The Bitch at Work
UPNE
Preached at Enfield,
Connecticut on July 8,
1741, this is perhaps

the greatest sermon
ever preached in
America—and is
certainly among the
most well known.
Owing to its forthright
dealing with God's
wrath and His intense
hatred of sin and the
sinner, it is also one of
the most controversial.
Indeed, for more than

three-quarters of the sermon Edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men. While it is difficult to read such graphic language, there is abundant hope in the sermon's conclusion. Edwards puts it this way, "And now you have an extraordinary opportunity, a day wherein Christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners." While those who would rather ignore God's justice in favor of His mercy condemn Edwards and his sermon, those who were present and actually heard him preach that day

reacted in a decidedly different manner. According to the diary of Reverend Stephen Williams who attended the sermon, "Before the sermon was done there was a great moaning and crying through the whole House, 'what shall I do to be saved; oh, I am going to hell, etc.'" The diary goes on to indicate that Edwards had to interrupt his sermon and come down to minister to those who were under such awful conviction. And so, in spite of what the scoffers might think or say, "the amazing and astonishing power of God" was manifested among the people that day—with many falling not into the hands of an angry God, but into the arms of a mighty Savior.

From Doormat to Dreamgirl—A Woman's Guide to Holding Her Own in a Relationship Arrow

Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

They Used to Call Me Snow White ... But I Drifted David & Charles Publishers

Murder mystery, family saga, love story, and financial intrigue combine into one satisfyingly complex and entertainingly atmospheric novel, the first in Stieg Larsson's thrilling Millenium series featuring Lisbeth Salander. "Combine the chilly Swedish

backdrop and moody psychodrama of a Bergman movie with the grisly pyrotechnics of a serial-killer thriller, then add an angry punk heroine and a down-on-his-luck investigative journalist, and you have the ingredients of Stieg Larsson's first novel."

—The New York Times Harriet Vanger, a scion of one of Sweden's wealthiest families disappeared over forty years ago. All these years later, her aged uncle continues to seek the truth. He hires Mikael Blomkvist, a crusading journalist recently trapped by a libel conviction, to investigate. He is aided by the pierced and tattooed punk prodigy Lisbeth Salander. Together they tap into a vein of unfathomable iniquity and

astounding corruption.

Do you know the top seven things men do that drive women nuts? Or the real reason women cry more than men do? What are men really looking for in a woman—both at first sight and for the long-term? These are only the starting points for Barbara and Allan Pease as they discuss the very real—and often very funny—differences between the sexes. Why Men Don't Have a Clue and Women

Always Need More Shoes takes a look at some of the issues that have confused men and women for centuries. Using new findings on the brain, studies of social changes, evolutionary biology, and psychology, the Peases teach you how to make the most of your relationships—or at least begin to understand where your partner is coming from. They help women understand why men avoid commitment, what drives them to lie, and how to decode male speech to find out what they are really saying. They explain to men why women nag, how they use emotional blackmail, and how to understand (and take advantage of!) the top-secret scoring system all

women apply. They also dish about the top turn-ons--and turn-offs--for both sexes. Laced with their trademark humor, *Why Men Don't Have a Clue* and *Women Always Need More Shoes* addresses a host of nitty-gritty battlegrounds as well, from channel surfing and toilet seats to shopping and communication.

Already a #1 bestseller in the United Kingdom, Germany, Japan, Holland, Spain, Brazil, Portugal, Belgium, Ireland, France, Czech Republic, India, Singapore, Malaysia, South Africa, New Zealand, and Australia, *Why Men Don't Have a Clue* and *Women Always Need More Shoes* is the answer to understanding the opposite sex.

A GUIDE FOR WOMEN WHO ARE TOO NICE

Charisma Media
Popular marriage counselor and seminar leader John Gray provides a unique, practical and proven way for men and women to communicate and relate better by acknowledging the differences between them. Once upon a time Martians and Venusians met, fell in love, and had happy relationships together because they respected and accepted their differences. Then they came to earth and amnesia set in: they forgot they were from different planets. Using this metaphor to

illustrate the commonly occurring conflicts between men and women, Gray explains how these differences can come between the sexes and prohibit mutually fulfilling loving relationships. Based on years of successful counseling of couples, he gives advice on how to counteract these differences in communication styles, emotional needs and modes of behavior to promote a greater understanding between individual partners. Gray shows how men and women react differently in conversation and how their relationships are affected by male intimacy cycles ("get close", "back off"), and female self-esteem fluctuations ("I'm okay", "I'm not okay").

He encourages readers to accept the other gender's particular way of expressing love, and helps men and women learn how to fulfill each other's emotional needs. With practical suggestions on how to reduce conflict, crucial information on how to interpret a partner's behavior and methods for preventing emotional "trash from the past" from invading new relationships, *Men Are from Mars, Women Are from Venus* is a valuable tool for couples who want to develop deeper and more satisfying relationships with their partners.

Christians called to

respond when cancer invades our lives, whether our own bodies or those of our friends and family? On the eve of his own cancer surgery, John Piper writes about cancer as an opportunity to glorify God. With pastoral sensitivity, compassion, and strength, Piper gently but firmly acknowledges that we can indeed waste our cancer when we don't see how it is God's good plan for us and a hope-filled path for making much of Jesus. Don't Waste Your Cancer is for anyone touched by a life-threatening illness. It first appeared as an appendix in *Suffering and the Sovereignty of God*. Repackaged and republished, it will serve as a hope-giving

WHY MEN MARRY BITCHES

Vintage Crime/Black Lizard
Translated by Gregory Rabassa, winner of the National Book Award for Translation, 1967
Horacio Oliveira is an Argentinian writer who

lives in Paris with his mistress, La Maga, surrounded by a loose-knit circle of bohemian friends who call themselves "the Club." A child's death and La Maga's disappearance put an end to his life of empty pleasures and intellectual acrobatics, and prompt Oliveira to return to Buenos Aires, where he works by turns as a salesman, a keeper of a circus cat which can truly count, and an attendant in an insane asylum. Hopscotch is the dazzling, freewheeling account of Oliveira's astonishing adventures.

We all have questions about death. Despite the strong assurance the Bible gives us about life beyond the grave, Christians are often troubled by other

questions. What will happen on the day of judgement? Will we have bodies in heaven? Will there be rewards? Marcus Nodder brings clarity to an area where many Christians are confused, and shows that there is much that we can say for sure from the Bible. Highly accessible and suitable for all Christians. Part of the Questions Christians Ask series: a range of short, simple books designed to help Christians understand what God has said about these questions and many more in the Bible.

 George Orwell's
 Nineteen Eighty-Four is

unquestionably the most famous dystopian novel of all times. Written in the year of 1948, the author swapped the last two digits while describing a future totalitarian society where the minds, attitudes and actions of the subjects are thoroughly scrutinized by the "Thought Police", suspected dissidents tracked down and where the worship of the mythical party leader Big Brother is forced upon the masses. The low-ranking party member Winston Smith begins secretly to question the whole system and initiates a forbidden love affair with another party member.
