Nightfall Simon and Schuster  
Connecting deeply with our kids can be difficult in our busy, technology-driven lives. Reading aloud offers us a chance to be fully present with our children. It also increases our kids' academic success, inspires compassion, and fortifies them with the inner strength they need to face life's challenges. As Sarah Mackenzie has found with her own six children, reading aloud long after kids are able to read to themselves can deepen relationships in a powerful way. Founder of the immensely popular Read-Aloud Revival podcast, Sarah knows first-hand how reading can change a child's life. In *The Read-Aloud*

Family, she offers the inspiration and age-appropriate book lists you need to start a read-aloud movement in your own home. From a toddler's wonder to a teenager's resistance, Sarah details practical strategies to make reading aloud a meaningful family ritual. Reading aloud not only has the power to change a family—it has the power to change the world.

A New York Times bestselling series A USA TODAY bestselling series A California Young Reader Medal-winning series In this unforgettable seventh book in the *Keeper of the Lost Cities* series, Sophie must let the past and present blur together, because the deadliest secrets are always the ones that get erased. Sophie Foster doesn't know what—or whom—to believe. And in a game with this many players, the worst mistake can be focusing on the wrong threat. But when the *Neverseen* prove that Sophie's far more vulnerable than she ever imagined, she realizes it's time to change the rules. Her powerful abilities can only protect her so far. To face down ruthless enemies, she must learn to fight. Unfortunately, battle training can't help a beloved friend who's facing a whole different danger—where the only solution involves one of the

biggest risks Sophie and her friends have ever taken. And the distraction might be exactly what the villains have been waiting for.

**Keeper of the Lost Cities; Exile; Everblaze; Neverseen; Lodestar** Simon and Schuster

When a tidal wave washes Susan, Uncle Farley, and their house out on the Sea of Time-leaving Charles behind with only a parrot for company-the intrepid Oakenfeld children will travel from a Viking colony in Greenland to the Tower of Babel to find each other again.

**Keeper of the Lost Cities** Simon and Schuster

At age twelve, Sophie learns that the remarkable abilities that have always caused her to stand out identify her as an

elf, and after being brought to Eternalia to hone her skills, discovers that she has secrets buried in her memory for which some would kill.

*Let the Wind Rise* Simon Pulse

A New York Times bestselling series A USA TODAY bestselling series A California Young Reader Medal-winning series In this riveting series opener, a telepathic girl must figure out why she is the key to her brand-new world before the wrong person finds the answer first. This special edition contains beautiful black-and-white illustrations and commentary from Shannon Messenger! Twelve-year-old Sophie has never quite fit into her life. She's skipped multiple grades and doesn't really connect with the older kids at school, but she's not comfortable with her family, either. The reason? Sophie's a Telepath, someone who can read minds. No one knows her secret—at least, that's what she thinks... But the day Sophie meets Fitz, a mysterious (and adorable) boy, she learns she's not alone. He's a Telepath too, and it turns out the reason she has never felt at home is that, well...she isn't. Fitz opens Sophie's eyes to a shocking truth, and she is forced to

leave behind her family for a new life in a place that is vastly different from what she has ever known. But Sophie still has secrets, and they're buried deep in her memory for good reason: The answers are dangerous and in high-demand. What is her true identity, and why was she hidden among humans? The truth could mean life or death—and time is running out.

### LET THE STORM BREAK

Simon & Schuster Children's

Tasked with training the magical Alicorn so that it can be revealed to the people of the lost cities as a sign of hope, Sophie is dismayed by a renewal of the dangers she believed were past, forcing her to risk her life for answers.

**A Novel** Washington Square Press

As the battles continue, Sophie must uncover the truth about the Lost Cities' past.

Zondervan

At age 12, Sophie learns that the remarkable abilities that have always made her different from others actually identify her as an elf, and after being brought to Eternalia to hone her skills, she

discovers that she has secrets buried in her memory for which some would kill.

**Gathering Blue** Simon and Schuster "Sophie battles the rebels--and recovers dark memories from her past. She must question everything to find a truth that will either save her world--or shatter it"--

### **KEEPER OF THE LOST CITIES, EXILE AND EVERBLAZE**

Floris Books

From Graham Norton—the BAFTA Award-winning Irish television host and author of the “charming debut novel” (New York Journal of Books) Holding—a masterly and haunting tale of secrets and ill-fated love follows a young woman as she returns to Ireland after her mother's death and unravels the identity of her father. When Elizabeth Keane returns to Ireland after her mother's death, she's focused only on saying goodbye to that dark and dismal part of her life. Her childhood home is packed solid with useless junk, her mother's presence already fading. But within this mess, she discovers a small stash of letters—and ultimately, the truth. Forty years earlier, a young woman stumbles from a remote stone house, the night quiet except for the constant wind that encircles her as she

hurries deeper into the darkness away from the cliffs and the sea. She has no sense of where she is going, only that she

must keep on. With wistful and evocative prose, A Keeper is sure to appeal to “fans of sensitive character studies” (Publishers

Weekly) and brilliantly illustrates Graham Norton’s clear-eyed understanding of human nature and its darkest flaws.
