RAIDEN CHARLES

These Tangled Threads Simon and Schuster

For Eveleen Hardcastle life gets no better than growing up on Pear Tree Farm in the Lincolnshire countryside. Her family works hard for the Dunsmore estate and Eveleen finds it impossible to resist the charms of their employer's son, Stephen Dunsmore. But Jimmy, ever quick to antagonize, ensures that his sister's clandestine trysts do not remain so for long. Mary Hardcastle reacts to the news of her daughter's affair with a shocking

ferocity, which seems to be born more of bitterness than maternal protectiveness. But what is it that fuels Mary's resentment towards her daughter? Unable to ignore her own feelings, Eveleen continues to meet Stephen in secret. But deception has a cruel price to pay when her beloved father is found dead from a heart attack. And worse yet, Stephen, far from providing Eveleen with the comfort she craves, deserts her in her hour of need and callously evicts the Hardcastles from the farm. Suddenly homeless, Eveleen is left to take the family reins and she fights to make a new life for her family in Nottinghamshire. And then she makes a stunning discovery about

her mother's past which changes all their lives for ever...

Tangled In Time Book One Lulu.com

The fourth book in the “outstanding” (Romantic Times) Elemental Assassin fantasy series featuring Gin Blaco, who by day is a waitress at a Tennessee BBQ joint, and by night is a tough female assassin. I’d rather face a dozen lethal assassins any night than deal with something as tricky, convoluted, and fragile as my feelings. But here I am. Gin Blanco, the semi-retired assassin known as the Spider. Hovering outside sexy businessman Owen Grayson’s front door like a nervous teenage girl. One thing I like about Owen: he doesn’t shy away from my past—or my present. And right now I have a bull’s-eye on my forehead. Cold-blooded Fire elemental Mab Monroe has hired one of the smartest assassins in the business to trap me. Elektra LaFleur is skilled and efficient, with deadly electrical elemental magic as potent as my own Ice and Stone powers. Which means there’s a fifty-fifty chance one of us won’t survive this battle. I intend to kill LaFleur—or die trying—because Mab wants the assassin to take out my baby sister, Detective Bria Coolidge, too. The only problem is, Bria has no idea I’m her long-lost sibling . . . or that I’m the murderer she’s been chasing through Ashland for weeks. And what Bria doesn’t know just might get us both dead. . . .

Zoey does her best to do it all—but this time her fashion plate might be too full! Includes “Sew Zoey” blog posts and fashion

illustrations. Zoey Webber would do—and sew—anything for her friends, so she jumps at the chance to make very special outfits for their very special events. Priti asks Zoey to make a modern sari to wear to her cousin’s Indian wedding, and Kate asks for a dress for her State Championships awards dinner. Zoey is sewing up a storm, while also launching an online store with another sewing blogger! Then a string of surprises and setbacks makes a mess of her plans, and Zoey gets really ruffled. When the sewing gets tough, can Zoey keep going?

INTERNATIONAL BESTSELLER • “Merlin Sheldrake’s marvelous tour of these diverse and extraordinary life forms is eye-opening on why humans should consider fungi among the greatest of earth’s marvels. . . . Wondrous.”—Time A mind-bending journey into the hidden universe of fungi, “one of those rare books that can truly change the way you see the world around you” (Helen Macdonald, author of *H Is for Hawk*). WINNER OF THE ROYAL SOCIETY SCIENCE BOOK PRIZE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Time • BBC Science Focus • The Daily Mail • Geographical • The Times • The Telegraph • New Statesman • London Evening Standard • Science Friday When we think of fungi, we likely think of mushrooms. But mushrooms are only fruiting bodies, analogous to apples on a tree. Most fungi live out of sight, yet make up a massively diverse kingdom of organisms that supports and sustains nearly all living systems.

Fungi provide a key to understanding the planet on which we live, and the ways we think, feel, and behave. In *Entangled Life*, the brilliant young biologist Merlin Sheldrake shows us the world from a fungal point of view, providing an exhilarating change of perspective. Sheldrake's vivid exploration takes us from yeast to psychedelics, to the fungi that range for miles underground and are the largest organisms on the planet, to those that link plants together in complex networks known as the "Wood Wide Web," to those that infiltrate and manipulate insect bodies with devastating precision. Fungi throw our concepts of individuality and even intelligence into question. They are metabolic masters, earth makers, and key players in most of life's processes. They can change our minds, heal our bodies, and even help us remediate environmental disaster. By examining fungi on their own terms, Sheldrake reveals how these extraordinary organisms—and our relationships with them—are changing our understanding of how life works. SHORTLISTED FOR THE BRITISH BOOK AWARD • LONGLISTED FOR THE RATHBONES FOLIO PRIZE "Entangled Life is a gorgeous book of literary nature writing in the tradition of [Robert] Macfarlane and John Fowles, ripe with insight and erudition. . . . Food for the soul."—Eugenia Bone, Wall Street Journal "[An] ebullient and ambitious exploration . . . This book may not be a psychedelic—and unlike Sheldrake, I haven't dared to consume my copy (yet)—but reading it left me not just moved but altered, eager to disseminate its message of what fungi can do."—Jennifer Szalai, The New York Times

Simon and Schuster

"Oh what a tangled web we weave. When first we practice to deceive." --Sir Walter Scott It is San Francisco in the summer 1882, and Annie and Nate Dawson have finally found a good balance between the demands of family and work. Nate has an interesting legal case defending a young woman who has been left out of her mother's will. Annie is looking into whether the financial difficulties facing the Potrero Woolen Mills are caused by bad management or bad luck. For her own reasons, Biddy O'Malley is eager to help Annie with her investigation. What none of the three of them could anticipate was how secrets and unexpected entanglements would complicate their search for the truth. *Entangled Threads* is the eighth full-length novel in the USA Today best-selling author's Victorian San Francisco Mystery series. However, it can be read as a stand-alone by anyone who enjoys cozy historical mysteries with an amateur female sleuth.

An Elemental Assassin Book CreateSpace

"The lives of each character portrayed in this book remind one of tangled skeins of threads. The heroine of this story portrays a type of womanhood so often sought for, so rarely found. Circumstances having placed her in a false position, she sacrifices her principles of right and wrong to save those near and dear to her from imaginary shame and humiliation"--

Introduction.

Carry Me Home University of Alabama Press

"Delia O'Toole is determined to escape the nursing home that has become her prison. So when her lifelong enemy, Ruthann, begs her to return to their hometown in North Carolina, Delia realizes it's time to confront Ruthann. It's time to deal with 'the accident'. Going home means remembering those long-ago days when Delia and Ruthann were poverty-stricken girls working in the cotton mill. It also means remembering the impulsive decision Delia made at age seventeen, a decision that led to tragedy. When Delia returns to her childhood home, she is stunned by what Ruthann reveals and faces a wrenching decision. And both women must decide whether they can forgive the life-altering events that almost destroyed them"--Page 4 of cover.

Follow Gin Blanco, a kick-butt female assassin who moonlights at a BBQ joint in Tennessee, as she searches for the person who

double-crossed her in this heart-pounding and fresh paranormal romance series. After Gin's family was murdered by a Fire elemental when she was thirteen, she lived on the streets and eventually became an assassin to survive. Now, Gin is assigned to rub out an Ashland businessman, but it turns out to be a trap. After Gin's handler is brutally murdered, she teams up with the sexy detective investigating the case to figure out who double-crossed her and why. Only one thing is for sure—Gin has no qualms about killing her way to the top of the conspiracy.

Tangled Threads Simon and Schuster

Black and White Tangled Threads (1920) is a novel by African American author Zara Wright. Published at the beginning of the Harlem Renaissance, Wright's novel earned nationwide praise as a "realistic portrayal of individuals and events [that] lifts one to the heights of earthly ambitions." Despite this critical success, Wright does not appear to have written more than *Black and White Tangled Threads* and its sequel, *Kenneth*, which were published together in 1920. Although recent scholars have made attempts to return her name to its rightful place on the pantheon of pioneering African American writers, mystery still clouds her life and career to this day. Like many of her contemporaries, Wright took interest in the sociopolitical realities of life as a Black or mixed-race person in the early twentieth century. In this novel, she explores the consequences of passing, interracial marriage, and class on the lives of individuals in the United States and Europe. *Black and White Tangled Threads* is a story of love, family, and faith from a forgotten writer of the Harlem Renaissance. With a beautifully designed cover and professionally typeset manuscript, this edition of Zara Wright's *Black White and*

Tangled Threads is a classic work of African American literature reimagined for modern readers.

A TANGLED THREAD

Gin Blanco takes a vacation with her sister, Bria, to a swanky beach town, but her vacation is threatened when an old friend of Bria's is threatened by a powerful vampire and Gin's ex-lover, Detective Donovan Caine, reappears.

A Tale of Mormonism Quill Driver Books

"In 1971, Jim Brown moved to Birmingham with his young family to start his first full-time teaching job at Samford University. Within days, he was fishing on the Cahaba River; soon, the entire Brown family was regularly exploring the river's twists and turns and the myriad creatures living there. A European historian by training, Brown began to broaden his areas of expertise to fulfill the range of his teaching responsibilities. As his intellectual horizons expanded, Brown quickly became fascinated with the history, culture, and environment of his new home. In the years to come, Brown's curiosity would lead him on a series of literal and investigative journeys across Alabama's physical and cultural landscape which he endeavored to bring back to the classroom. Upon retirement in 2016, Brown set to work weaving together an account of the encounters and activities that unfolded in his early years in Alabama as the state slowly made him into one of its own. Incorporating personal experiences and insights drawn from a lifetime of learning and teaching, the resultant memoir begins with his first brush with the Cahaba River and spans topics ranging from salamander migration, shape note singing (with

Wayne Flynt, no less), disappearing arts and crafts traditions, land use patterns over time, historic preservation, experiential education, birds, bats, railroad hollers, and more than a few fish tales along the way. Interspersed throughout with insights drawn from Brown's academic career, *Distracted by Alabama* traces a very personal, historically informed, and idiosyncratic profile of a region in transition in the mid to late twentieth century. It also stands as testament to the ideals and value of liberal arts education in a society"--

Tangled Threads: A Tale of Mormonism by Mrs. Mary Elizabeth Dudley, first published in 1905, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges,

annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.

Entangled Threads M. Louisa Locke

For the Hmong people living in overcrowded refugee camps in Thailand, America is a dream: the land of peace and plenty. In 1995, ten years after their arrival at the camp, thirteen-year-old Mai Yang and her grandmother are about to experience that dream. In America, they will be reunited with their only remaining relatives, Mai's uncle and his family. They will discover the

privileges of their new life: medical care, abundant food, and an apartment all their own. But Mai will also feel the pressures of life as a teenager. Her cousins, now known as Heather and Lisa, try to help Mai look less like a refugee, but following them means disobeying Grandma and Uncle. From showers and smoke alarms to shopping, dating, and her family's new religion, Mai finds life in America complicated and confusing. Ultimately, she will have to reconcile the old ways with the new, and decide for herself the kind of woman she wants to be. This archetypal immigrant story introduces readers to the fascinating Hmong culture and offers a unique outsider's perspective on our own.
