Translated from the Jusef  
Vrioni's French version of  
the Albanian original, this  
is the author's own vision  
of totalitarianism.

Broken April Rowman &  
Littlefield

A group of Albanian  
friends are torn apart by  
the political turmoil of the

mid 1970s, as the nation's  
diplomatic ties with China  
begin to unravel, and  
their personal  
entanglements follow suit  
in the face of government  
insecurity.

*Elegy for Kosovo* Catapult  
Egypt in the twenty-sixth  
century BC. The young  
pharaoh Cheops wants to  
forgo the construction of a  
pyramid in his honor, but  
his court sages hasten to  
persuade him otherwise.  
The pyramid, they tell  
him, is not a tomb but a  
paradox, designed to

appease the masses by  
oppressing them. It is a  
symbol of nothing, a  
useless and infinite  
project designed to waste  
the country's wealth and  
keep security and  
prosperity, ever the fonts  
of sedition, constantly at  
bay. And so the greatest  
pyramid in the world has  
ever seen begins to rise.  
Rumors multiply. A secret  
police is formed.  
Conspiracies—real and  
imagined—swirl around  
the rising edifice. The  
most drastic purges

follow. By the time the first stone is laid, Cheops's subjects are terrified enough to yield to his most murderous whims. Each time one of the massive stones is hoisted into place, dozens of men are crushed, and there are tens of thousands of stones. . . .

### **A GIRL IN EXILE**

Skyhorse  
From Ismail Kadare, winner of the inaugural Man Booker International Prize - a novelist in the class of Coetzee, Pamuk, Márquez, and Rushdie -

the stunning new translation of one of his major works. In the early fifteenth century, as winter falls away, the people of Albania know that their fate is sealed. They have refused to negotiate with the Ottoman Empire, and war is now inevitable. Soon enough, dust kicked up by Turkish horses is spotted from a citadel. Brightly coloured banners, hastily constructed minarets, and tens of thousands of men fill the plain below. From this moment on, the world is waiting to hear that the

fortress has fallen. The Siege tells the enthralling story of the weeks and months that follow - of the exhilaration and despair of the battlefield, the constantly shifting strategies of war, and those whose lives are held in the balance, from the Pasha himself to the artillerymen, astrologer, blind poet, and harem of women who accompany him. "Believe me," the general said. "I've taken part in many sieges but this," he waved towards the castle walls, "is where the most fearful carnage

of our times will take place. And you surely know as well as I do that great massacres always give birth to great books. You really do have an opportunity to write a thundering chronicle redolent with pitch and blood, and it will be utterly different from the graceful whines composed at the fireside by squealers who never went to war." Brilliantly vivid, as insightful as it is compelling, *The Siege* is an unforgettable account of the clash of two great civilisations, and a portrait

of war that will resonate across the centuries. **Muzgu i perëndive të stepës** Arcade Publishing  
In the title novella, a young man working for the state-controlled media agency experiences a vision of the ancient general Agamemnon, who warns him of the repercussions of his love affair with a high-ranking official's daughter, in a collection that also includes the short stories "The Blinding Order" and "The Great Wall." *The Ghost Rider* Skyhorse Publishing Inc.

June 28, 1389: Six hundred years before Serbian leader Slobodan Milosevic called for the repression of the Albanian majority in Kosovo, there took place, on the Field of the Blackbirds, a battle shrouded in legend. A coalition of Serbs, Albanian Catholics, Bosnians, and Romanians confronted and were defeated by the invading Ottoman army of the Sultan Murad. This battle established the Muslim foothold in Europe and became the centerpiece of Serbian nationalist

ideology, justifying the campaign of ethnic cleansing of Albanian Kosovars that the world witnessed with horror at the end of the past century. In this eloquent and timely reflection on war, memory, and the destiny of two peoples, Ismail Kadare explores in fiction the legend and the consequences of that defeat. *Elegy for Kosovo* is a heartfelt yet clear-eyed lament for a land riven by hatreds as old as the Homeric epics and as young as the latest news broadcast.

Two destinies intersect in this novel -- that of Gjorg, a young mountaineer who has just killed a man in order to avenge the death of his older brother, and who expects to be killed himself in keeping with the code of the highlands; and that of a young couple who have come to study the age-old customs, including the blood feud.

### **MOTIVE ME DIELL**

Simon and Schuster

In this autobiographical

novel, Albania's most renowned novelist and poet Ismail Kadare explores his relationship with his mother in a delicately wrought tale of home, family, creative aspirations, and personal and political freedom. "Houses like ours seemed constructed with the specific purpose of preserving coldness and misunderstanding for as long as possible." In his father's great stone house with hidden rooms and even a dungeon, Ismail grows up with his mother at the center of his

universe. Fragile as a paper doll, she finds herself at odds with her tight-lipped and wise mother-in-law who, as is the custom for women of a certain age, will never again step foot over the threshold to leave her home. Young Ismail finds it difficult to understand his mother's tears, though he can understand her boredom. She told him the reason herself in a phrase that terrified and obsessed the boy: "The house is eating me up!" As Ismail explores his world, his mother

becomes fearful of her intellectual son—he uses words she does not understand, writes radical poetry, falls in love far too easily, and seems to renounce everything she believes in. He will, she fears, have to exchange her for some other superior mother when he becomes a famous writer. *The Doll* is a delicate and disarming autobiographical novel, an exploration of Kadare's creative aspirations and their tangled connections to his childhood home and his mother's tenuous

place within it.

### **THE CONCERT**

Arcade Publishing  
This is the story of an Italian general, accompanied by his chaplain, charged with the mission of scouring Albania in search of the bones of their fallen countrymen, killed twenty years earlier during World War II.

*Përbindëshi* Catapult  
When a young Algerian named Meursault kills a man, his subsequent imprisonment and trial are puzzling and absurd.

The apparently amoral Meursault--who puts little stock in ideas like love and God--seems to be on trial less for his murderous actions, and more for what the authorities believe is his deficient character.

### **The Autobiography of the People in Verse**

Skyhorse

In the mid-1930s, two Irish Americans travel to the Albanian highlands with an early model of a marvelous invention, the tape recorder. Their mission? To discover how Homer could have

composed works as brilliant and as long as The Iliad and The Odyssey without ever putting pen to paper. The answer, they believe, can be found only in Albania, the last remaining habitat of the oral epic. But immediately upon their arrival, the scholars' seemingly arcane research excites suspicion and puts them at the center of ethnic strife in the Balkans. Mistaken for foreign spies, they are placed under surveillance and are dogged by gossip and intrigue. It isn't until a

fierce-eyed monk from the Serbian side of the mountains makes his appearance that the scholars glimpse the full political import of their search for the key to the Homeric question. Bibliografia kombëtare e Republikës Popullore të Shqipërisë Anchor Canada Shortlisted for the Independent Foreign Fiction Prize 2013. In September 1943, Nazi troops advance on the ancient gates of Gjirokastr, Albania. The very next day, the Germans vanish without a

trace. As the townsfolk wonder if they might have dreamt the events of the previous night, rumours circulate of a childhood friendship between a local dignitary and the invading Nazi Colonel, a reunion in the town square and a fateful dinner party that would transform twentieth-century Europe. A captivating novel of resistance in a dictatorship, and steeped in Albanian folklore, *The Fall of the Stone City* shows Kadare at the height of his powers. *The Pyramid* Simon and

Schuster "Kadare is inevitably linked to Orwell and Kundera, but he is a far deeper ironist than the first, and a better storyteller than the second. He is a compellingly ironic storyteller because he so brilliantly summons details that explode with symbolic reality." —The New Yorker At the heart of the Ottoman Empire, in the main square of Constantinople, a niche is carved into ancient stone. Here, the sultan displays the severed heads of his

adversaries. People flock to see the latest head and gossip about the state of the empire: the province of Albania is demanding independence again, and the niche awaits a new trophy . . . Tundj Hata, the imperial courier, is charged with transporting heads to the capital—a task he relishes and performs with fervor. As he travels through obscure and impoverished territories, he makes money from illicit side-shows, offering villagers the spectacle of death. The head of the

rebellious Albanian governor would fetch a very high price indeed. *The Traitor's Niche* is a surreal tale of tyranny and rebellion, in a land where armies carry scarecrows, state officials ban entire languages, and the act of forgetting is more complicated than remembering. Long-listed for the 2017 Man Booker International Prize "The name of the Albanian novelist Ismail Kadare regularly comes up at Nobel Prize time, and he is still a good bet to win it one of these days . . . He

is seemingly incapable of writing a book that fails to be interesting." —The New York Times

### **SPRING FLOWERS, SPRING FROST**

Catapult

A New York Times Book Review Editors' Choice "Erotic, paranoiac and lightly fantastical." —The Wall Street Journal "Ismail Kadare's readers are astonished every year when the Nobel committee overlooks him. . . . *A Girl in Exile*, published in Albanian in 2009, may rekindle the

worldwide hopes." —The New York Times Book Review During the bureaucratic machinery of Albania's 1945–1991 dictatorship, playwright Rudian Stefa is called in for questioning by the Party Committee. A girl—Linda B.—has been found dead, with a signed copy of his latest book in her possession. He soon learns that Linda's family, considered suspect, was exiled to a small town far from the capital. Under the influence of a paranoid regime, Rudian finds himself swept along

on a surreal quest to discover what really happened to Linda B. “At a time when parts of the world are indulging nostalgia for communism, Kadare’s novel confronts the infuriating impossibility of art in an autocratic, anti-individualist system.” —The Washington Post “A Girl in Exile confirms Kadare to be the best writer at work today who remembers—almost aggressively so, refusing to forget—European totalitarianism.” —The New Republic

A powerful political novel  
based on the sudden,  
mysterious death of the  
man who had been  
handpicked to succeed  
the hated Albanian

dictator Enver Hoxha. Did  
he commit suicide or was  
he murdered? That is the  
burning question. The  
man who died by his own  
hand, or another+s, was  
Mehmet Shehu, the  
presumed heir to the  
ailing dictator, Enver  
Hoxha. So sure was the  
world that he was next in  
line, he was known as The  
Successor. And then,  
shortly before he was to  
assume power, he was  
found dead. THE  
SUCCESSOR is  
simultaneously a mystery  
novel, an historical novel-  
based on actual events

and buttressed by the author+s private conversations with the son of the real-life Mehmet Shehu-and a psychological novel (How do you live when nothing is sure?). Vintage Kadare, *THE SUCCESSOR* seamlessly blends dream and reality, legendary past, and contemporary history. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas,

political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more.
