Half the Sky Tor Books
From the author of
Silver Wings, Iron Cross
comes a suspenseful
and thrilling saga
based on the true story
of one of World War II's
most daring and
successful rescue
missions. Summer
1944: Yugoslavia is
locked in a war within a
war. In addition to
fighting the German
occupation, warring
factions battle each
other. Hundreds of
Allied airmen have
been shot down over
this volatile region,
among them American
lieutenant Bill
Bogdonavich. Though

grateful to the locals
who are risking their
lives to shelter and
protect him from
German troops,
Bogdonavich dreams of
the impossible: escape.
With three failed air
missions behind him,
Lieutenant Drew
Carlton is desperate for
redemption. From a
Texas airbase he
volunteers for a
secretive and
dangerous assignment,
codenamed Operation
Halyard, that will bring
together American
special operations
officers, airmen, and
local guerilla fighters in
Yugoslavia's green
hills. This daring
plan—to evacuate
hundreds of stranded
airmen while avoiding
detection by the

Germans—faces overwhelming odds. What follows is one of the greatest stories of World War II heroism, an elaborate rescue that required astonishing courage, sacrifice, and resilience. *Red Burning Sky* is a riveting and ultimately triumphant military thriller based on true events, all the more remarkable for being so little known—until now.

Big Big Sky Disney Electronic Content
Jandy Nelson's beloved, critically adored debut is now an Apple TV+ and A24 original film starring

Jason Segel, Cherry Jones, Grace Kaufman, and Jacques Colimon. "Both a profound meditation on loss and grieving and an exhilarating and very sexy romance." —NPR

Adrift after her sister Bailey's sudden death, Lennie finds herself torn between quiet, seductive Toby—Bailey's boyfriend who shares Lennie's grief—and Joe, the new boy in town who bursts with life and musical genius. Each offers Lennie something she desperately needs. One boy helps her remember. The other lets her forget. And she knows if the two of them collide, her whole world will explode. As much a laugh-out-loud celebration of love as a nuanced and poignant portrait of loss,

Lennie's struggle to sort her own melody out of the noise around her makes for an always honest, often uproarious, and absolutely unforgettable read.

“In the vein of Jodi

Picoult’s *Nineteen Minutes, As Wide as the Sky* explores the human component of tragedy.” —Mandy Mikulencak, author of *Forgiveness Road Five a.m.: Amanda Mallorie wakes to the knowledge that her son Robbie is gone. And a new chapter of her own life must begin. She has spent four years as her son’s only support, desperately trying to understand the actions that landed him on death row and to change his fate. Now Amanda faces an even more difficult task—finding a way, and a reason, to move forward with her own life. Before the tragedy that unfolded in a South Dakota mall, Robbie was just like other people’s sons or daughters. Sometimes troubled, but sweet*

and full of goodness too. That's the little boy Amanda remembers as she packs up his childhood treasures and progress reports, and discovers a class ring she's never seen before. Who does it belong to and why did Robbie have it in his possession? So begins a journey that will remind her not only of who Robbie used to be, but of a time when she wasn't afraid—to talk to strangers, to help those in need, to reach out. Robbie's choices can never be unmade, but there may still be time for forgiveness and trust to grow again. For a future as wide as the sky. "As Wide as the Sky asks what happens next, and dares to suggest that humans aren't monsters, and that there's a grace in

allowing for the possibility of redemption." —Salt Lake City Weekly "A phenomenal read."

Books and Movie Reviews, Roberto Mattos A SKY OF SPELLS is book #9 in the bestselling 17 book series THE SORCERER'S RING-- which begins with A QUEST OF HEROES (Book #1)--a FREE download on Google Play! In A SKY OF SPELLS (BOOK #9 IN THE SORCERER'S RING), Thorgrin finally returns to himself and must confront his father once and for all. An epic battle occurs, as two titans face each other, and as Rafi uses his power to summon an army of undead. With the Destiny Sword destroyed, and the fate of the Ring in the balance, Argon and Alistair will need to

summon their magical powers to help Gwendolyn's brave warriors. Yet even with their help, all could be lost if it were not for the return of Mycoples, and her new companion, Ralibar. Luanda struggles to prevail against her captor, Romulus, as the fate of the Shield hangs in the balance. Reece, meanwhile, struggles to lead his men back up the Canyon walls, with Selese's help. Their love deepens; but with the arrival of Reece's old love, his cousin, a tragic love triangle and misunderstandings develop. When the Empire is finally ousted from the Ring, and Gwendolyn has her chance for personal vengeance against McCloud, there is great cause to celebrate. As

the new Queen of the Ring, Gwen uses her powers to unite both MacGils and McClouds for the first time in history, and to begin the epic rebuilding of the land, of her army, and of the Legion. King's Court slowly comes back to life once again, as they all begin to pick up the pieces. It is destined to become a more glorious city than even her father ever dreamed of, and in the process, justice finally finds Gareth. Tirus must be brought to justice, too, and Gwen will have to decide what sort of leader she will be. There is a great conflict amongst Tirus' sons, not all of whom see things the same way, and a struggle for power erupts once again, as Gwen decides if she will accept an

invitation to the Upper Isles, thus making the MacGil clan whole once again. Erec is summoned to return to his people in the Southern Isles and see his dying father, and Alistair joins him, as they prepare for their wedding. Thorgrin and Gwendolyn may have wedding preparations in their future, too. Thor becomes closer to his sister, and as all settles down inside the Ring, he finds himself summoned to embark on his greatest quest of all: to seek out his mysterious mother in a faraway land and to find out who he really is. With multiple wedding preparations in the air, with Spring returning, King's Court rebuilding, festivals afoot, peace seems to settle back onto the Ring. But danger lurks

in the most unforeseen corners, and all of these characters greatest tribulations might be yet to come. With its sophisticated world-building and characterization, *A SKY OF SPELLS* is an epic tale of friends and lovers, of rivals and suitors, of knights and dragons, of intrigues and political machinations, of coming of age, of broken hearts, of deception, ambition and betrayal. It is a tale of honor and courage, of fate and destiny, of sorcery. It is a fantasy that brings us into a world we will never forget, and which will appeal to all ages and genders. All 17 books in *THE SORCERER'S RING* are now also available--as a BUNDLE of Books 10, 11 and 12! Also

"Reading Vuong is like watching a fish move: he manages the varied currents of English with muscled intuition. His poems are by turns graceful and wonderstruck. His lines are both long and short, his prose narrative and lyric, his diction formal and insouciant. From the outside, Vuong has fashioned a poetry of inclusion."—The New Yorker "Night Sky with Exit Wounds establishes Vuong as a fierce new talent to be reckoned with...This book is a masterpiece that captures, with elegance, the raw sorrows and joys of human existence."—Buzzfeed's "Most Exciting New Books of 2016" "This original, sprightly wordsmith of tumbling

pulsing phrases pushes poetry to a new level...A stunning introduction to a young poet who writes with both assurance and vulnerability. Visceral, tender and lyrical, fleet and agile, these poems unflinchingly face the legacies of violence and cultural displacement but they also assume a position of wonder before the world."—2016 Whiting Award citation "Night Sky with Exit Wounds is the kind of book that soon becomes worn with love. You will want to crease every page to come back to it, to underline every other line because each word resonates with power."—LitHub "Vuong's powerful voice explores passion, violence, history, identity—all with a tremendous

humanity."—Slate "In his impressive debut collection, Vuong, a 2014 Ruth Lilly fellow, writes beauty into—and culls from—individual, familial, and historical traumas. Vuong exists as both observer and observed throughout the book as he explores deeply personal themes such as poverty, depression, queer sexuality, domestic abuse, and the various forms of violence inflicted on his family during the Vietnam War. Poems float and strike in equal measure as the poet strives to transform pain into clarity. Managing this balance becomes the crux of the collection, as when he writes, 'Your father is only your father/ until one of you forgets. Like how the

spine/ won't remember
its wings/ no matter
how many times our
knees/ kiss the
