"This house, this place, knows all my secrets." It is a perfect August morning, and Elle, a fifty-year-old happily married mother of three, awakens at "The Paper Palace"—the family summer place which she has visited every summer of her life. But this morning is different: last night Elle and her oldest friend Jonas

crept out the back door into the darkness and had sex with each other for the first time, all while their spouses chatted away inside. Now, over the next twenty-four hours, Elle will have to decide between the life she has made with her genuinely beloved husband, Peter, and the life she always imagined she would have had with her childhood love, Jonas, if a tragic event hadn't forever changed the course of their lives. As Heller colors in the experiences that have led Elle to this day, we arrive at her ultimate decision with all its complexity. Tender yet devastating, *The Paper Palace* considers the tensions between desire and dignity, the legacies of abuse, and the crimes and misdemeanors of families.

Kinslayer is Book Two in Jay Kristoff's critically acclaimed Lotus War series that began with *Stormdancer*, featuring an unforgettable heroine and a stunningly original Japanese dystopian steampunk world *A SHATTERED EMPIRE* The mad Shogun Yoritomo has been assassinated by the Stormdancer Yukiko, and the threat of civil war looms over the Shima Imperium. The toxic blood lotus flower continues to ravage the land, the deadlands splitting wider by the day. The machine-worshippers of the Lotus Guild conspire to renew the nation's broken dynasty and crush the growing rebellion

simultaneously - by endorsing a new Shogun who desires nothing more than to see Yukiko dead. A DARK LEGACY Yukiko and the mighty thunder tiger Buruu have been cast in the role of heroes by the Kagé rebellion. But Yukiko herself is blinded by rage over her father's death, and her ability to hear the thoughts of beasts is swelling beyond her power to control. Along with Buruu, Yukiko's anchor is Kin, the rebel Guildsman who helped her escape from Yoritomo's clutches. But Kin has his own secrets, and is haunted by visions of a future he'd rather die than see realized. A GATHERING STORM Kagé assassins lurk within the Shogun's palace, plotting to end the new dynasty before it begins. A waif from Kigen's gutters begins a friendship that could undo the entire empire. A new enemy gathers its strength, readying to push the fracturing Shima imperium into a war it cannot hope to survive. And across raging oceans, amongst islands of black glass, Yukiko and Buruu will face foes no katana or talon can defeat.  Fiona Davis, New York Times bestselling author of *The Lions of Fifth Avenue*, returns with a tantalizing novel about the

secrets, betrayal, and murder within one of New York City's most impressive Gilded Age mansions. Eight months since losing her mother in the Spanish flu outbreak of 1919, twenty-one-year-old Lillian Carter's life has completely fallen apart. For the past six years, under the moniker Angelica, Lillian was one of the most sought-after artists' models in New York City, with statues based on her figure gracing landmarks from the Plaza Hotel to the Brooklyn Bridge. But with her mother gone, a grieving Lillian is rudderless and desperate—the work has dried up and a looming scandal has left her entirely without a safe haven. So when she stumbles upon an employment opportunity at the Frick mansion—a building that, ironically, bears her own visage—Lillian jumps at the chance. But the longer she works as a private secretary to the imperious and demanding Helen Frick, the daughter and heiress of industrialist and art patron Henry Clay Frick, the more deeply her life gets intertwined with that of the family—pulling her into a tangled web of romantic trysts, stolen jewels, and family drama that runs so deep, the stakes just may be life or

death. Nearly fifty years later, mod English model Veronica Weber has her own chance to make her career—and with it, earn the money she needs to support her family back home—within the walls of the former Frick residence, now converted into one of New York City's most impressive museums. But when she—along with a charming intern/budding art curator named Joshua—is dismissed from the Vogue shoot taking place at the Frick Collection, she chances upon a series of hidden messages in the museum: messages that will lead her and Joshua on a hunt that could not only solve Veronica's financial woes, but could finally reveal the truth behind a decades-old murder in the infamous Frick family.
