Intermediate Accounting Wiley

Intermediate Accounting by Kieso, Weygandt, and Warfield is, quite simply, the standard by which all other intermediate texts are measured.

Throughout the thirty years, and ten best-selling editions, the text has built a reputation for accuracy, comprehensiveness, and student success. This Updated Edition features and incorporates the 2005 FASB key accounting standards that have been updated since the original publication of "Intermediate Accounting, 11th Edition." The Updated Eleventh Edition maintains the qualities for which the text is globally recognized, and continues to be your students' gateway to the profession! Included in the package is the "Problem-Solving Survival Guide."

All-Access Pack - Intermediate Accounting McGraw Hill Professional

Intermediate Accounting: IFRS Edition provides the tools global accounting students need to understand IFRS and how it is applied in practice. The emphasis on fair value, the proper accounting for financial instruments, and the new developments related to leasing, revenue recognition, and financial statement presentation are examined in light of current practice. Global Accounting Insights highlight the important differences that remain between IFRS and U.S. GAAP, and discuss the ongoing joint convergence efforts to resolve them. Comprehensive, up-to-date, and accurate, Intermediate Accounting: IFRS Edition includes proven pedagogical tools, designed to help students learn more effectively and to answer the changing needs of this course.

What are the foundations of scriptwriting? Why do some scripts gain more prestige than others? How do you write a script and get it noticed? Scriptwriting for Film, Television and New Media answers these questions and more, offering a comprehensive introduction to writing scripts for film, television, the Internet, and interactive multimedia. Author Alan C. Hueth explains not just how to write, but how to think and apply the fundamental principles of screenwriting to multiple platforms and genres. This includes chapters on numerous script formats, including drama and comedy in film and TV, short films, commercials and PSAs, news and sports, interview shows, documentaries, reality shows, and corporate and educational media, including interactive multimedia. This book also addresses legal and ethical issues, how to become a professional scriptwriter, and a section on production language that provides helpful explanations of how camera, locations, visual and audio effects combine on screen to engage and sustain viewer attention, and, consequently, how to improve scriptwriting technique. The book features numerous case studies and detailed examples, including chapter by chapter exercises, plot diagrams, quick-look and learn tables that assist readers to quickly understand genre related script elements, and in-depth script close-ups to examine precisely how writers utilize the principles and elements of drama to create a successful script. It is also supported by a comprehensive companion website with further case studies, assignments, video clips, and examples of films and programs discussed in the book. Scriptwriting for Film, Television, and New Media is ideal for aspiring scriptwriters and anyone wanting to broaden their understanding of how successful scripts are created.

"Intermediate Financial Accounting Volume 2 by G. Arnold and S. Kyle, developed in collaboration by Athabasca University and Lyryx, is intended for the second of two in Intermediate Financial Accounting courses. It presumes that students have already completed the Introductory Financial Accounting, and the first Intermediate Financing Accounting course. The textbook reflects both current International Financial Reporting Standards (IFRS) and ASPE. This textbook covers all topics essential to a second level Intermediate Accounting course: current, long-term and complex liabilities, income taxes, pensions, leases, shareholders' equity, earnings per share, statement of cash flows including the direct approach, effects of changes and errors, and disclosures and analysis. Topics that are covered in Advanced Financial Accounting courses, such as consolidations and foreign exchange, are not included here. For those requiring preparation for CPA designation, competencies as outlined by the CPA are addressed in this textbook. For a detailed competency map, please contact us at info@lyryx.com."--BCCampus website.
