The organizational innovation concept is part of the concept of innovation and development, and accentuates new ideas and the propensity for change within organizations. What is Organizational Innovation | IGI Global Abstract. There is a growing interest in the role of social enterprises and third sector organisations in delivering a range of services and many claims made about their innovative potential. There is therefore a need to examine the approaches to innovation. This paper examines the different sources of innovation amongst third sector organisations that are involved in social enterprise activity. Effective communication is at the heart of any successful human endeavour. This timely new edition of the highly successful Communication: Organisation and Innovation shows how innovative methods of communication teaching and learning

can benefit and strengthen all organisations, especially in today's fast-changing business world.
