Primate Adaptation and Evolution, Third Edition
3rd (third) Edition by Fleagle, John G.
published by Academic Press
(2013)
Amazon.com: evolution third edition
The third edition of this successful textbook features updates and extensive new coverage. The sections on adaptation and diversity have been reorganized for improved clarity and flow, and a completely updated section on the evolution of sex and the inclusion of more plant examples have

all helped to shape this new edition.
