The Collected Works of W.B. Yeats: A vision (1925) Simon and Schuster

The Wild Swans at Coole by William Butler Yeats, first published in 1919, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.

The Original 1925 Version Taylor & Francis

Okonkwo is the greatest warrior alive, famous throughout West Africa. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in Arrow of God and No Longer at Ease.

The Collected Works of W.B. Yeats Vol II: The Plays Simon and Schuster

The Collected Works of W. B. Yeats, Volume II: The Plays is part of a fourteen-volume series under the general editorship of eminent Yeats scholars Richard J. Finneran and George Mills Harper. This complete edition includes virtually all of the Nobel laureate's published work, in authoritative texts and with extensive explanatory notes. The Plays, edited by David R. Clark and Rosalind E. Clark, is the first-ever complete collection of Yeats's plays that honors the order in which the plays first

appeared. It provides the latest and most accurate texts in Yeats's lifetime, as well as extensive editorial notes and emendations. Though best known as one of the most important poets of the twentieth century, from the beginning of his career William Butler Yeats understood the value of his plays and his poetry to be the same. In 1923, when he accepted the Nobel Prize for Literature, Yeats suggested that "perhaps the English committees would never have sent you my name if I had written no plays...if my lyric poetry had not a quality of speech practiced on the stage." Indeed, Yeats's great achievement in poetry should not be allowed to obscure his impressive and innovative accomplishments as a dramatist. In The Plays, David and Rosalind Clark have restored the plays to the final order in which Yeats planned for them to be published. This volume opens with Yeats's introduction for an unpublished Scribner collection and encompasses all of his dramatic work, from The Countess Cathleen to The Death of Cuchulain. The Plays enables readers to see clearly, for the first time, the ways in which Yeats's very different dramatic forms evolved over the course of his life, and to appreciate fully the importance of drama in the oeuvre of this greatest of modern poets.

W.B. YEATS--TWENTIETH-CENTURY MAGUS

CLEMSON University Press

Yeats, Philosophy, and the Occult is a collection of essays examining the thought of the Irish poet W. B. Yeats and particularly his philosophical reading and explorations of older systems of thought, where philosophy, mysticism, and the supernatural blend. It opens with a broad survey of the current state of Yeats scholarship, which also includes an examination of Yeats's poetic practice through a manuscript of the original core of a poem that became a work of philosophical thought and occult lore, "The Phases of the Moon. " The following essay examines an area where spiritualism, eugenic theory, and criminology cross paths in the writings of Cesare Lombroso, and Yeats's response to his work. The third paper considers Yeats's debts to the East, especially Buddhist and Hindu thought, while the fourth looks at his ideas about the dream-state, the nature of reality, and contact with the dead. The fifth essay explores Yeats's understanding of the concept of the Great Year from classical astronomy and philosophy, and its role in the system of his work A

Vision, and the sixth paper studies that work's theory of "contemporaneous periods" affecting each other across history in the light of Oswald Spengler's The Decline of the West. The seventh essay evaluates Yeats's reading of Berkeley and his critics' appreciation (or lack of it) of how he responds to Berkeley's idealism. The book as a whole explores how Yeats's mind and thought relate to his poetry, drama, and prose, and how his reading informs all of them.

"STYLISTIC ARRANGEMENTS"

Open Book Publishers

While working on a facsimile edition and transcription of W. B. Yeats's surviving early manuscripts, renowned Yeats scholar George Bornstein made a thrilling literary discovery: thirty-eight unpublished poems written between the poet's late teens and late twenties. These works span the crucial years during which the poet "remade himself from the unknown and insecure young student Willie Yeats to the more public literary, cultural, and even political figure W. B. Yeats whom we know today." "Here is a poetry marked by a rich, exuberant, awk-ward, soaring sense of potential, bracingly youthful in its promise and its clumsiness, in its moments of startling beauty and irrepressible excess," says Brendan Kennelly. And the Yeats in these pages is already experimenting with those themes with which his readers will become intimate: his stake in Irish nationalism; his profound love for Maud Gonne; his intense fascination with the esoteric and the spiritual. With Bornstein's help, one can trace Yeats's process of self-discovery through constant revision and personal reassessment, as he develops from the innocent and derivative lyricist of the early 1880s to the passionate and original poet/philosopher of the 1890s. Reading-texts of over two dozen of these poems appear here for the first time, together with those previously available only in specialized literary journals or monographs. Bornstein has assembled all thirty-eight under the title Yeats had once planned to give his first volume of collected poems. Under the Moon is essential reading for anyone interested in modern poetry.

W. B. Yeats's A Vision Litres

Yeats’s Mask, Yeats Annual No. 19 is a special issue in this renowned research-level series.

Fashionable in the age of Wilde, the Mask changes shape until it emerges as Mask in the system of

A Vision. Chronologically tracing the concept through Yeats's plays and those poems written as 'texts for exposition' of his occult thought which flowers in A Vision itself (1925 and 1937), the volume also spotlights 'The Mask before The Mask' numerous plays including Cathleen Ni-Houlihan, The King's Threshold, Calvary, The Words upon the Window-pane, A Full Moon in March and The Death of Cuchulain. There are excursions into studies of Yeats's friendship with the Oxford don and cleric, William Force Stead, his radio broadcasts, the Chinese contexts for his writing of 'Lapis Lazuli'. His self-renewal after The Oxford Book of Modern Verse, and the key occult epistolary exchange 'Leo Africanus', edited from MSS by Steve L. Adams and George Mills Harper, is republished from the elusive Yeats Annual No. 1 (1982). The essays are by David Bradshaw, Michael Cade-Stewart, Aisling Carlin, Warwick Gould, Margaret Mills Harper, Pierre Longuenesse, Jerusha McCormack, Neil Mann, Emilie Morin, Elizabeth Müller and Alexandra Poulain, with shorter notes by Philip Bishop and Colin Smythe considering Yeats's quatrain upon remaking himself and the pirate editions of The Land of Heart's Desire. Ten reviews focus on various volumes of the Cornell Yeats MSS Series, his correspondence with George Yeats, and numerous critical studies. Yeats Annual is published by Open Book Publishers in association with the Institute of English Studies, University of London.

KIPLING AND YEATS AT 150

Simon and Schuster

This book evaluates the parallels, divergences, and convergences in the literary legacies of Rudyard Kipling and William Butler Yeats. Coming 150 years after their birth, the volume sheds light on the conversational undercurrents that pull together the often diametrically polar worldviews of these two seminal figures of the English literary canon. Contextualizing their texts to the larger milieu that Kipling and Yeats lived in and contributed to, the book investigates a range of aesthetic and perceptual similarities – from cultures of violence to notions of masculinity, from creative debts to Shakespeare to responses to British imperialism and industrial modernity – to establish the perceptible consonance of their works. Kipling and Yeats are known to have never corresponded, but the chapters collected here show evidence of the influence that their acute awareness of each other's work and thought may have had. Offering fresh perspectives which make Kipling's and Yeats's diverse texts, contexts, and legacies contemporarily relevant, this volume will be of great interest to scholars and researchers of literature, critical theory, postcolonial studies, cultural studies, and comparative literature.

Yeats, Pound, Moore, Stein Penguin

Ann Saddlemyer's biography of W. B. Yeats's wife, George, portrays an extraordinarily talented, intelligent, and self-effacing woman, whose creative influence has never before been fully understood. She was wife and manager of a famous poet, and mother to his children, but in her own right also an inspired visionary and a practical woman of the arts. Georgie Hyde Lees was raised in London's literary salons, where arts, anthroposophy and the occult met. An accomplished linguist, art student and literary scholar, she married W. B. Yeats when she was 25, and he 52. Her supernatural "automatic writing" became the inspiration of Yeats's poetry and thought for the last 20 years of his life, yet she always concealed the depth of their collaboration. Close friend of many writers and poets, among them Frank O'Connor and Ezra Pound, she spent her long widowhood steering the "Yeats industry" and actively assisting younger scholars and writers. For the first time, this intelligent and creative woman is allowed to take center stage. Drawing on memoirs and a wealth of unknown and unpublished sources, this biography by the distinguished scholar Ann Saddlemyer reveals someone much more significant than just "'Mrs. W. B. Yeats"--a personality at once visionary and practical, and an important figure in twentieth-century literary history.

A Vision W.B. Yeats Springer

W.B. Yeats -- Twentieth-Century Magus is a comprehensive study of his magical practices and beliefs. Yeats moved through many different phases of spiritual development, believing that his life was an intellectual, spiritual, and artistic quest -- a quest greatly influenced by Celtic lore, Theosophy, Golden Dawn ceremonial magic, Swedenborg's metaphysics, the works of Jacob Boehme, and Neo-Platonism. For Yeats, writing poetry was an act of divine possession, and he believed that a perfected soul was the source of his inspiration, visiting him during times of superconscious awareness. Susan Johnston Graf meticulously documents and provides evidence that Yeats's poetry is a brilliant, lyric narrative of reality captured through the mind of a practicing magician working in the Western Tradition.

W.B. YEATS'S A VISION AND "THE SECOND COMING" ...

Palgrave Macmillan

A new annotated edition of Yeats's indispensable, lifelong work of philosophy—a meditation on the connections between the imagination, history, and the metaphysical—this volume reveals the poet's greatest thoughts on the occult. First published in 1925, and then substantially revised by the author in 1937, A Vision is a unique work of literary modernism, and revelatory guide to Yeats's own poetry and thinking. Indispensable to an understanding of the poet's late work, and entrancing on its own merit, the book presents the "system" of philosophy, psychology, history, and the life of the soul that Yeats and his wife, George, received and created by means of mediumistic experiments from 1917 through the early 1920s. Yeats obsessively revised the original book that he wrote in 1925, and the 1937 version is the definitive version of what Yeats wanted to say. Now, presented in a scholarly edition for the first time by Yeats scholars Margaret Mills Harper and Catherine E. Paul, the 1937 version of A Vision is an important, essential literary resource and a must-have for all serious readers of Yeats.

W.B. Yeats and Unity of Being Springer

Beautiful early writings by one of the 20th century's greatest poets on the 150th anniversary of his birth A Penguin Classic The poems, prose, and drama gathered in When You Are Old present a fresh portrait of the Nobel Prize-winning writer as a younger man: the 1890s aesthete who dressed as a dandy, collected Irish folklore, dabbled in magic, and wrote heartrending poems for his beloved, the beautiful, elusive Irish revolutionary Maud Gonne. Included here are such celebrated, lyrical poems as "The Lake Isle of Innisfree" and "He Wishes for the Cloths of Heaven," as well as Yeats's imaginative retellings of Irish fairytales—including his first major poem, "The Wanderings of Oisín," based on a Celtic fable—and his critical writings, which offer a fascinating window onto his artistic theories. Through these enchanting works, readers will encounter Yeats as the mystical, lovelorn bard and Irish nationalist popular during his own lifetime. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Volume 3: Sleep and Dream Notebooks, Vision Notebooks 1 and 2, Card File Weiser Books

No thorough comparison has been made of the systems of the two versions of A Vision and, until quite recently, almost no consideration has been given to the fiction and introductory essays. The purpose of this study is to trace the evolution of A Vision and to attempt a re-evaluation of it as a work of art.

W.B. Yeats: The arch-poet, 1915-1939 Springer

W. B. Yeats's A Vision is notoriously dense. This book provides an authoritative, clear and straightforward guide to the system of A Vision, the framework within which he created many of his most important works.

Yeats, The Man And The Masks Open Book Publishers

The Collected Works of W. B. Yeats, Volume XIII: A Vision is part of a fourteen-volume series under the general editorship of eminent Yeats scholar George Bornstein and formerly the late Richard J. Finneran and George Mills Harper. One of the strangest works of literary modernism, A Vision is Yeats's greatest occult work. Edited by Yeats scholars Catherine E. Paul and Margaret Mills Harper, the volume presents the "system" of philosophy, psychology, history, and the life of the soul that Yeats and his wife George (née Hyde Lees) received and created by means of mediumistic experiments from 1917 through the early 1920s. Yeats obsessively revised the book, and the revised 1937 version is much more widely available than its predecessor. The original 1925 version of A Vision, poetic, unpolished, masked in fiction, and close to the excitement of the automatic writing that the Yeatses believed to be its supernatural origin, is presented here in a scholarly edition for the first time. The text, minimally corrected to retain the sense of the original, is extensively annotated, with particular attention paid to the relationship between the published book and its complex genetic materials. Indispensable to an understanding of the poet's late work and entrancing on its own merit, A Vision aims to be, all at once, a work of theoretical history, an esoteric philosophy, an aesthetic symbology, a psychological schema, and a sacred book. It is as difficult as it is essential reading for any student of Yeats.
