. These figures seek, as they have in the past, to assist men and women in discovering the higher, purposeful nature-or "Christed Self"-that lies dormant within us all. In a series of enticing, irresistibly practical dialogues, the Guides of I Am the Word identify the emotional "boulders" that displace our authentic selves and consume our potential. The Guides provide to-the-point psychological and existential insights, along with self-developing exercises and affirmations, which begin to strip away residues of fear, self-doubt, and self-suffocating habits.

Suppose you could ask God any question and get an answer. What would it be? Young people all over the world have been asking those questions. So Neale Donald Walsch, author of the internationally bestselling *Conversations with God* series had another conversation. *Conversations with God for Teens* is a simple, clear, straight-to-the-point dialogue that answers teens questions about God, money, sex, love, and more. *Conversations with God for Teens* reads like a rap session at a church youth group, where teenagers discuss everything they ever wanted to know about life but were too afraid to ask God. Walsch acts as the verbal conduit, showing teenagers how easy it is to converse with the divine. When Claudia, age 16, from Perth, Australia, asks, "Why can't I just have sex with everybody? What's the big deal?", the answer God offers her is: "Nothing you do will ever be okay with everybody. 'Everybody' is a large word. The real question is can you have sex and have it be okay with you?" There's no doubt that the casual question-and-answer format will help make God feel welcoming and accessible to teens. *Conversations with God for Teens* is the perfect gift purchase for parents, grandparents, and anyone else who wants to provide accessible spiritual content for the teen(s) in their lives.

PLEIADIAN PRINCIPLES FOR LIVING

DIANE Publishing

The bestselling, beloved classic on how to go into the dark side of yourself to bring out the light -- now with new material. Debbie Ford believes that we each hold within us a trace of every human characteristic that exists, the capacity for every human emotion. We are born with the ability to express this entire spectrum of characteristics. But, Ford points out, our families and our society send us strong messages about which ones are good and bad. So when certain impulses arise, we deny them instead of confronting them, giving them a healthy voice, then letting them go. It is to these feelings that Ford turns our attention, these parts of our selves that don't fit the personae we have created for the rest of the world. She shows us the effects of living in the dark, of keeping all our supposedly unsavory impulses under wraps. We find ourselves disproportionately frustrated and angry at the selfishness of friends, the laziness of colleagues, the arrogance of siblings. When we are unable to reconcile similar impulses in ourselves, Ford explains, we waste our own energy judging

others instead of empathizing. But most important, we deny ourselves the power and freedom of living authentically. Through the stories and exercises in *The Dark Side of the Light Chasers*, Debbie Ford shows us not only how to recognize our hidden emotions, but also how to find the gifts they offer us. This is for fans of Marianne Williamson, Neale Donald Walsch, and Deepak Chopra. The very impulses we most fear may be the key to what is lacking in our lives.

Communion with God Hampton Roads Publishing

- Details how sacred sites resonate at the same frequencies as both the Earth and the alpha waves of the human brain
- Shows how human writing in its original hieroglyphic form was a direct response to the divine sound patterns of sacred sites
- Explains how ancient hero myths from around the world relate to divine acoustic science and formed the source of religion

The Earth resonates at an extremely low frequency. Known as "the Schumann Resonance," this natural rhythm of the Earth precisely corresponds with the human brain's alpha wave frequencies—the frequency at which we enter into and come out of sleep as well as the frequency of deep meditation, inspiration, and problem solving. Sound experiments reveal that sacred sites and structures like stupas, pyramids, and cathedrals also resonate at these special frequencies when activated by chanting and singing. Did our ancestors build their sacred sites according to the rhythms of the Earth? Exploring the acoustic connections between the Earth, the human brain, and sacred spaces, David Elkington shows how humanity maintained a direct line of communication with Mother Earth and the Divine through the construction of sacred sites, such as Stonehenge, Newgrange, Machu Picchu, Chartres Cathedral, and the pyramids of both Egypt and Mexico. He reveals how human writing in its original hieroglyphic form was a direct response to the divine sound patterns of sacred sites, showing how, for example, recognizable hieroglyphs appear in sand patterns when the sacred frequencies of the Great Pyramid are activated. Looking at ancient hero legends—those about the bringers of important knowledge or language—Elkington explains how these myths form the source of ancient religion and have a unique mythological resonance, as do the sites associated with them. The author then reveals how religion, including Christianity, is an ancient language of acoustic science given expression by the world's sacred sites and shows that power places played a profound role in the development of human civilization.

BRINGERS OF THE DAWN

Phoenix Books

ONE DAY IN 2084 EARTH'S ORIGINAL MOUNTAINS SUDDENLY REAPPEARED ON THE PLANET—AS 85,000 DOMED CANOPIES OF LIGHT FROM THE STARS. The story of this return is told by Blaise, a well-informed but mysterious figure who claims to be an engineer 134 years old and part of an ancient team that first designed the planet. It's a chronicle of his last field assignment, a unique career retrospective, and a firsthand account of the momentous return of the domes. These are giant half-spheres of Light that originally helped create the biosphere and were the Earth's first mountains. They generated the Earth's sacred sites and the mythic homes of the gods and linked them all in a global pattern of Light. The domes arrived all at once and started to reorganize the global landscape. It was their fourth visit, and it would be several perilous years as the planet adjusts to it. Blaise and his team of geomancers travel across the Earth and time to deal with the unprecedented perturbations set in motion by this celestial rescue of the planet. Problems are rife—the revolt of Pan and the Nature Spirits, the continuing dark interference by humanity's ghostly forebears, the resurgence of Babylon and its imperious agenda, and the planet's dangerous drift towards becoming flattened like a hockey-puck. But the opportunities are fabulous too as the planet enters an era of unceasing Light and beatific conditions. The return of the domes lays bare the true history of the Earth, how it diminished from perfection, the benign superintendents of this bold

Go Be the Light! Emnin Books

With compassion and compelling insight, the Pleiadians, those system-busting time-travelers from the future, take us on a journey through the uncharted lands of The Book of Earth, which comprises all human experience. While "our world goes belly-up in these most absurd of times," they offer us "tools for survival." During the crucial period between 1987 and 2012—a nanosecond in the annals of existence where secrets and solutions are stored—we have the unique opportunity to move from the deepest of density to the highest of frequencies—where we shift from linear to multi-dimensional living. To make this transition, we must face not only the limitations of our 3-D world with its electronic manipulation and mind control, we must embrace our own wounds, and those of our ancestors and our leaders. To heal ourselves, to raise our frequency from one of despair and fear to one of great inspiration and love, the Pleiadians urge us to rethink and reevaluate our lives: "You shall change, you will change, you must change, because this is the season of change."

Conversations With God, Book 3 Jaico Publishing House

The first in a series of four titles based on the seasons, nature and folklore, *The Lightbringers* is a story of hope centring on the notion that the light will always return, even in the darkest of days. The midwinter solstice provides the focal point for a journey by the little creatures as they seek to return light to earth, but it is a journey that evokes the traditions of the Mari Lwyd walking the villages of Wales and Wassail songs being sung in the orchards. Made up of two key parts, this book contains the story of *The Lightbringers* and a brief introduction to the myth and legend surrounding the season and festivals of midwinter. Suitable for readers of all ages.

Many changes are occurring now in the lives of all of us, but does "change" have to equal "crisis"?

No. Not if you have the means with which you can change your experience of change – and that is what you are holding in your hand. This is more than a book about change. It's about how life itself works. It is about the very nature of change – why it happens, how to deal with it, and how to make it be "for the better." On these pages are Nine Changes That Can Change Everything. Is it possible that what you are about to read has come to you at the right and perfect time . . . ?

The Captive and the Gift Bringers of the Light

Rahn's personal diary from his travels as occult investigator for the Third Reich • First English translation of the author's journeys in search of a Nordic equivalent to Mt. Sinai • Explains why Lucifer the Light Bringer, god of the heretics, is a positive figure Otto Rahn's lifelong search for the Grail brought him to the attention of the SS leader Himmler, who shared his esoteric interests. Induced by Himmler to become the chief investigator of the occult for the Nazis, Rahn traveled throughout Europe—from Spain to Iceland—in the mid 1930s pursuing leads to the Grail and other mysteries. Lucifer's Court is the travel diary he kept while searching for "the ghosts of the pagans and heretics who were [his] ancestors." It was during this time that Rahn grasped the positive role Lucifer plays in these forbidden religions as the bearer of true illumination, similar to Apollo and other sun gods in pagan worship. This journey was also one of self-discovery for Rahn. He found such a faithful echo of his own innermost beliefs in the lives of the heretics of the past that he eventually called himself a Cathar and nurtured ambitions of restoring that faith, which had been cruelly destroyed in the fires of the Inquisition. His journeys on assignment for the Reich—including researching an alleged entrance to Hollow Earth in Iceland and searching for the true mission of Lucifer in the caves of southern France that served as refuge for the Cathars during the Inquisition—also led to his disenchantment with his employers and his mysterious death in the mountains after his break with the Nazis.

You've Got Me All Wrong If we've got God all wrong, we've got everything else wrong, too. Is it possible that everything we think we know about God, and what God wants, is wrong? In direct and spiritually challenging language, Walsch exposes the many ways in which he believes that humanity completely misunderstands God. He describes in clear terms how the world could change overnight if humans accurately comprehended what God is, what God wants, who they are in relation to that, and to each other. Walsch calls this the Missing Data, which if ever embraced and acted on by our species, would create a spiritual revolution across the globe, bringing humanity both inner and outer peace at last. Does anybody care why our species has been such a failure? Does anybody imagine it has not been? Does anybody want to know how this whole situation can be turned around in the virtual blink of an eye? If you do care about those questions, then you will read this book. Neale Donald Walsch is one of the most influential and widely read authors in the new spirituality movement, with eight books on the New York Times bestseller list. His life and work have helped to create and sustain a worldwide spiritual renaissance, and he travels globally to bring the uplifting message of his books to people everywhere.

BRINGERS OF DEATH

Red Wheel/Weiser
