 Themistocles stands as an archon of Athens- the might of the city is his to command. Yet he is no nobleman, distrusted by many for his modest birthright. But those who stand against him cannot argue with two things- his victories as a warrior and the vast Persian force heading their way. And so Themistocles must fight. To survive the game of politics, to make his name, he must prove

himself again and again in battle. His enemies are legion, his allies do not trust him and the Persians would corrupt him - but history belongs to the courageous . . .

*The Death of Kings*  
 HarperCollins UK

The saga of ancient Rome and of Julius Caesar comes to a conclusion as the would-be emperor leads his legions across the Rubicon River to confront his last rival for supreme power, a victory that will split Rome in a destructive civil war, test the bonds of long-time friendship, bring him the love of the Egyptian queen Cleopatra, and lead to the betrayal of his closest ally. Reprint.

### **TOLLINS: EXPLOSIVE TALES FOR CHILDREN**

Delacorte Press  
 In 1437, after years of regency, the pious and

gentle Henry VI, the Lamb, comes of age and accedes to the English throne. His poor health and frailty of mind render him a weakling king - Henry depends on his closest men, Spymaster Derry Brewer and William de la Pole, Duke of Suffolk, to run his kingdom. Yet there are those, such as the Plantagenet Richard, Duke of York, who believe England must be led by a strong king if she is to survive. With England's territories in France under threat, and rumours of revolt at home, fears grow that Henry and his advisers will see the country slide into ruin. With a secret deal struck for Henry to marry a young French noblewoman, Margaret of Anjou, those fears become all too real. As storm clouds gather over

England, King Henry and his supporters find themselves besieged abroad and at home. Who, or what can save the kingdom before it is too late?

**The Lion** Michael Joseph  
The new novel in master storyteller Conn Iggulden's bestselling series tells the story of Pericles amid the battlefields of the Peloponnesian War. After the gods, after the myths and legends, came the world of men—and in the front rank stood Pericles. Enter Pericles—the Lion of Athens. Behind him lies the greatest city of the ancient world. Before him stands the ferocious Persian army. Both sides are spoiling for war. But Pericles knows one thing: to fight a war you must first win the peace. It's time for a hero to rise. For his enemies to tremble. And for a city to shine like a beacon . . .

### EMPEROR

Michael Joseph  
A dark, chilling psychological thriller from the number one bestselling author of the Emperor series. Blackwater was published as part of the Quick Reads initiative on World Book Day 2006.  
[The Gates of Athens](#)

HarperTorch  
In the Ancient World, one army was feared above all others. 401 BC. The Persian king Artaxerxes rules an empire stretching from the Aegean to northern India. As many as fifty million people are his subjects. His rule is absolute. The sons of Sparta, those whose fathers and grandfathers fell at Thermopylae and perished in the Peloponnesian Wars, work as mercenaries for Persian princes eager to play the game of thrones. When Cyrus the younger, brother to the Great King, lays claim to his father's crown, he does so with an elite army of Spartans at his side. Yet battles can be won - or lost - with a single blow. Princes fall. And when the dust of civil war settles, the Spartans are left stranded in the heart of an enemy's empire, without support, without food and without water. Far from home, surrounded by foes, it falls to the young soldier Xenophon to lead the survivors against Artaxerxes' legendary Persian warriors. Drawing on one of history's most epic stories of adventure, *The Falcon of Sparta* masterfully depicts the ferocity, heroism, and savage bloodshed that

was the ancient World.  
**The Secret History of the Mongols**  
HarperCollins UK  
The ultimate Rome story  
**Emperor: The Blood of Gods (Special Edition) (Emperor Series, Book 5)** Delta  
Witness the rise of the Tudor dynasty—in this concluding volume to Conn Iggulden's vigorous and commanding retelling of the Wars of the Roses. England, 1470. A divided kingdom cannot stand. King Edward of York has been driven out of England. Queen Elizabeth and her children tremble in sanctuary at Westminster Abbey. The House of Lancaster has won the crown, but York will not go quietly. Desperate to reclaim his throne, Edward lands at Ravenspur with a half-drowned army and his brother Richard at his side. Every hand is against them, every city gate is shut, yet the brothers York go on the attack. But neither sees that their true enemy is Henry Tudor, now grown into a man. As the Red Dragon—"the man of destiny"—his claim to the throne leads to Bosworth Field and a battle that will bring an end to the Wars of the Roses . . .  
*Ravenspur: Rise of the*

*Tudors* Delacorte Press  
 From the co-author of *The Dangerous Book for Boys*, the Khan series is a triumph of historical fiction—a bold, epic account bursting with gritty realism and exhilarating action. Now this eBook bundle assembles the entire series—*Birth of an Empire*, *Lords of the Bow*, *Bones of the Hills*, *Empire of Silver*, and *Conqueror*—sparing no detail, from the Great Khan’s first conquest and the heights of his unprecedented empire, to his brutal ancestral legacy and the rise of Kublai Khan. **GENGHIS: BIRTH OF AN EMPIRE** “Invigorating . . . zesty historical fiction, the kind with plenty of unbridled combat, accurate research, rampaging hordes and believable characters.”—USA Today  
 Genghis Khan was born Temujin, the son of a khan, raised in a clan of hunters and driven by a singular fury: to survive in the face of death, to kill before being killed. Through a series of courageous raids, Temujin’s legend grew until he was chasing a vision: to unite many tribes into one, to make the earth tremble under the hoofbeats of a

thousand warhorses, to subject all nations and empires to his will. **GENGHIS: LORDS OF THE BOW** “Readers who enjoy well-researched tales of historical adventure with an emphasis on political intrigue, exotic settings, and military conflict will enjoy the ride.”—Library Journal  
 For centuries, primitive tribes have warred with one another. Now, under Genghis Khan, they have united as one nation to face the ultimate test: the great, slumbering walled empire of the Chin. In Yenking—modern-day Beijing—the Chin will make their final stand. But Genghis will strike with breathtaking audacity, never ceasing until the emperor himself is forced to kneel. **GENGHIS: BONES OF THE HILLS** “Page-turning . . . a sweeping historical saga [that] will appeal to fans of gritty combat fiction.”—Booklist  
 As Genghis enters a strange new land of towering mountains and arid desert, he stirs an enemy greater than any he has met before. Shah Ala-ud-Din Mohammed has under his command thousands of fierce Arab warriors, teeming cavalry, and terrifying armored elephants. But another

battle is taking shape—between two of Genghis’s feuding sons. Soon the most powerful man in the world must choose a successor, touching off the most bitter conflict of all. **KHAN: EMPIRE OF SILVER** “Epic . . . alpha-male fiction . . . The book has much to teach about a time and a people long shrouded in legend.”—The Wall Street Journal  
 The Great Khan is dead—and his vast empire, forged through raw courage, tactical brilliance, and indomitable force, hangs in the balance. Even as the sons of Genghis Khan maneuver for supremacy, the Khan’s armies extend his reach farther than ever before, into southern China and across the rugged mountains of Russia to the vulnerable heart of Europe, where the most courageous warriors the West commands await the coming onslaught. **CONQUEROR** “A rip-roarin’ read, and inspiration to go and sack a few cities on your own.”—Kirkus  
 Reviews A succession of ruthless leaders have seized power in the wake of the Great Khan’s death—all descendants of Genghis, but none with his indomitable character. It is Kublai—refined and

scholarly, always considered too thoughtful to take power—who will devise new ways of warfare and conquest as he builds the dream city of Xanadu. His gifts will serve him well when an epic civil war breaks out among brothers, the outcome of which will literally change the world. *Stormbird* St. Martin's Press

Rarely, if ever, does a new writer dazzle us with such a vivid imagination and storytelling, flawlessly capturing the essence of a land, a people, a legend. Conn Iggulden is just such a writer, bringing to vivid life one of the most fascinating eras in human history. In a true masterpiece of historical fiction, Iggulden takes us on a breathtaking journey through ancient Rome, sweeping us into a realm of tyrants and slaves, of dark intrigues and seething passions. What emerges is both a grand romantic tale of coming-of-age in the Roman Empire and a vibrant portrait of the early years of a man who would become the most powerful ruler on earth: Julius Caesar. On the lush Italian peninsula, a new empire is taking shape. At its heart is the city of Rome, a place of glory

and decadence, beauty and bloodshed. Against this vivid backdrop, two boys are growing to manhood, dreaming of battles, fame, and glory in service of the mightiest empire the world has ever known. One is the son of a senator, a boy of privilege and ambition to whom much has been given and from whom much is expected. The other is a bastard child, a boy of strength and cunning, whose love for his adoptive family—and his adoptive brother—will be the most powerful force in his life. As young Gaius and Marcus are trained in the art of combat—under the tutelage of one of Rome's most fearsome gladiators—Rome itself is being rocked by the art of treachery and ambition, caught in a tug-of-war as two rival generals, Marius and Sulla, push the empire toward civil war. For Marcus, a bloody campaign in Greece will become a young soldier's proving ground. For Gaius, the equally deadly infighting of the Roman Senate will be the battlefield where he hones his courage and skill. And for both, the love of an extraordinary slave girl will be an honor each will covet but only one will win. The two

friends are forced to walk different paths, and by the time they meet again everything will have changed. Both will have known love, loss, and violence. And the land where they were once innocent will be thrust into the grip of bitter conflict—a conflict that will set Roman against Roman . . . and put their friendship to the ultimate test. Brilliantly interweaving history and adventure, Conn Iggulden conjures a stunning array of contrasts—from the bloody stench of a battlefield to the opulence of the greatest city in history, from the tenderness of a lover to the treachery of an assassin. Superbly rendered, grippingly told, *Emperor, The Gates of Rome* is a work of vaulting imagination from a powerful new voice in historical fiction.

*The Falcon of Sparta*  
Zondervan

This eBook edition features exclusive bonus content, Conn Iggulden's original short story "Fig Tree." One of history's most notorious assassinations sets the stage for a riveting tale of political intrigue, epic battle, and righteous retribution in a new novel of ancient Rome from #1

New York Times bestselling author Conn Iggulden. *THE BLOOD OF GODS* Julius Caesar has been cut down. His blood stains the hands of a cabal of bold conspirators, led by famed general Marcus Brutus—whom Caesar once called a friend. Have these self-proclaimed liberators bravely slain a power-mad tyrant or brutally murdered the beloved Father of Rome? Hailed as heroes by a complicit Senate and granted amnesty, the killers eagerly turn toward plotting the empire's future under their control. But Caesar's death does not rest easily with all of Rome. For two men whose bonds of friendship, family, and fidelity to the emperor are unbreakable, the shocking assassination is nothing less than treason. And those responsible must pay with their lives. Through countless battles and years of peace, Marc Antony has wielded a sword and raised a cup at Caesar's side. Now, in the wake of the cold-blooded coup, he is powerless against the political might of Brutus and his treacherous senators. Yet with no weapons other than eloquence and outrage, Antony will turn

the tide of public opinion and spark a rebellion that will set the streets of Rome ablaze. At the same time, Gaius Octavian, adopted son and chosen heir of Caesar, has gained wealth and influence beyond imagining. But the soul-deep wound of his father's death will never be healed by gold or power. He will rest only with the blood of the killers on his blade. Drawn together by their common cause, Antony and Octavian marshal their forces into an avenging army on a mission to reunite all that Caesar's fall has torn asunder. Even as his cohorts flee for their lives—or fall prey to vigilantes—a defiant Brutus vows never to relinquish what his ruthless ambition has won him. As opposing legions join in mortal combat, the destiny of Rome will turn on which of their commanders is the mightiest and most cunning. Marking the author's triumphant return to the setting of his celebrated Emperor series, *The Blood of Gods* unfolds with unmatched power, electric with the high-adventure storytelling, captivating historical detail, and stirring battle scenes for which Conn Iggulden is

renowned. Praise for Conn Iggulden's Empire series "Dramatic historical fiction to keep adults turning pages like enthralled kids . . . [Iggulden] is a grand storyteller. . . . A spirited, entertaining read."—USA Today "Exhilarating . . . Words like 'brilliant,' 'sumptuous' and 'enchanted' jostle to be used, but scarcely convey the way Iggulden brings the schoolbook tale to life, or the compelling depictions of battle, treachery and everyday detail in a precarious world well lost but vividly re-created."—Los Angeles Times "What Robert Graves did for Claudius, Conn Iggulden now does for the most famous Roman emperor of them all—Julius Caesar."—William Bernhardt, author of *Criminal Intent* "[Iggulden] excels at describing battle scenes both small-scale and epic."—The Seattle Times "Utterly marvelous . . . Solid research and a real knack for character development bring [Julius Caesar] to life in a truly magical, electrifying way."—The Telegram (St. John's, Newfoundland)  
**The Gates of Rome**  
 Michael Joseph  
 The action-packed second

novel in the No. 1 bestselling Conqueror series, bringing to the epic story of Genghis Khan brilliantly to life Emperor Harper Collins The first book in a fiction series about the life of Genghis Khan.

Bones of the Hills (Conqueror, Book 3)

Michael Joseph This critically acclaimed novel takes the reader on a breathtaking journey from the grandeur of Rome to the savagery of its most far-flung provinces, as one of history’s greatest

narratives unfolds. Emperor Dell Publishing Company For lovers of thrilling adventure and grand history, the bestselling co-author of the #1 New York Times bestseller *The Dangerous Book for Boys* has written a magnificent novel with a hero for the ages: the legendary, visionary conqueror Kublai Khan. A succession of ruthless men have seized power in the wake of Genghis Khan’s death—all descendants of the great leader, but none with his indomitable character. One grandson, Guyuk, strains the loyalties of the tribes to the breaking point, and another, Mongke, brutally eliminates the opposition and dispatches his younger brothers Kublai and Hulegu to far-flung territories. Hulegu displays his barbarity with the savage destruction of Baghdad and his clash with the Khan’s age-old enemies, the cult of assassins. But it is Kublai—refined and scholarly, always considered too thoughtful to take power—who will devise new ways of warfare and conquest as he builds the dream city of Xanadu and pursues the ultimate prize: the ancient empire of Sung

China. His gifts will serve him well when an epic civil war breaks out among brothers, the outcome of which will literally change the world. BONUS: This edition includes an excerpt from Conn Iggulden's *The Blood of Gods*. "Conqueror is as real as military fiction gets. Conn Iggulden's story of one of history's most ferocious and brilliant warriors is full of lessons for our warfighters today."—Gunnery Sergeant Jack Coughlin, USMC (ret.), New York Times bestselling author of *Shooter and Kill Zone: A Sniper Novel* "A rollicking, dangerous and often very gory gallop through the largest land empire the world has ever known."—Sunday Express (U.K.) "A thrilling journey, rippingly told . . . Iggulden's most satisfying to date."—The Daily Telegraph (U.K.) [Blackwater HarperCollins UK](#)

After being captured and ransomed by pirates and left to seek revenge on foreign soil, Julius Caesar is reunited with his lifelong friend, Marcus Brutus, to protect the city of Rome from an uprising led by rebel slave Spartacus. *The Khan Series 5-Book Bundle* Delacorte Press From New York Times bestselling Conn Iggulden comes a new novel set in the red-blooded days of Anglo-Saxon England. This is the original game for the English throne. In the year 937, the new king of England, a grandson of Alfred the Great, readies himself to go to war in the north. His dream of a united kingdom of all England will stand or fall on one field—on the passage of a single day. At his side is the priest Dunstan of Glastonbury, full of ambition and wit (perhaps enough to damn his soul). His talents will take him from the villages of Wessex to the royal

court, to the hills of Rome—from exile to exaltation. Through Dunstan's vision, by his guiding hand, England will either come together as one great country or fall back into anarchy and misrule . . . From one of our finest historical writers, *The Abbott's Tale* is an intimate portrait of a priest and performer, a visionary, a traitor and confessor to kings—the man who can change the fate of England. [Emperor](#) Bantam 'Iggulden is in a class of his own when it comes to epic historical fiction' Daily Mirror Conn Iggulden's Wars of the Roses Ebook Bundle contain the following: *Trinity Stormbird* *Bloodline Ravenspur* **PROTECTOR** HarperCollins UK Conn Iggulden's bestselling Emperor series, now in one complete eBook for the first time.
