He coached the AE Mind Memory Team to a Gold Medal in the 2014 USA Memory Championship in one of the events! The most

requested topic from the teachers, lawyers, real estate agents, and other business professionals that he works with is, "How to Remember Names!" When you GET THIS BOOK TODAY, You will be learning from one of America's Top Memory Coaches to quickly and easily Memorize Anyone's Name using the memory training techniques that top memory athletes use! > There are a lot of books out there that teach you how to improve your memory and even books on memorizing people's names. The thing that makes "How to Remember Names and Faces" stand out is the fact that we have included 565 faces on practice sheets called Name Games to help you become a Master of Names. Spaced Repetition is the Mother of All Skill and there is no better way to practice the art of memorizing names than to have live examples of someone's face to link a name with. In How to Win and Influence People, Dale Carnegie says, "Remember that a person's name is to that person the sweetest and most important sound in any language." The first step in improving your communication skills and people skills, is to be able to build a rapport with the people that you want to talk to. What better way to build rapport than to be able to remember that person's name and call them out by it a month a later. Do you think that they will be more open to communicating with you if they knew that you cared enough about them to take the time and remember their name? In Chapter 12, you will also learn how to use the Art of Visualization to connect deeper with the people that you interact with by remembering the information that you talked about. This will build more trust and strengthen your relationships with others if they know that you actually care about what they

have to say by remembering facts from the conversations that you have with them. As you will learn in this book, all of the top memory athletes will tell you that The Key to MEMORIZATION is VISUALIZATION! Your brain learns best when it can SEE the information that it wants to memorize. When it comes to names, you need to have a picture association for every name if you want to memorize an individual's name very quickly. I will give you my list of names that I have already converted into pictures as a FREE BONUS GIFT! Who is this Book For: Business Professionals: Managers, Realtors, Attorneys, Doctors, Psychologist, Anyone in a leadership role and anyone that wants to see an increase in their sales business by making a memorable impact on your clients. Entertainment: Casting, TV Host, Actors, Directors, etc Education: Professors, Administrators, Principals, Students, etc If you deal with People in Any Capacity, Then THIS BOOK IS FOR YOU!

*How to develop a perfect memory* Red Wheel/Weiser

Read the Wall Street Journal Bestseller for "cultivating intense focus" for fast, powerful performance results for achieving success and true meaning in one's professional life (Adam Grant, author of Give and Take). Deep work is the ability to focus without distraction on a cognitively demanding task. It's a skill that allows you to quickly master complicated information and produce better results in less time. Deep Work will make you better at what you do and provide the sense of true fulfillment that comes from craftsmanship. In short, deep work is like a super power in our increasingly competitive twenty-first century economy. And yet, most people have lost the ability to go deep--spending their days instead in a frantic blur of e-mail and social media, not even realizing there's a better way. In *Deep Work*, author and professor Cal Newport flips the narrative on impact in a connected age. Instead of arguing distraction is bad, he instead celebrates the power of its opposite. Dividing this book into two parts, he first makes the case that in almost any profession, cultivating a deep work ethic will produce massive benefits. He then presents a rigorous training regimen, presented as a series of four "rules," for transforming your mind and habits to support this skill. 1. Work Deeply 2. Embrace Boredom 3. Quit Social Media 4. Drain the Shallows A mix of cultural criticism and actionable advice, *Deep Work* takes the reader on a journey through memorable stories--from Carl Jung building a stone tower in the woods to focus his mind, to a social media pioneer buying a round-trip business class ticket to Tokyo to write a book free from distraction in the air--and no-nonsense advice, such as the claim

that most serious professionals should quit social media and that you should practice being bored. *Deep Work* is an indispensable guide to anyone seeking focused success in a distracted world. An Amazon Best Book of 2016 Pick in Business & Leadership Wall Street Journal Business Bestseller A Business Book of the Week at 800-CEO-READ *Mind and Memory Mastery Training Guide* Watkins Media Limited An instant New York Times bestseller and #1 Wall Street Journal bestseller. The purpose of this guide is to help the user find birds on Andros Island and find the habitats that are ideal for certain species of birds. This book describes in detail the best places to find approximately 150 of the most common and/or most interesting birds found on the island. It is a 'must have' for any

nature lover traveling to Andros Island. The book gives tips on bird spotting, how to identify the best areas for specific types of birds, and the vegetative zones preferred by each species. The book is also full of detailed coordinates to put birders on those habitats favored by certain species. Unlike most scientific writing, this text is full of humor and is as entertaining as it is informative.
