St. Martin's Griffin

Betrayed, the second installment in the bestselling House of Night series from P. C. Cast and Kristin Cast, is dark and sexy, and as thrilling as it is utterly shocking. Fledgling vampyre Zoey Redbird has managed to settle in at the House of Night. She's come to terms with the vast powers the vampyre goddess, Nyx, has given her, and is getting a handle on being the new Leader of the Dark Daughters. Best of all, Zoey finally feels like she belongs--like she really fits in. She actually has a boyfriend...or two. Then the unthinkable happens: Human teenagers are being killed, and all the evidence points to the House of Night. While danger stalks the humans from Zoey's old life, she begins to realize that the very powers that make her so unique might also threaten those she loves. Then, when she needs her new friends the most, death strikes the House of Night, and Zoey must find the

courage to face a betrayal that could break her heart, her soul, and jeopardize the very fabric of her world.

Betrayed BenBella Books, Inc.

Life sucks when your friends are pissed at you. Just ask Zoey Redbird - she's become an expert on suckiness. Speaking of friends, the only two Zoey has left are undead and unMarked. And Neferet has declared war on humans, which Zoey knows in her heart is wrong. But will anyone listen to her? Zoey's adventures at vampyre finishing school take a wild and dangerous turn as loyalties are tested, shocking true intentions come to light, and an ancient evil is awakened in PC and Kristin Cast's spellbinding fourth House of Night novel. THE WISDOM OF CROWDS

St. Martin's Griffin

Dare to enter the HOUSE OF NIGHT, the phenomenal #1 New York Times bestselling young adult series by P. C. Cast

and Kristin Cast, with this complete collection of all four novellas! Dragon's Oath: In the early 19th century, Dragon Lankford is a troublesome, yet talented human teen. When he is Marked onboard a ship to America, he is saved from sure death by a Son of Erebus who sees his potential. At the Kansas City House of Night, Dragon commences his own journey towards becoming a fierce fencing master—but when a threat emerges for the House of Night, Dragon is pulled into the middle. His uncanny fighting skills make him a powerful fledgling, but is he strong enough to ward off this new darkness? Will his choices save the woman he cares for—or destroy them all? Lenobia's Vow: In a small southern town at the turn of the century, young Lenobia is developing into a beautiful young woman with ideas of her own. But when she is Marked as a fledgling vampyre, her world turns upside down, and she is drawn to the musical streets of New Orleans. There, she learns of the city's dark underbelly, ruled by powerful black magic. As Lenobia experiences her first love—and loss—and discovers a passion for horses to sustain her, she must come face-to-face with

Darkness itself...and she may not escape without scars. Neferet's Curse: Neferet, the Tulsa House of Night's darkly seductive High Priestess, wasn't always a powerful vampyre, but she has always been beautiful. Raised in turn-of-the-century Chicago in a motherless home, her beauty makes her the prey of unwanted attention and abuse, leaving her with wounds that will never heal—and a Darkness that will eventually need to find its way out. When she's Marked and gains strength, both physical and magickal, she turns her anger into power and looks for a way to wreak vengeance. Kalona's Fall: From the Sun and from the Moon, two winged brothers are born: golden Erebus, playmate and friend, and mysterious Kalona, Warrior and lover, companions of the Goddess Nyx. From the first, Nyx loves them both deeply, though differently; but for Kalona, Nyx's nights are not enough. Ruled by anger and jealousy of his brother, and consumed by his love for his Goddess, Kalona seeks the power to prove his worth, and to claim once and for all that Nyx eternally belongs to him—all while Darkness stirs, waiting for its chance...

What happens when worlds clash and powers that should be left alone are awakened? Don't miss this second-to-last volume in the House of Night Other World saga! Before he was freed by Neferet, Kalona was imprisoned within the earth for centuries because of the Darkness in his heart. But what happened to the Other World's Kalona? It's as though he's been forgotten, or maybe he never existed at all ... In the present, Other Neferet may have left her House of Night, but she has far from given up her goal of immortality and world domination. As she operates in secret to gain access to Old Magick, the

new High Priestess, Anastasia Lankford, works toward peace and acceptance for the vampyres of the Other World. But just as Other Kevin's broken heart will take time to heal, peace in that world will also take time and work—and not all of the Other World vampyres want peace. After all, why should they return to being shunned by humans, especially when they've had a taste of how it feels to be in power? Meanwhile, Zoey is desperate to help rid the Other World of Neferet once and for all, and not knowing what's going on over there is eating away at her. But, as the Nerd Herd warns, it's far too dangerous to call on Old Magick time and again. As a distraction, she throws herself into her work and attempts to bring the humans and vampyres of Tulsa closer together with the first human-vampyre swim meet in history! It's too bad that something always seems to go wrong whenever the stakes are high. What happens when worlds clash and powers that should be left alone are awakened? Can Other Kevin and his world heal from the wounds Neferet continues to inflict? Can Old Magick ever truly be harnessed and used for good? Or will Darkness extinguish Light and leave our heroes broken, hopeless, and as forgotten as Kalona of the Silver Wings?

Forgotten St. Martin's Griffin

In *Lost*, we follow Zoey, Stevie Rae, and Rephaim to an alternative version of the House of Night, where dangers take the form of friends, and allies are found in the strangest places. The moment Other Kevin returns to his world trouble begins.

Thankfully, he finds friends and allies—some expected, some unexpected—and soon discovers he, like his sister, can wield Old Magick. But without a mentor to help him, will Kevin be tempted to embrace Darkness? Back in our Tulsa, things have settled down since Zoey and the gang closed the tear between worlds. A new school year has begun, and Zoey's exchange student program with public schools is really taking off. All is well. But if all is well, why is Zoey increasingly withdrawn and moody? Stark thinks he knows what's wrong—and he is determined not to lose Zoey to the Other World and Heath, who is there and very much alive. Stevie Rae thinks she knows what's wrong—Z just needs a break. Maybe a little vacay? And the rest of the Nerd Herd thinks their Z will be fine—just give her some time to stop missing (and worrying about) Other Kevin. But Zoey knows the truth. In the Other World her brother is using Old Magick, unaware of the dangers it holds. Without guidance, what will stop him from giving in

to the potent pull of Old Magick? Without her guidance, Other Kevin could lose more than the war against Neferet—he could lose his soul. And Z knows she must help him—after all, he is her little brother ...

Neferet's Curse Blackstone Publishing

"My love, speak to me. Tell me everything." Neferet went to Kalona, kneeling before him, stroking the soft, dark wings that unfurled loosely around the immortal. "What would you have me say?" He didn't meet her eyes. "Zoey lives." Neferet's voice was flat, cold, lifeless. "She does." "Then you owe me the subservience of your immortal soul." She started to walk away from him. "Where are you going? What will happen next?" "It is quite simple. I will ensure Zoey is drawn back to Oklahoma. There, on my own terms, I will complete the task you failed." Exonerated by the Vampyre High Council and returned to her position of High

Priestess at Tulsa's House of Night, Neferet has sworn vengeance on Zoey. Dominion over Kalona is only one of the weapons she plans to use against Z. But Zoey has found sanctuary on the Isle of Skye and is being groomed by Queen Sgiach to take over for her there. Being Queen would be cool, wouldn't it? Why should she return to Tulsa? After losing her human consort, Heath, she will never be the same - and her relationship with her super-hot-warrior, Stark, may never be the same either... And what about Stevie Rae and Rephaim? The Raven Mocker refuses to be used against Stevie Rae, but what choice does he have when no one in the entire world, including Zoey, would be okay with their relationship? Does he betray his father or his heart? In the pulse-pounding 8th book in the bestselling House of Night series, how far will the bonds of friendship stretch and how strong are the ties that bind one girl's heart?

Lenobia's Vow St. Martin's Griffin

Enter the dark, magical world of the House of Night series by bestselling authors P.C. Cast and Kristin Cast, a world very much like our own, except here vampyres have always existed. One minute, sixteen-year-old Zoey Redbird is a normal teenager dealing with everyday high school stress: her cute boyfriend Heath, the school's star quarterback who suddenly seems more interested in partying than playing ball; her nosy frenemy Kayla, who's way too concerned with how things are going with Heath; her uber-tough geometry test tomorrow. The next, she's Marked as a fledgling vampyre, forcing her to leave her ordinary life behind and join the House of Night, a boarding school where she will train to become an adult vampyre. That is, if she makes it through the Change—and not all of those who are Marked do. It sucks to begin a new life, especially away from her friends, and on top of that, Zoey is no average fledgling. She has been chosen as special by the vampyre Goddess, Nyx. Zoey discovers she has amazing powers, but along with her powers come bloodlust and an unfortunate ability to Imprint with Heath, who just doesn't know how to take "no" for an answer. To add to her stress, she is not the only fledgling at the House of Night with special powers: when she discovers that the leader of the Dark Daughters, the

school's most elite group, is misusing her Goddess-given gifts, Zoey must look deep within herself for the courage to embrace her destiny—with a little help from her new vampyre friends.
