MARSHALL KENNEDI

Why We Are Restless HarperCollins Publishers

THE genuineness of the Laws is sufficiently proved (1) by more than twenty citations of them in the writings of Aristotle, who was residing at Athens during the last twenty years of the life of Plato, and who, having left it after his death (B. C. 347), returned thither twelve years later (B. C. 335); (2) by the allusion of Isocrates—writing 346 B. C., a year after the death of Plato, and probably not more than three or four years after the composition of the Laws—who speaks of the Laws and Republics written by philosophers (??? ??? ???????); (3) by the reference (Athen. 226 A) of the comic poet Alexis, a younger contemporary of Plato (fl. B. C. 356–306), to the enactment about prices, which occurs in

Laws xi. 917 B foll., viz. that the same goods should not be offered at two prices on the same day; (4) by the unanimous voice of later antiquity and the absence of any suspicion among ancient writers worth speaking of to the contrary: for it is not said of Philippus of Opus that he composed any part of the Laws, but only that he copied them out of the waxen tablets, and was thought by some to have written the *Epinomis* (Diog. Laert. iii. 25). Aeterna Press

The Life and Times of Benjamin Franklin Simon and Schuster
Presents a guide to writing and speaking expressively, offering advice on such topics as high energy verbs, figures of speech, syntax, word patterns, and vocabulary.

The Sun, the Earth & the Moon Penguin

The original, unforgettable and thought-provoking new novel by award-winning author Chris Flynn that will change how readers

understand the world. Narrated by a 13,000-year-old extinct mammoth, this is the (mostly) true story of how a collection of prehistoric creatures came to be on sale at a natural history auction in New York in 2007. By tracing how and when these fossils were unearthed, Mammoth leads us on a funny and fascinating journey from the Pleistocene epoch to nineteenth-century America and beyond, revealing how ideas about science and religion have shaped our world. With our planet on the brink of calamitous climate change, Mammoth scrutinises humanity's role in the destruction of the natural world while also offering a message of hope.

On the Modern Quest for Contentment Random House Trade Paperbacks

When seventeen-year-old Thomas arrives for his freshman year at the University of Pennsylvania, he thinks he is ready for anything. Anything arrives quickly in the form of Dondi Whyte. Dondi is handsome, glamorous, and rich—everything Thomas is not. Is Thomas really ready for anything? Thomas falls helplessly in love with Dondi and the two begin a love affair. When it ends abruptly, Thomas is devastated. To make up for breaking his heart, Dondi invites Thomas to spend the summer at his family's mansion by the sea. There, Thomas meets Dondi's brother, Matthew, and discovers it is sometimes in an ending that we find our beginning. This is a revised edition of *What Binds Us*, previously published electronically by Carina Press.

His Wit and Wisdom from A to Z Little, Brown

Bruno Littlemore is quite unlike any chimpanzee in the world. Precocious, self-conscious and preternaturally gifted, young Bruno, born and raised in a habitat at the local zoo, falls under

the care of a university primatologist named Lydia Littlemore. Learning of Bruno's ability to speak, Lydia takes Bruno into her home to oversee his education and nurture his passion for painting. But for all of his gifts, the chimpanzee has a rough time caging his more primal urges. His untimely outbursts ultimately cost Lydia her job, and send the unlikely pair on the road in what proves to be one of the most unforgettable journeys -- and most affecting love stories -- in recent literature. Like its protagonist, this novel is big, loud, abrasive, witty, perverse, earnest and amazingly accomplished. *The Evolution of Bruno Littlemore* goes beyond satire by showing us not what it means, but what it feels like to be human -- to love and lose, learn, aspire, grasp, and, in the end, to fail.

ELEMENTS OF WIT

Phoemixx Classics Ebooks

A treasury of over 900 quotations spoken by the "first American" as well as numerous entertaining anecdotes about his adventures and misadventures. Instant Wit Penguin

The Instant-Series Presents "Instant Wit" How to Be Witty and

Come Up with the Right Things to Say Instantly! Surely you've encountered (or even know) that one particular individual in your life who seems to be able to pull "something witty to say" at the drop of a hat that knocks everyone's socks off - by generating the perfect responses for the perfect moment, cracking unexpected jokes making people laugh, or bantering witty one-liner comments with their endless repertoire of repartees. So who is this Mr./Ms. Witty? You're scratching your head dumbfounded, yet in impressive awe...how in the world do they do it, and deep down secretly wanting to be like them. Who doesn't, right? Who wouldn't love to be admired, respected, and worshipped for their charming clever wit? Yet, it's much more than that. By being witty, you can always come up with the right things to say, at the right time in expressing yourself clearly, concisely, and convincingly at an instant with few short words (no more, no less) that establishes more authority, credibility, and trust. That's the power of having a razor-sharp wit! If the pen is mightier than the sword, then the wit is sharper than the knife. However, let's be honest, being witty doesn't always come naturally, especially for those who are less creative and more logical-prone. The good news is, your wit is like your muscle, and like any muscle, it can be trained and built up...all without needing to memorize any line by knowing a few structures and formulas to guide how to generate your responses. Within "Instant Wit": * How to use this "twister technique" to prepare yourself on what you should say, when the exact moment occurs for your quick comeback. * How to strengthen your creative wit to banter witty one-liners with another person, for good fun or quick laugh. * How to cut down any opponent with your razor-sharp wit, so they won't dare mess

with you ever again. * How to take whatever response you get and absorb it, to think of and respond back with the appropriate words. * How to use your clever wit to think fast on your feet during tough situation, to handle it properly for the best outcome. * Plus, custom practical "how-to" strategies, techniques, applications and exercises to improve your wittiness. ...and much more. Don't be dim-witted...be quick-witted. Become the king/queen of your wit by developing a razor-sharp wit to be reckon with. Respect the wit!

The Elements of Expression Beaten Track Publishing

This nontraditional tribute to Franklin, made to look like an almanac, is brimming with clever art, intriguing information, and amusing adages.

An Utterly Correct Guide to Clarity and Style Instant Series Publication

"A witty book about wit that steers an elegant path between waggishness and wisdom." —Stephen Fry Much more than a knack for snappy comebacks, wit is the quick, instinctive intelligence that allows us to think, say, or do the right thing at the right time in the right place. In this whimsical book, James Geary explores every facet of wittiness, from its role in innovation to why puns are the highest form of wit. Geary reasons that wit is both visual and verbal, physical and intellectual: there's the serendipitous wit of scientists, the crafty wit of inventors, the optical wit of artists, and the metaphysical wit of philosophers. In *Wit's End*, Geary embraces wit in every form by adopting a different style for each chapter; he writes the section on verbal repartee as a dramatic dialogue, the neuroscience of wit as a scientific paper, the spirituality of wit as a sermon, and other

chapters in jive, rap, and the heroic couplets of Alexander Pope. Wit's End agilely balances psychology, folktales, visual art, and literary history with lighthearted humor and acute insight, drawing upon traditions of wit from around the world.

Entertaining, illuminating, and entirely unique, Wit's End demonstrates that wit and wisdom are really the same thing.

Thank You, Mr. Falker W. W. Norton & Company

A compelling exploration of how our pursuit of happiness makes us unhappy We live in an age of unprecedented prosperity, yet everywhere we see signs that our pursuit of happiness has proven fruitless. Dissatisfied, we seek change for the sake of change—even if it means undermining the foundations of our common life. In *Why We Are Restless*, Benjamin and Jenna Storey offer a profound and beautiful reflection on the roots of this malaise and examine how we might begin to cure ourselves. Drawing on the insights of Montaigne, Pascal, Rousseau, and Tocqueville, *Why We Are Restless* explores the modern vision of happiness that leads us on, and the disquiet that follows it like a lengthening shadow. In the sixteenth century, Montaigne articulated an original vision of human life that inspired people to see themselves as individuals dedicated to seeking contentment in the here and now, but Pascal argued that we cannot find happiness through pleasant self-seeking, only anguished God-seeking. Rousseau later tried and failed to rescue Montaigne's worldliness from Pascal's attack. Steeped in these debates, Tocqueville visited the United States in 1831 and, observing a people "restless in the midst of their well-being," discovered what happens when an entire nation seeks worldly contentment—and finds mostly discontent. Arguing that the philosophy we have

inherited, despite pretending to let us live as we please, produces remarkably homogenous and unhappy lives, *Why We Are Restless* makes the case that finding true contentment requires rethinking our most basic assumptions about happiness.

MASTERING THE ART OF BEING INTERESTING

Courier Corporation

In the debut crime novel from the Booker-winning author, a Dublin pathologist follows the corpse of a mysterious woman into the heart of a conspiracy among the city's high Catholic society. It's not the dead that seem strange to Quirke. It's the living. One night, after a few drinks at an office party, Quirke shuffles down into the morgue where he works and finds his brother-in-law, Malachy, altering a file he has no business even reading. Odd enough in itself to find Malachy there, but the next morning, when the haze has lifted, it looks an awful lot like his brother-in-law, the esteemed doctor, was in fact tampering with a corpse—and concealing the cause of death. It turns out the body belonged to a young woman named Christine Falls. And as Quirke reluctantly presses on toward the true facts behind her death, he comes up against some insidious—and very well-guarded—secrets of Dublin's high Catholic society, among them members of his own family. Set in Dublin and Boston in the 1950s, the first novel in the Quirke series brings all the vividness and psychological insight of Booker Prize winner John Banville's fiction to a thrilling, atmospheric crime story. Quirke is a fascinating and subtly drawn hero, Christine Falls is a classic tale of suspense, and Benjamin Black's debut marks him as a true master of the form.

The Kick-Ass Writer Createspace Independent Publishing Platform
 NEW YORK TIMES BESTSELLER • A sharp, funny grammar guide they'll actually want to read, from Random House's longtime copy chief and one of Twitter's leading language gurus NAMED ONE OF THE BEST BOOKS OF THE YEAR BY O: The Oprah Magazine • Paste • Shelf Awareness "Essential (and delightful!)"—People We all write, all the time: books, blogs, emails. Lots and lots of emails. And we all want to write better. Benjamin Dreyer is here to help. As Random House's copy chief, Dreyer has upheld the standards of the legendary publisher for more than two decades. He is beloved by authors and editors alike—not to mention his followers on social media—for deconstructing the English language with playful erudition. Now he distills everything he has learned from the myriad books he has copyedited and overseen into a useful guide not just for writers but for everyone who wants to put their best prose foot forward. As authoritative as it is amusing, Dreyer's English offers lessons on punctuation, from the underloved semicolon to the enigmatic en dash; the rules and nonrules of grammar, including why it's OK to begin a sentence with "And" or "But" and to confidently split an infinitive; and why it's best to avoid the doldrums of the Wan Intensifiers and Throat Clearers, including "very," "rather," "of course," and the dreaded "actually." Dreyer will let you know whether "alright" is all right (sometimes) and even help you brush up on your spelling—though, as he notes, "The problem with mnemonic devices is that I can never remember them." And yes: "Only godless savages eschew the series comma." Chockful of advice, insider wisdom, and fun facts, this book will prove to be invaluable to everyone who wants to

shore up their writing skills, mandatory for people who spend their time editing and shaping other people's prose, and—perhaps best of all—an utter treat for anyone who simply revels in language. Praise for Dreyer's English "Playful, smart, self-conscious, and personal . . . One encounters wisdom and good sense on nearly every page of Dreyer's English."—The Wall Street Journal "Destined to become a classic."—The Millions "Dreyer can help you . . . with tips on punctuation and spelling. . . . Even better: He'll entertain you while he's at it."—Newsday

The History of Tom Jones, a Foundling Penguin

Got wit? We've all been in that situation where we need to say something clever, but innocuous; smart enough to show some intelligence, without showing off; something funny, but not a joke. What we need in that moment is wit—that sparkling combination of charm, humor, confidence, and most of all, the right words at the right time. *Elements of Wit* is an engaging book that brings together the greatest wits of our time, and previous ones from Oscar Wilde to Nora Ephron, Winston Churchill to Christopher Hitchens, Mae West to Louis CK, and many in between. With chapters covering the essential ingredients of wit, this primer sheds light on how anyone—introverts, extroverts, wallflowers, and bon vivants—can find the right zinger, quip, parry, or retort...or at least be a little bit more interesting.

Ben Franklin Frog Books

The journey to become a successful writer is long, fraught with peril, and filled with difficult questions: How do I write dialogue? How do I build suspense? What should I know about query letters? How do I start? The best way to answer these questions is to ditch your uncertainty and transform yourself into a KICK-

ASS writer. This new book from award-winning author Chuck Wendig combines the best of his eye-opening writing instruction--previously available in e-book form only--with all-new insights into writing and publishing. It's an explosive broadside of gritty advice that will destroy your fears, clear the path, and help you find your voice, your story, and your audience. You'll explore the fundamentals of writing, learn how to obtain publication, and master the skills you need to build an army of dedicated fans. No task is too large or small for the kick-ass writer. With his trademark acerbic wit and gut-punch humor, Wendig will explain:

- How to build suspense, craft characters, and defeat writer's block.
- How to write a scene, an ending--even a sentence.
- Blogging techniques, social media skills, and crowdfunding.
- How to write a query letter, talk to agents, and deal with failure--and success!

Whether you're just starting out or you need one more push to get you over the top, two things are for certain--a kick-ass writer never quits, and chuck Wendig won't let you down in this high-octane guide to becoming the writer you were born to be.

Mammoth Anchor

You can't attend your own funeral. But you can have a blast planning it! Death is scary—but planning your funeral doesn't have to be! *It's Your Funeral!* will help demystify death, decrease your anxiety, and put the fun back in funeral, whether that means a drunken bacchanal or a somber reflection on just how great you were. Every stage of the legacy planning process is considered, from a burial outfit to a funeral theme. Practical and cheeky questions alike are answered, including:

- What is the most eco-friendly burial method?
- Can I write my own obituary?

- Can my body be shot into space after I die?
- How can I manage my digital legacy?

Offering a plethora of curious facts, strange stories, and inspiration to help you think outside the coffin, *It's Your Funeral!* includes worksheets that will ensure your wishes are recorded for posterity. Planning for death should be the time of your life, so let's get started!

THE ANATOMY OF DREAMS

GENERAL PRESS

This is a story of goy meets girl, and of what happens when a couple in their 20s takes on a complex faith in its 6000s. Laugh-out-loud funny, thoughtful and revealing, *Jew and Improved* is Errett's take on joining an ancient tribe and dragging his fiancée along for the ride. When Benjamin Errett proposed to his longtime girlfriend, Sarah, he decided to go the distance by converting to Judaism. This engaging book follows Ben and Sarah's education in spirituality, community and gefilte fish when the couple was pretty sure they already had all those things figured out. But more than that, it's a love story about the ordinary things that happen after you make an extraordinary choice. It's about making a big change in your life for someone else and realizing that you were doing it for yourself all along. *Jew and Improved* is a book about a spiritual journey for people who don't read books about spiritual journeys; it's a primer on a major world religion and an answer to all those embarrassing questions about circumcision. And who doesn't love a book that features both a wedding and a recipe for brisket? For most of my life, I was quite happy to be unemployed, spiritually speaking. But when Sarah and I got engaged, I decided joining her tribe was the right thing

to do. Beyond that slogan for Quaker Oats, I couldn't quite articulate why I wanted to do this. Sure, it made her parents happy, but I'd like to think I had them onside from the beginning. I knew I was searching for something, though I had no clear idea what that something was. —From *Jew and Improved*

MASTERING THE ART OF BEING INTERESTING

Knopf Books for Young Readers

Quirke—the hard-drinking, insatiably curious Dublin pathologist—is back, and he's determined to find his daughter's best friend, a well-connected young doctor April Latimer has vanished. A junior doctor at a local hospital, she is something of a scandal in the conservative and highly patriarchal society of 1950s Dublin. Though her family is one of the most respected in the city, she is known for being independent-minded; her taste in men, for instance, is decidedly unconventional. Now April has disappeared, and her friend Phoebe Griffin suspects the worst. Frantic, Phoebe seeks out Quirke, her brilliant but erratic father, and asks him for help. Sober again after intensive treatment for alcoholism, Quirke enlists his old sparring partner, Detective Inspector Hackett, in the search for the missing young woman. In their separate ways the two men follow April's trail through some of the darker byways of the city to uncover crucial information on her whereabouts. And as Quirke becomes deeply involved in April's murky story, he encounters complicated and ugly truths

about family savagery, Catholic ruthlessness, and race hatred. Both an absorbing crime novel and a brilliant portrait of the difficult and relentless love between a father and his daughter, this is Benjamin Black at his sparkling best.

Understanding What We Like and Why Elements of Wit Mastering the Art of Being Interesting

From the author of the best-selling *Duck & Cover Adventures* comes an action-packed, laugh-out-loud look at the inevitable robot apocalypse that readers are calling "another fun, funny and adventure-packed story by Benjamin Wallace" They stand between us and total destruction. Jake Ashley and his team are used to taking on murderous machines with expired warranties. Stopping a robotic rampage is all in a day's work when you're a junker. But now there's a bigger threat growing. It's something the robotics manufacturers swore could never happen.

Something the Society for the Preservation of Humans said was inevitable. Something that has put every citizen in harm's way and could change the way we live forever. Jake and his team—Kat, Mason, Savant and Glitch—are the only ones standing between the good people of the city and a potential robot apocalypse. And that's a stupid place to stand.

[Breaking Benjamin](#) Gramercy

Anderson's carefully considered work makes a persuasive case for revisiting this celebrated book with a keener appreciation for the subtlety and beauty of Franklin's performance.
