Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. Strengthening Forensic Science in the United States: A Path Forward provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. Strengthening Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

The Ultimate Handbook for the Dom and Sub Blushing Publications

A year ago, my best friend Hal died at the hands of an incompetent "dom." So I started the Subs Club, a private blog where submissives can review doms and call out the douche bags. A perfect example of the kind of arrogant asshole I mean? The Disciplinarian. He has a pornstache. He loves meat, stoicism, America, and real discipline. And he thinks subs exist to serve him. But . . . not everything about him is awful. His Davy Crockett act just seems like a cover for his fear of intimacy, and part of me wants to show him it's okay to get close to people. And, I mean, sue me, but I have fantasized about real discipline. Not role-play, but like, Dave, you're gonna be thirty in four years and you still work in a mall; get your ass in gear or I'll spank it. Not that I'd ever trust anyone with that kind of control. I'm gonna redefine "battle of wills" for the Disciplinarian. Or I'm gonna bone him. It's hard to say. -Dave

A Club Sin Novel Random House

When handsome, new shop assistant Daniel is rude and obnoxious to a valued customer, he discovers the painful way to learn to be polite - through the indignity of hard, regular spankings and canings applied to his upturned bare bottom. The irate customer, attractive, sexy Olivia Hamilton, is expert at severe and humiliating corporal punishment for misbehaving adults. It's so embarrassing and it hurts so much - but soon Daniel's fear and dread of the cane turns to acceptance, and finally a real craving for more and more imaginative discipline, which his new Mistress is only too keen to give. Sometimes Daniel's punishments are administered in front of enthusiastic witnesses, and to add even more to his distress and embarrassment, Olivia's niece Laura also discovers he is under her aunt's extremely strict regime. Read vivid descriptions of Daniel's increasing torments as his bare, exposed buttocks writhe and flinch under the excruciating sting of the cruel cane brought down HARD on the most sensitive parts of his bottom, over and over again. He is reduced to begging

and pleading for it to stop, but Olivia well knows that regular good, old-fashioned, traditional canings, combined with prolonged bare bottom spankings, always brings about a change in behaviour. This complete, highly erotic corporal punishment novel is for adults only (over 18s) and contains strong, graphic descriptions of humiliating, naked adult discipline, together with strong sexual scenes. A man-to-man (gay) version of this hot story is available as "Severe Spankings Are Best For Tom", also by Mark Maguire.

Where the women they meet are feisty, headstrong, and courageous enough to enter their Dom's world, taking a chance to submit to the one man they find they cannot live without. This is the complete collection of the original eight full-length sultry, steamy Western romances. It includes... HIS UNEXPECTED LOVE: Jenna & Carter, The Beginning Carter has been invited to Pleasure Island, a lifestyle themed resort on a private island in the Bahamas. His plans for the week include indulging in the finer points of life - mainly bedroom activities, and lots of it. He's a man used to dominating a woman in every way imaginable, and then receiving praise and thanks from his selected bed mate for his prowess. That all changes when he runs into Jenna. HIS SCANDALOUS LOVE Carter is a simple man. He loves his ranch, his horses, and dominating women in the bedroom. Yet for the past year, he has become a monk. And all because of Jenna, a woman he had an unforgettable week with a year ago, who vanished from his life without a trace and left him reeling. When he discovers Jenna practically on his doorstep, Carter moves heaven and earth to draw her back into his life. HIS WICKED LOVE Mason is in a pickle. He and his brother are the co-owners of the Black Elkhorn Lodge and Resort. Their dream stands at the precipice of utter ruin because their previous chef embezzled every dime of savings they had. In a last-ditch effort to save his business from the brink of annihilation, Mason hires a new chef for their restaurant; sight unseen. Nothing can prepare him for Emily, the red-haired siren who waltzes into his resort, carting a set of chef knives and demanding to see her new kitchen. HIS UNTAMED LOVE Visiting the Black Elkhorn Lodge and Resort is Mia's last option. She's bordering on a nervous breakdown. And, to make matters worse, she has the foulest case of writer's block in the history of the world. But she isn't prepared for the surly, sexy cowboy - who looks like her every dark fantasy come alive - riding into

her life on his trusty steed. Cole has only loved one woman in all his thirty-five years, until he lost her forever and swore he would never love another. That is, until Mia Evans, the burned-out, anxiety ridden author, needing to get away from her real life, nearly runs him over with her car. HIS TEMPTING LOVE Cora has a plan: move to a new town and make a better life for herself and her son. As a single mom, she's not looking for a relationship of any kind. But then she never expected to have the sexy Garrett offer her a night of uninhibited pleasure with no strings attached. Garrett never expected Cora's surrender to his touch to be so sweet - or tempt him to want more than just a single night. HIS SEDUCTIVE LOVE Layla never imagined living in Jackson Hole until she inherited her grandfather's veterinary practice. But at least there's a lifestyle club available where she can get her so-not-vanilla needs met. And yet, there isn't a single cowboy at the club who makes her stop and take notice... until the night she gets called in for an emergency at Hunt Trail Rides and runs into the owner. He's big and brawny, looking more like a throwback to a Scottish raider than a modern-day cowboy. And then there's the little fact that he kisses her brainless in under five seconds. That has

to be a world record. HIS SECRET LOVE (plus Bonus Scene) Meghan has a plan for her life, and it does not involve falling in love. She doesn't have the time, nor the inclination. She's too busy trying to save the world. But when a freak snowstorm puts her in the path of a man she has secretly been fascinated with for years, she is forced to reconsider her stance on dating. Spencer is rude and obnoxious, with his bad boy swagger, but then he rescues her when she gets stranded on the side of the road, like a knight in tarnished armor, and sweeps her away to his house to ride out the blizzard. As the storm rages around them, they surrender to a passion hotter than the sun. HIS CHERISHED LOVE Rayna's entire life is a lie. She avoids relationships as if they were the plague - mainly because the people who get close to her wind up dead. And yet her newest next door neighbor, the sexy, stoic Jack, is making her want to break all her rules. The problem is, he's a cop, and she doesn't know how long it will take before her past catches up to her and all her secrets are revealed. Publisher's Note: This steamy collection of eight full-length novellas includes themes of power exchange.
