WHEN THE RECKONING COMES

Dragonsteel, LLC
As Brandon Sanderson's #1 bestselling Skyward series celebrates its third volume, *Cytonic*, travel back in time to the origin of Cytonics in the novella *Defending Elysium*. Centuries before Spensa looked

skyward from the planet Detritus—back on Old Earth before it was lost—Jason Write faced a crucial question: was humanity ready to join galactic society? When faster-than-light communications were discovered by a small telephone company in 2071, alien species such as the Tenasi and Varvax overheard them and came to visit Earth. Because the

Phone Company controls all communications with the aliens, their operatives like Jason operate above the law. Now, on the space platform Evensong, one of the Phone Company's scientists has gone missing before surfacing in a hospital with amnesia, and Jason is sent to investigate. Right as he arrives, the body of a murdered Varvax ambassador is discovered,

sure to cause a galactic incident. Coln Abrams of the United Intelligence Bureau seizes the opportunity to investigate Jason as he deals with the crisis. This could be the UIB's chance to discover the Phone Company's secrets—how does FTL communication work, and what is Jason hiding? Winner of Spain's UPC Award for Science Fiction in 2007.

GHOST STORY

Del Rey
A mother's advice to her daughter--a guide to daily living, both practical and sublime--with full-color illustrations throughout. One sleepless night while she was in her early twenties, illustrator/writer Hallie Bateman had a painful realization: her mom would die, and after she died she would be gone. The prospect was devastating, and also scary--how

would she navigate the world without the person who gave her life? She thought about all the motherly advice she would miss--advice that could help her through the challenges to come, including the ordeal of losing a parent. The next day, Hallie asked her mother, writer Suzy Hopkins, to record step-by-step instructions for her to follow in the event of her mom's death.

The list began: "Pour yourself a stiff glass of whiskey and make some fajitas" and continued from there, walking Hallie through the days, months, and years of life after loss, with motherly guidance and support, addressing issues great and small-- from choosing a life partner to baking a quiche. The project became a way for mother and daughter to connect with humor, openness, and gratitude. It led to this book. Combining Suzy's wit and heartfelt advice with Hallie's quirky and colorful style, *What to Do When I'm Gone* is the illustrated instruction manual for getting through life without one's mom. It's also a poignant look at loss, love, and taking things one moment at a time. By turns whimsical, funny, touching, and above all pragmatic, it will leave readers laughing and teary-eyed. And it will spur conversations that enrich family members' understanding of one another.

Their exotic island idyll is only the beginning...
Who's the real Saturday Knight? Is she the tempestuous, in-your-face star of Divorced Divas, the small screen's hottest reality series? Or is she the sultry, au naturel temptress Brandon Gilliam meets in Jamaica? It isn't long

before the New York director and the woman known off set as Ayana are sharing a passionate interlude that he never wants to end. Back in the city, Ayana gets a reality check-when her sexy isle lover turns back into the no-nonsense director on her show. If the secret about her romantic interlude with Brandon gets out, it could ruin her career as the single vamp fans love to hate. There are people

who depend on Ayana and the financial gains earned through her TV persona. Is she willing to risk everything for a seductive fantasy, or could what she shares with Brandon be the truest bliss of all?

Jake is just a normal kid. Well, as normal as possible considering he can morph animals, and he's in a war against parasitic aliens. But as unbelievable

as it sounds, something even stranger has happened. One morning Jake wakes up, and he's twenty-five years old. Okay. Maybe it's a nightmare. Or maybe Jake's just lost it for a while and misplaced a few years. And there's another problem. The world Jake-the-kid went to sleep in has changed. It's ruled by the Yeerks. Jake has to find out if the other Animorphs are still around. Still somehow fighting. Or if

he's really on his own... *The Shadow Rising* Penguin Return to #1 New York Times bestseller Brandon Sanderson's Mistborn world of Scadrial as its second era, which began with *The Alloy of Law*, comes to its earth-shattering conclusion in *The Lost Metal*. For years, frontier lawman turned big-city senator Waxillium Ladrian has hunted the shadowy organization the Set—with his late uncle

and his sister among their leaders—since they started kidnapping people with the power of Allomancy in their bloodlines. When Detective Marasi Colms and her partner Wayne find stockpiled weapons bound for the Outer City of Bilming, this opens a new lead. Conflict between Elendel and the Outer Cities only favors the Set, and their tendrils now reach to the Elendel

Senate—whose corruption Wax and Steris have sought to expose—and Bilming is even more entangled. After Wax discovers a new type of explosive that can unleash unprecedented destruction and realizes that the Set must already have it, an immortal kandra serving Scadrial's god, Harmony, reveals that Bilming has fallen under the influence of another god: Trell, worshipped by	the Set. And Trell isn't the only factor at play from the larger Cosmere—Marasi is recruited by offworlders with strange abilities who claim their goal is to protect Scadrial...at any cost. Wax must choose whether to set aside his rocky relationship with God and once again become the Sword that Harmony has groomed him to be. If no one steps forward to be the hero Scadrial needs, the	planet and its millions of people will come to a sudden and calamitous ruin.  Brandon
 Sanderson,

Warbreaker is the story of two sisters, who happen to be princesses, the God King one of them has to marry, the lesser god who doesn't like his job, and the immortal who's still trying to undo the mistakes he made hundreds of years ago. Their world is one in which those who die in glory return as gods to live confined to a pantheon in Hallandren's capital city and where a power known as

BioChromatic magic is based on an essence known as breath that can only be collected one unit at a time from individual people. By using breath and drawing upon the color in everyday objects, all manner of miracles and mischief can be accomplished. It will take considerable quantities of each to resolve all the challenges facing Vivenna and Siri, princesses of Idris;

Susebron the God King; Lightsong, reluctant god of bravery, and mysterious Vasher, the Warbreaker. GERALD'S GAME

Tor Books
From #1 New York Times bestselling author Brandon Sanderson, Words of Radiance, Book Two of the Stormlight Archive,

continues the immersive fantasy epic that The Way of Kings began. Expected by his enemies to die the miserable death of a military slave, Kaladin survived to be given command of the royal bodyguards, a controversial first for a low-status "darkeyes." Now he must protect the king and Dalinar from every common peril as well as the distinctly uncommon threat of the

Assassin, all while secretly struggling to master remarkable new powers that are somehow linked to his honorspren, Syl. The Assassin, Szeth, is active again, murdering rulers all over the world of Roshar, using his baffling powers to thwart every bodyguard and elude all pursuers. Among his prime targets is Highprince Dalinar, widely considered the power behind the Alethi throne.

His leading role in the war would seem reason enough, but the Assassin's master has much deeper motives. Brilliant but troubled Shallan strives along a parallel path. Despite being broken in ways she refuses to acknowledge, she bears a terrible burden: to somehow prevent the return of the legendary Voidbringers and the civilization-ending Desolation that will

follow. The secrets she needs can be found at the Shattered Plains, but just arriving there proves more difficult than she could have imagined. Meanwhile, at the heart of the Shattered Plains, the Parshendi are making an epochal decision. Hard pressed by years of Alethi attacks, their numbers ever shrinking, they are convinced by their war leader, Eshonai, to risk everything on

a desperate gamble with the very supernatural forces they once fled. The possible consequences for Parshendi and humans alike, indeed, for Roshar itself, are as dangerous as they are incalculable. The Wheel of Time is now an original series on Prime Video, starring Rosamund Pike as Moiraine! In *The Shadow Rising*, the fourth novel in Robert Jordan's #1 New York Times bestselling epic fantasy series, *The Wheel of Time*®, Rand al'Thor now wields the sword Callandor. He is both the Champion of Light and the Dragon Reborn. Now,

he seeks answers to another prophecy that lies with the warrior people known as the Aiel to put him on the path of learning how to wield the One Power. Accompanied by Moiraine Damodred, Rand arrives at the Aiel Waste and is granted permission by the Wise Ones to enter the sacred city of Rhuidean. After passing through a doorframe ter'angreal, Moiraine gains foresight while the Aiel await Rand's return,

either with both arms marked by dragon symbols, validating his identity as He Who Comes With the Dawn, the Chief of Chiefs of all the Aiel—or to never emerge at all. Since its debut in 1990, The Wheel of Time® has captivated millions of readers around the globe with its scope, originality, and compelling characters. A fascinating new novella in Brandon Sanderson's Cosmere, the universe shared by his Mistborn series and the #1 New York

Times bestselling Stormlight Archive. Sixth of the Dusk, set in a never-before-seen world, showcases a society on the brink of technological change. On the deadly island of Patji, where birds grant people magical talents and predators can sense the thoughts of their prey, a solitary trapper discovers that the island is not the only thing out to kill him. When he begins to see his own

corpse at every turn, does this spell danger for his entire culture?

A note from the publisher: For a detailed behind-the-scenes look at the creation of this novella, including brainstorming and workshoping session transcripts, the first draft, line-by-line edits, and an essay by Brandon, please see *Shadows Beneath: The Writing Excuses Anthology*.
