THE PRACTICE OF ENOCHIAN MAGICK

Aleister Crowley's Illustrated Goetia
The classic illustrations of Demons!
Published in 1818-1863, the original
Dictionnaire Infernal remains the
ultimate source for images of the most
famous demons of demonology! Written
by Jacques Auguste Simon Collin de
Plancy, and illustrated by Louis Le
Breton, this classic work was printed in 6
editions, with the final edition of 1863
containing the famous demon images.
The text and images of the spirits, from
the 1863 edition are presented here, in
this Infernal Dictionary. A must have for
the library of any serious student of the
Black arts and witchcraft!

The Three Magical Books of

Solomon Original Falcon Press
"The Classic Collection of Aleister
Crowley. Illustrated" is a comprehensive
anthology that brings together some of
the most influential and controversial
works of the renowned occultist Aleister
Crowley. This meticulously curated
collection spans Crowley's prolific career
and encompasses a wide range of his

writings, providing readers with a
profound insight into his esoteric
philosophy and magical practices. The
anthology features several key texts,
including "The Lesser Key of Solomon," a
grimoire of ceremonial magic and
demonology; "The Book of the Law,"
which served as the cornerstone of
Thelema, Crowley's spiritual and
philosophical system; "The Book of Lies,"
a cryptic and enigmatic exploration of
mystical concepts; "Magick," a seminal
work on ceremonial magic and ritual
practices; "Cocaine," an autobiographical
account of Crowley's experiences with
the drug; "Moonchild," a novel blending
elements of mysticism, the supernatural,
and occultism; and a selection of
Crowley's Qabalistic writings, which
delve into the mystical and symbolic
aspects of the Hebrew Kabbalah. This
collection is not only a testament to
Crowley's intellectual versatility but also
a significant contribution to the study of
Western esotericism and occultism.
Lavishly illustrated and thoughtfully
compiled, it offers both scholars and
enthusiasts an opportunity to delve into
the mind of one of the most
controversial and influential figures in
the occult tradition, shedding light on his
complex and multifaceted worldview.
"The Classic Collection of Aleister
Crowley. Illustrated" is a must-read for

anyone interested in the history of the occult, magic, and mysticism. The Lesser Key of Solomon The Book of the Law The Book of Lies Magick Cocaine Moonchild 777 And Other Qabalistic Writings

The Classic Collection of Aleister Crowley. Illustrated Weiser Books

This trade paperback volume contains both The Key of Solomon the King (The Greater Key) and The Lesser Key of Solomon, including all of the original illustrations, diagrams and annotations to aid the reader in their understanding of the Solomon Key. The Key of Solomon the King was originally researched and translated by S.L. MacGregor Mathers from ancient manuscripts in the British museums. Included by Mathers is the Order of the Pentacles of Solomon, the Ancient Fragment of the Key of Solomon, The Qabalistic Invocation of Solomon, and 15 plates full of figures, seals and charts, as well as the original text giving detailed instruction for spells and invocations. The work is traditionally divided into two books detailing the Key of King Solomon. Book One explains the operation of conjurations, curses, spells and other magical works. Book Two instructs the practitioner on the proper attire, purification rituals and other means of obtaining the goals of the Goetia. Between these two books is the list of plates that contain numerous illustrations and secret seals of Solomon, including the Mystical Seal of Solomon, the Pentacles of Solomon, and the Mystical Alphabet, which impart the mechanisms and requirements for the invocation of spirits and demons. The Lesser Key of Solomon, or the Clavicula Salomonis Regis, or Lemegeton, is a compilation of materials and writings from ancient sources making up a text book of magic or "grimoire." Portions of

this book can be traced back to the mid-16th to 17th centuries, when occult researchers such as Cornelius Agrippa and Johannes Trithemius assembled what they discovered during their investigations into their own great works. As a modern grimoire, the Lesser Key of Solomon has seen several editions with various authors and editors taking liberty to edit and translate the ancient writings and source material. In 1898, Arthur Edward Waite published his The Book of Black Magic and of Pacts, which contained large portions of the Lemegeton. He was followed by Mathers and Crowley in 1904 who published The Goetia: The Lesser Key of Solomon. Many others have assembled their own version of this ancient material since, and it is important to realize that it is the contents rather than the book itself that make up the Lesser Key. Traditionally, the source material is divided into five books: Ars Goetia, Ars Theurgia Goetia, Ars Paulina, Ars Almadel, and Ars Notoria. Mathers and Crowley indicate their edition is a translation of the first. In the preface to this edition, it is explained that a "Secret Chief" of the Rosicrucian Order directed the completion of the book. The original editor was a G. H. Fra. D.D.C.F. who translated ancient texts from French, Hebrew, and Latin, but was unable to complete his labors because of the martial assaults of the Four Great Princes. Crowley was then asked to step in and finish what the previous author had begun. Traditionally, S. L. MacGregor Mathers is credited as the translator of this edition, and Crowley is given the title of editor. Scholars believe these books of Solomon and their many iterations derive from the ancient practices of Jewish Kabbalah and Arab Alchemy. After time, it is thought Greek

and Roman influences were added until, finally, the work was used and molded by high Renaissance magicians. This book, as well as other King Solomon books, such as the *Magical Treatise of King Solomon* and the *Testament of Solomon*, were brought back to modern times through the labors of occult practitioners such as S. L. MacGregor Mathers, Aleister Crowley and others around the turn of the last century.

The Greater and Lesser Keys of Solomon the King Llewellyn Worldwide
Part I of the illustrated reprint of the 1904 publication by Aleister Crowley and Samuel Liddell MacGregor Mathers, *The Lesser Key of Solomon: Goetia: Kings of Hell* details the demon Kings and Princes encountered by King Solomon, accompanied by original illustrations of each spirit, and their respective seals.

The Tree of Life Lulu.com
Originally published in 2003, *Understanding Aleister Crowley's Thoth Tarot* has proved to be the essential guide to accessing the unique symbolism and meaning of Aleister Crowley's remarkable tarot deck along with the deeply textured artwork of Lady Frieda Harris. Crowley authority Lon Milo DuQuette starts by providing an insightful historical background before delving into descriptions of each card in depth, from a tarot perspective and from an expanded, magickal point of view. He first describes the tarot meaning of each card in detail and then explains all the other attributions Crowley intended. This unique guide has been updated with a new introduction that provides information on the unicursal hexagram cards included with the deck but never explained. Replaces ISBN 9781578632763

THE LESSER KEY OF SOLOMON

e-artnow

Aleister Crowley (1875-1947), was an English occultist and poet who was responsible for founding the religious philosophy of Thelema. The poems contained within this volume comprise much of Crowley's early life; namely, that of his spiritual and mystic enthusiasm. Originally published in 1905, it comprises of much of Crowley's early poems and plays, written between 1898 and 1902.

Daemonolatry Goetia Weiser Books
Written after his expulsion by Mussolini from the abbey of Thelema in Cefalu, Sicily, these records consolidate the work that Crowley began in Cefalu and explore more deeply the various techniques of cabalistic and sexual magic, as well as his contact with the Arab magic of North Africa.

Enochian Vision Magick Weiser Books
The 30th Anniversary of the *Classic Guide to Thelema*, Aleister Crowley's *Spiritual System of Ritual Magick*, with a New Introduction by the Author. This is the perfect introductory text for readers who wonder what the works—rather than the myth—of Aleister Crowley are all about. DuQuette begins by dispatching some of the myths that have surrounded Crowley's life and legend. He then explores the practice of rituals themselves, unpacking Crowley's often opaque writing and offering his own commentary. Step by step, and in plain English, he presents a course of study with examples of rituals and explanations of their significance. DuQuette also includes a survey of many of Crowley's original works with an extensive bibliography and endnotes. Formerly titled *The Magick of Thelema*, then released in a revised edition

published in 2003, this Weiser Classics edition includes a new introduction by the author.

The Magician's Workbook Simon and Schuster

Quite simply the most popular of all Medieval grimoires devoted to the evocation and control of spirits. This edition is claimed to be compiled from manuscript copies in the British Museum and contains a great many spirit sigils.

The Infernal Dictionary Martino Fine Books

Having mastered the arts and sciences of his age, Elizabethan magus Dr. John Dee (1527–1608) resolved that worldly knowledge could no longer provide him the wisdom he desired, and as did so many other learned men of the day, he turned his attention to magick. In 1582 he and his clairvoyant partner Edward Kelley made magical contact with a number of spiritual entities who identified themselves as angels—the same that communicated with Enoch and the patriarchs of the Old Testament. Over the next 3 years they revealed to Dee and Kelley three distinct magical systems of vision magick. The third and last of these incorporated a series of “calls” to be recited in an angelic language in order to raise the consciousness of the magician to a level where angelic contact is possible. In Enochian Vision Magick, Lon Milo DuQuette introduces the origins of Enochian magick and offers the expert and novice alike the opportunity not only to see the big picture of the full system but also the practical means by which he or she can become attuned in the same step-by-step manner that first prepared Dee and Kelley. First published by Weiser in 2008, this new edition includes a new introduction and new back matter by the author as well as a new foreword by

THE BOOK OF GOETIA, OR THE LESSER KEY OF SOLOMON THE KING [CLAVICULA SALOMONIS]. INTRODUCTORY ESSAY BY ALEISTER CROWLEY.

Createspace Independent Publishing Platform

"Goetia [refers to] all the operations of that Magick which deals with gross, malignant or unenlightened forces". Goetia is sometimes thought of as a wild card, something that can get out of control, something which expresses the operator's lower desires to control others and improve his own personal life. And, in fact, this potential loss of control, this danger, the desire for self improvement and great power is exactly what attracts many people to Goetia while horrifying and repelling others. Crowley's Goetia is brought to life with vivid illustrations of the demons. Commentary by DuQuette and Hyatt bring the ancient arts into the modern day.

MAGICAL DIARIES OF ALEISTER CROWLEY

Llewellyn Worldwide

2010 Reprint of 1903 Edition. The Book of Goetia, or the Lesser Key of Solomon the King [Clavicula Salomonis]. Introductory essay by Aleister Crowley. The Lesser Key of Solomon or, Clavicula Salomonis, is an anonymous 17th-century grimoire, and one of the most popular books of demonology. It has also long been widely known as the Lemegeton. It appeared in the 17th century, but much was taken from texts of the 16th century and late-medieval grimoires. It is likely that books by Jewish kabbalists and Muslim mystics were also

inspirations. Some of the material in the first section, concerning the summoning of demons, dates to the 14th century or earlier. The book claims that it was originally written by King Solomon, although this is certainly incorrect. The Lesser Key of Solomon contains detailed descriptions of spirits and the conjurations needed to invoke and oblige them to do the will of the conjurer (referred to as the "exorcist"). It details the protective signs and rituals to be performed, the actions necessary to prevent the spirits from gaining control, the preparations prior to the invocations, and instructions on how to make the necessary instruments for the execution of these rituals.

The Goetia the Lesser Key of Solomon the King Independently Published
 New commentaries on Aleister Crowley's Book of the Law reveal how it is connected to both Right- and Left-Hand Paths • Examines each line of the Book of the Law in the light of modern psychology, Egyptology, Gurdjieff's teachings, and contemporary Left-Hand Path thought • Explores Crowley's identification with the First Beast of Revelations as well as his adoption of the Loki archetype for becoming a vessel of love for all humanity • Recasts the Cairo Working as a text of personal sovereignty and a relevant tool for personal transformation • Includes commentary on the Book of the Law by Dr. Michael A. Aquino, who served as High Priest of the Temple of Set from 1975 to 1996 Received by Aleister Crowley in April 1904 in Cairo, Egypt, the Book of the Law is the most provocative record of magical working in several hundred years, affecting not only organizations directly associated with Crowley such as the Ordo Templi Orientis but also modern Wicca, Chaos

Magic, and the Temple of Set. Boldly defying Crowley's warning not to comment on the Book of the Law, Ipsissimus Don Webb provides in-depth interpretation from both Black and White Magical perspectives, including commentary from Dr. Michael A. Aquino, who served as High Priest of the Temple of Set from 1975 to 1996. Webb examines each line of the Book in the light of modern psychology, Egyptology, existentialism, and competing occult systems such as the teachings of G. I. Gurdjieff and contemporary Left-Hand Path thought. Discarding the common image of Crowley formulated in a spiritually unsophisticated time when the devotee of the Left-Hand Path was dismissed as a selfish evil doer, Webb unveils a new side of Crowley based on his adoption of the Loki archetype and his aim to become a vessel of love for all humanity. In so doing, he shows how the Book of the Law is connected to both Right- and Left-Hand Paths and reveals how Crowley's magical path of mastery over the self and Cosmos overthrew the gods of old religion, which had kept humanity asleep to dream the nightmare of history. Providing in-depth analysis of Crowley's sources and his self-identification with the First Beast of Revelation from a profound esoteric perspective, Webb takes his views out of the Golden Dawn matrix within which he received the Book of the Law and radically recasts the Cairo Working as a text of personal sovereignty and a relevant tool for personal transformation.

ALEISTER CROWLEY'S ILLUSTRATED GOETIA

Weiser Books
 Selections from writings of Aleister Crowley on sex magick as published

famed magical journal the Equinox. The Equinox, in print from 1909-1919, was a magical journal published by Aleister Crowley and included Crowley's own A...A... laws, rituals and rites, reviews, and magical works by other important practitioners. Much of this material was collected by Israel Regardie and published in the massive *Gems from the Equinox* (1974). Now, renowned scholar and U.S. Deputy Grandmaster General of the O.T.O. Lon Milo DuQuette presents readers with his own selections from this classic publication, *The Best of the Equinox*. Volume III of the series presents perhaps the most controversial of esoteric subjects, sex magick. Once Aleister Crowley grasped the fundamentals of sexual magick, he came to understand it to be the key that unlocks the secrets of the universe. He dedicated the entire second half of his life to exploring its mysteries. This volume presents the bulk of Crowley's written works on the subject and includes "The Gnostic Mass," "Energized Enthusiasm," "Liber A'ash," "Liber Chath," and "Liber Stellae Rubeae."

DB Publishing

Finally in a single book, the Keys and Testament of Solomon are available together in *The Three Magical Books of Solomon: The Greater and Lesser Keys & The Testament of Solomon*. The Testament is a story of his use of magic to control demons and the Keys reveal his spells and methods. The Lesser Key of Solomon is a well-known grimoire which has the description of the 72 demons conjured by Solomon, along with illustrations of their sigils, and the instructions for how to summon them. It also lists "Spirits mingled of Good and Evil Natures". The third book, attributed to the Apostle Paul, discusses the "Spirits allotted unto every degree of the

360 Degrees of the Zodiac; and also of the Signs, and of the Planets in the Signs, as well as of the Hours." Later on, *Ars Almadel Salomonis* provides instructions on how to create a wax tablet with specific designs intended to contact angels via scrying. This book also contains the prayers and orations of Solomon. *The Key of Solomon the King* is a very famous and important grimoire. It is divided up into two books. The first section includes various chants, spells, and curses to summon or restrain demons and the spirits of the dead. It also contains instructions on how to perform a series of magic spells. The second part describes purifications an exorcist should undergo, as well as on clothing and magical devices. *The Testament of Solomon* is about demons summoned by King Solomon, and how they can be countered by invoking angels and other magical techniques. It is one of the oldest magical texts attributed to King Solomon, dating First Century A.D.

ALEISTER CROWLEY'S ILLUSTRATED GOETIA

New Falcon

"The most thorough and understandable exposition of the underlying theories and the practical applications of the spiritual disciplines of Thelema currently available. A landmark work." —Lon Milo DuQuette, author of *The Magick of Aleister Crowley* The system of spiritual attainment developed by Aleister Crowley is notoriously challenging in its scope. *Living Thelema*, adapted from the popular podcast of the same name, brings a welcome approachability to Crowley's material, without diminishing the depth of the system. The author focuses on the practical and experiential aspects of the path of Thelema, allowing

the reader to grasp the true transformative power of the system. Beginners and advanced practitioners alike will find much useful advice here, as Shoemaker brings his characteristic down-to-earth style to bear on topics such as ritual and meditation practices, sex magick, astral projection, psychotherapy for magicians, the Knowledge and Conversation of the Holy Guardian Angel, and that pinnacle of attainment known as the crossing of the Abyss. The author's background as a practicing psychotherapist allows an entirely unique fusion of esoteric wisdom and cognitive science. "In this entertaining and (dare I say it?) lively book, David Shoemaker reminds us that Thelema is not just a philosophy or a study but a spiritual practice. From applied 'how to' advice to thought-provoking 'how about' posers, Dr. Shoemaker offers his personal take—informed by twenty years of walking the talk, along with his incisiveness as a professional therapist—on how to get the most out of the fundamental Thelemic practices of yoga and ritual, both inside and outside of the temple." —Richard Kaczynski, author of *Perdurabo: The Life of Aleister Crowley*

THE WORKS OF ALEISTER CROWLEY

Simon and Schuster

Provides a clear and detailed account of the preparations and precautions necessary for the successful evocation of its 72 spirits, which are described in detail. Includes Crowley's "An Initiated Interpretation of Ceremonial Magic," his version of "The Bornless Ritual," Enochian translations of some of the Goetic invocations, an introduction, and notes. Illustrated. Smythe-sewn and printed on acid-free paper.

Konx Om Pax Llewellyn Worldwide

Take a fascinating journey into the life of one of the most respected, sought-after, and renowned magicians alive today: Lon Milo DuQuette. In this follow-up to his popular autobiography, *My Life with the Spirits*, DuQuette tells how a friend was cursed by a well-known foreign filmmaker and how they removed that curse with a little help from Shakespeare. He explains how, as a six-year-old, he used the Law of Attraction to get a date with Linda Kaufman, the most beautiful girl in first-grade. DuQuette also reveals the ins and outs of working with demons and provides a compelling account of performing an exorcism at a private Catholic high school. As entertaining as they are informative, the true stories in this memoir contain authentic magical theory and invaluable technical information.

The Best of the Equinox, Sex Magick Independently Published

The trilogy that began in *Exodus* continues: 2024: Four years after the Demons opened the planar rift known as the Hellgate, mankind's desperate struggle to survive continues. Simon Cross, expatriate of the secret Templar order, works to find and transport survivors out of the ruined city. Hiding within London's Underground system, Simon is raising an army to fight against the encroaching Darkness. Now, he battles the monsters that roam the city and fends off a jealous Knight who plans to take Simon down...all while striving to reunite the divided Templar forces. Warren Schimmer, a Cabalist who is magically linked to a powerful demon, searches for Goetia. Also known as the Lesser Key of Solomon, this ancient artifact could provide the forces of good or evil with an edge in the ongoing war.

Standing in his path is Simon Cross. Warren has made a bargain with his Demon lord for survival and the promise of vengeance against the persuasive Templar...but a Demon's promise is made to be broken.

The Tree of Life Weiser Books

The Ars Goetia is one of the most notorious works of ritual occultism ever created. Originally part of a loose literary history dating to the 17th century, it was compiled with other material by Samuel

MacGregor Mathers in 1904, forming the infamous "Lesser Keys of Solomon" or Lemegeton. Containing a list of seventy two demons, their seals, and the method by which they can be summoned by the Master, this book (for it is its own book) contains a fair mix of the bizarre along with its demonology, with grotesque descriptions of otherworldly beings constrained by King Solomon himself; those selfsame fiendish devils which, by his power, built the Temple of Jerusalem itself.
