## ENGLISH-RUSSIAN, RUSSIAN-ENGLISH DICTIONARY

Isaac Perrotta Hays  
 Better understand American English by mastering its phrasal verbs This authoritative reference offers thousands of American English phrasal verbs, two-word verbs, prepositional verbs, and verbs that are used together. Entries include definitions and examples of phrasal verbs used in context. With help from McGraw-Hill's Essential American Phrasal Verbs Dictionary, you will become familiar with English as it is used in the media, at work, around the house, and in everyday conversations. This knowledge will help you comprehend English as it is spoken in

the United States and add variety to your word usage. Inside you will find: 1,800 entries with examples of everyday usage The latest phrasal verbs used in the American lexicon Fun illustrations that show the humor of taking expressions too literally

**Common American Phrases in Everyday Contexts** Random House

A book to help Spanish speakers master the English language, this comprehensive reference contains 1,700 common phrases and colloquial expressions that Americans frequently use in their greetings, goodbyes, and everyday small talk. A Phrase-Finder index makes it easy to find partially remembered phrases using key words.

Easy Spanish Phrase Book NEW EDITION Courier Corporation  
 This book is Volume 1-3 of the very popular series 150 Really Useful English Phrases. Do You Feel Stuck in the Intermediate English Level? Do you want to break out and start improving quickly? Then this is the perfect book to help you move up to the advanced level and start using everyday English fluently. What made me want to write this book? After years of teaching

intermediate students who never seemed to improve I decided to find out what the problem was. Essentially, intermediate students get stuck because learning at this stage is a different type of learning than at the beginner stage. You have mastered the grammar and the basic vocabulary but most textbooks just carry on like nothing has changed. However, what you need at the intermediate stage is not just more dry grammar and lists of vocabulary, but to be exposed to as much 'real' English in as many 'real-life' situations as possible. This will help you start to understand what people are actually saying and not just 'textbook' English. It will also help you to naturally 'get a feel' for the language. Because I couldn't find a book that introduced everyday English phrases in a fun and engaging way I decided to write one myself. How will this book help you? Every new phrase is introduced in the real context of a short story or an article. So by having fun and reading something interesting you will be learning naturally rather than having to force yourself to study. It's a simple fact that if you are having fun you will learn quicker and more easily. This series of books is an excellent way to be exposed to 'real everyday English phrases' but with the guidance of clear explanations and examples in simple English. Basically it uses simple language to introduce more complex phrases so you are eased into a more advanced level. All of the phrases in this book are in common use and are the key to unlocking fluency. I have only included phrases which I have heard recently in conversation or on the radio or television. If it is in this book it is in everyday use. So, if you are sick of being stuck and want to improve in a fun and engaging way, please press the buy button on the top right of this page to get started today.

**Publisher's Note:** Products purchased from Third Party sellers are not guaranteed by the publisher for quality, authenticity, or access to any online entitlements included with the product. Mastering the American Accent is an easy-to-follow approach for reducing the accent of non-native speakers of English. Well-sequenced lessons in the book correspond over eight hours of audio files covering the entire text. The audio program provides clear models (both male and female) to help coach a standard American accent. The program is designed to help users speak Standard American English with clarity, confidence, and accuracy. The many exercises in the book concentrate on topics such as vowel sounds, problematic consonants such as V, W, TH, the American R and T and others. Correct lip and tongue positions for all sounds are discussed in detail. Beyond the production of sounds, the program provides detailed instruction in prosodic elements such as syllable stress, emphasis, intonation, linking words for smoother speech flow, common word contractions, and much more. Additional topics that often confuse ESL students are also discussed and explained. They include distinguishing between casual and formal speech, homophones (e.g., they're and there), recognizing words with silent letters (e.g., comb, receipt), and avoiding embarrassing pronunciation mistakes, such as mixing up "pull" and "pool." Students are familiarized with many irregular English spelling rules and exceptions, and are shown how such irregularities can contribute to pronunciation errors. A native language guide references problematic accent issues for 13 different language backgrounds.

Phrases, idioms, and clichés—why do we say the things we say? *Watch Your Tongue* explores weird and wonderful everyday sayings and what they reveal about us. Do you ever wonder why you shouldn't have a cow but you should seize a bull by its horns? Who has the better reputation in language—cats or dogs? Do you sometimes feel that our speech is all smoke and mirrors or that our expressions simply make no sense? In *Watch Your*

*Tongue*, award-winning author Mark Abley explores the phrases, idioms, and clichés of our everyday language. With wit and subtle wisdom, he unravels the mysteries of these expressions, illuminating the history, tradition and stories behind everything we say. Pulling examples from Shakespeare's plays to sports team names, ancient Rome to Twitter, Abley shares samples and anecdotes of the eccentric ways that we play with, parse, and pattern language. Why do so many companies use fruit for their brand names? What do politicians mean when they say they're going to "drain the swamp"? Why does English use chickens to signify cowardice? Abley dives into the history and psychology behind these examples and countless others, unpacking their significance (and sheer absurdity) to show how our language developed, where it is headed, and what we can learn about ourselves from it. Whimsically illustrated, easily browsable, and full of catchy sidebars, *Watch Your Tongue* celebrates how we amuse ourselves with words and what our sayings reveal about the way we see the world.

[Watch Your Tongue](#) McGraw Hill Professional

Learn more than 3,000 English expressions and speak and understand the language easily As a new speaker of English, you may hear some expressions in your daily conversations that you do not understand--yet. McGraw-Hill's *Conversational American English* will help you learn these expressions, so not only do you know what a person is saying to you, but that you can use the expression yourself! More than 3,000 expressions are organized by theme, so you can find what you are looking for quickly. And each topic is illustrated to further help you understand context. The book features: Common expressions are batched into 350 themes, ranging from general greetings and asking how someone is, to the more specific needs, like showing disbelief, asking someone's intentions, and expressions for a forgotten word or name A comprehensive thematic glossary provides an additional means for the learner to locate expressions by key words and concepts Topics include: Basic Social Encounters, Greetings, Small Talk, Introductions, Ending a Conversation, Good-Byes, Agreeing, Disagreeing Conversational Encounters, Focusing Attention, Launching the Conversation, Making Friends, Complex Matters, Disputes, Discussion and Resolution, Polite Encounters, Prefaces, Communication Barriers

[770 Basic Phrases for Everyday Use](#) Courier Corporation

**Easy Spanish Phrase Book** HarperCollins

These 770 basic phrases cover most everyday situations: transportation; shopping and stores; food; medical and emergency situations; entertainment; and postal, banking, and other services. Includes a phonetic pronunciation guide.

[What Our Everyday Sayings and Idioms Figuratively Mean](#)

McGraw-Hill

Explains the meaning and implication of 400 phrases commonly used throughout the English-speaking world, such as: eager beaver and sour grapes.

## **A DETAILED GUIDE TO REAL-LIFE CONVERSATION AND SMALL TALK**

Simon and Schuster

#1 NEW YORK TIMES BESTSELLER • OPRAH'S BOOK CLUB PICK • NATIONAL BOOK AWARD LONGLIST • "An instant American classic and almost certainly the keynote nonfiction book of the American century thus far."—Dwight Garner, *The New York Times* The Pulitzer Prize-winning, bestselling author of *The Warmth of*

Other Suns examines the unspoken caste system that has shaped America and shows how our lives today are still defined by a hierarchy of human divisions. NAMED THE #1 NONFICTION BOOK OF THE YEAR BY TIME, ONE OF THE TEN BEST BOOKS OF THE YEAR BY People • The Washington Post • Publishers Weekly AND ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • NPR • Bloomberg • Christian Science Monitor • New York Post • The New York Public Library • Fortune • Smithsonian Magazine • Marie Claire • Town & Country • Slate • Library Journal • Kirkus Reviews • LibraryReads • PopMatters Winner of the Los Angeles Times Book Prize • National Book Critics Circle Award Finalist • Dayton Literary Peace Prize Finalist • PEN/John Kenneth Galbraith Award for Nonfiction Finalist • PEN/Jean Stein Book Award Longlist "As we go about our daily lives, caste is the wordless usher in a darkened theater, flashlight cast down in the aisles, guiding us to our assigned seats for a performance. The hierarchy of caste is not about feelings or morality. It is about power—which groups have it and which do not." In this brilliant book, Isabel Wilkerson gives us a masterful portrait of an unseen phenomenon in America as she explores, through an immersive, deeply researched narrative and stories about real people, how America today and throughout its history has been shaped by a hidden caste system, a rigid hierarchy of human rankings. Beyond race, class, or other factors, there is a powerful caste system that influences people's lives and behavior and the nation's fate. Linking the caste systems of America, India, and Nazi Germany, Wilkerson explores eight pillars that underlie caste systems across civilizations, including divine will, bloodlines, stigma, and more. Using riveting stories about people—including Martin Luther King, Jr., baseball's Satchel Paige, a single father and his toddler son, Wilkerson herself, and many others—she shows the ways that the insidious undertow of caste is experienced every day. She documents how the Nazis studied the racial systems in America to plan their out-cast of the Jews; she discusses why the cruel logic of caste requires that there be a bottom rung for those in the middle to measure themselves against; she writes about the surprising health costs of caste, in depression and life expectancy, and the effects of this hierarchy on our culture and politics. Finally, she points forward to ways America can move beyond the artificial and destructive separations of human divisions, toward hope in our common humanity. Beautifully written, original, and revealing, *Caste: The Origins of Our Discontents* is an eye-opening story of people and history, and a reexamination of what lies under the surface of ordinary lives and of American life today.

*The Big Book of American Idioms* Independently Published Here's something new and exciting from NTC, the leading publisher of books for students of English as a second language. Electronic dictionaries on CD-ROM make it easy to look up a word or phrase instantly and have access to thousands of typical American English example sentences. ### COMMON AMERICAN PHRASES IN EVERYDAY CONTEXTS

McGraw Hill Professional

Easy for everyday communication. Short Clear Version for Khmer people who wants to learn English.

### EXPRESIONES NORTEAMERICANAS CORRIENTES

Rowman & Littlefield

Do you feel that it's "like pulling teeth" when you want to learn new sayings? Would you like to be able to discover new American idioms and phrases that will make communication "a piece of cake"? Sure, you can learn English with a language course or a textbook just fine, and climb up the ranks in terms of your grasp of the language... but are you sure you can talk like a native? For starters, many expressions used by fluent speakers of English can't exactly be learned in a book, and it can be frustrating to realize that your formal learning hasn't been enough to teach you the way people talk in real life. Sometimes, it's all about having the right tools at your disposal... and this is where *The Great Book of American Idioms* comes in! Written to act as a powerful addition to your other English-learning resources, this book will allow you to: Discover over 1300 different idioms and sayings, covering hundreds of different subjects Learn the correct definition and usage of each expression, ensuring that you know exactly when you can say them out loud during a conversation Visualize examples of the sayings in common conversations, helping you understand their context Take advantage of important tips we provide you in the introduction and conclusion of the book, so that you can boost your learning and get a much better understanding of the English language. What are you waiting for? Over 1300 idioms and expressions are awaiting you! Don't miss out on learning why this "dark horse" will help you "see the big picture"!

### NTC'S DICTIONARY OF EVERYDAY AMERICAN ENGLISH EXPRESSIONS

Common American Phrases in Everyday Contexts, 3rd Edition #1 NEW YORK TIMES BESTSELLER • NEWBERY MEDAL WINNER • NATIONAL BOOK AWARD WINNER Dig deep in this award-winning, modern classic that will remind readers that adventure is right around the corner--or just under your feet! Stanley Yelnats is under a curse. A curse that began with his no-good-dirty-rotten-pig-stealing-great-great-grandfather and has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys' detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment—and redemption. "A smart jigsaw puzzle of a novel." —New York Times \*Includes a double bonus: an excerpt from *Small Steps*, the follow-up to *Holes*, as well as an excerpt from the New York Times bestseller *Fuzzy Mud*.
