You can also give your pet a variety of vegetables, such as carrots, bell peppers, and squash, and small amounts of fruit, such as strawberries, bananas, apples, and figs. Supplement this diet with a high quality vitamin for tortoises to prevent deficiencies. You can also provide your pet with a commercial pelleted diet for tortoises. Behavior Hermann's Tortoise Information and Pictures - PetGuide Keep your tortoise's habitat toasty and damp, like the warm countries these pets come from. The degree of heat and humidity in the habitat will depend on their breed: Russian Tortoises do best in slightly warmer, drier environments with about 50% humidity; while Greek Tortoises like it slightly cooler and wetter, with up to 80% humidity. Tortoises as Pets: Care & Information | PetSmart Humidity levels for Russian tortoises must be kept relatively low. An ideal humidity level runs between 40% and 50% to keep your tortoise in tip-top shape. Whether your tortoise is in an indoor habitat or an outdoor enclosure, keep a close eye on humidity levels with the aid of a hygrometer.
