What caused a former Dallas Seminary professor to believe that the miraculous gifts of the Holy Spirit are being given today? What convinced someone skeptical about miracles that God still speaks and heals? A dramatic

change took place in Jack Deere's life when he took a fresh look at the Scriptures. He discovered that his cherished arguments against miraculous gifts were based more on prejudice and a lack of personal experience than on the Bible. As soon as Deere became a seeker instead of a skeptic, the Holy Spirit revealed himself in new and surprising ways. In *Surprised by the Power of the Spirit*, Jack Deere provides a strong biblical defense for the Spirit's speaking and healing ministries today. He also describes several reliable cases of people who were miraculously healed or who heard God speak in an unmistakable way. Finally, he gives sound advice for using spiritual gifts in the

church. Written in popular style-with the care of a scholar but the passion of personal experience-this book is a vital resource for people on both sides of the debate about miraculous gifts.

 It is Dr. Catherine Braswells opinion that in our daily walk as a Christian, reading, studying, and learning the Word of God (Bible) is very important. But over the course of years, I have noticed that as Christians, it is very hard for many of us to take what we have learned and walk it out from day to day. We can read the Bible and tell others what we have read, but very few of us can actually take the words of the scripture and apply them to daily crisis. For this reason, I would like to introduce you to a guide that will teach you how to walk daily in the Word of God! This is a book of fifty-two weeks of biblical principles with weekly applications to help the reader or Christian

practice as you go through life challenges. It will teach you how to face life challenges without losing or compromising your integrity. As you apply these principles, you should be able to see growth and maturity in life and learn how to trust God in every area and situation that you may encounter in this life.

 God has provided a way for all people, not just scholars, to know that the Bible is the Word of God. John Piper has devoted his life to showing us that the glory of God is object of the soul's happiness. Now, his burden in this book is to demonstrate that this same glory is the ground of the mind's certainty. God's peculiar glory shines through his Word. The Spirit of God enlightens the eyes of our hearts. And in one self-authenticating sight, our minds are sure and our hearts are satisfied. Justified certainty and solid joy meet in the peculiar glory of God.

When the world says, "Let your emotions lead you," we as Christ-followers must find a different course, navigating through the minor whirlpools, unpredictable winds, and sometimes ferocious hurricanes. Christ's words and actions guide our ships into deeper waters and beyond to the other shore. This book explores scriptural anchoring points, personality influence, and past experiences to give us a new vision of the weighted tension between letting loose with our feelings or cinching up and ignoring them altogether. As human beings, we are created with emotional dimension, and within

Christ, we are called to surrender these feelings, using them in a healthy and biblical way.

 It's the most important question we can ask: Who is God? The wrong answer could spell our doom, but God has clearly revealed Himself and His majesty in His Word. Just as Moses asked the Lord on the summit of Sinai, we can approach God's Word with the ultimate request: "Show me Your glory." In *Show Me Your Glory: Understanding the Majestic Splendor of God*, Dr. Steven Lawson takes us to the mountaintop of divine revelation by distilling the Bible's teaching about God Himself. Each chapter delves into the depths of

God's awesome attributes, teaching that a deeper knowledge of our Creator can lead us into intimate fellowship with and reverent worship of the One who made us for Himself. He Wrapped My Pain in His Glory Createspace Independent Publishing Platform

It is shame that the modern world have lost the edge when it comes to the power of prayer. Prayer is so powerful that in the hand of a righteous person, that a man like us named Elijah prayed earnestly that is will not rain and it did not rain for three and half year. And to show how effective prayer can be, he prayed again and the havens gave

rain. The bible shows us time and time again how the less powerful have used prayer to conquer their adversaries. Our Lord and savior, Jesus Christ told us Mathew 17:20, "I tell you the truth, if you have faith as small as a mustard seed, you can say to this mountain, 'Move from here to there' and it will move. Nothing will be impossible for you. Why will Jesus give us such an assurance? It is because, the weapon we fight with are not the weapons of the sinful world, we the children of God use divine power of God to tear down the strong hold of the evil one. So we must continue to pray even when you think your answers are not coming as quickly as you wanted. Remember when

Martha and Mary send a message to Jesus that Lazarus is sick," his sisters sent unto him, saying, Lord, behold, he whom thou lovest is sick" even though the answer took two days to get to the sisters. The most important thing is that Jesus was called and that is when action was put in process and they did not put their request on the righteousness of Lazarus or his status in the ministry or how hard he works or even what he has given to the Church. The appeal was based on the love of Jesus Christ. "The one whom you love is sick," that is our clue; we must always focus our prayers on the love of God. We also have the confidence that God will answer our prayers if they are in

agreement with His will. So I know that anything I ask that is according to His will will be answered no matter how sinful the person praying may be. Even though we don't always get yes, but His answer are always in our best interest. And we don't have to follow any secret incantation before praying or offer some unnecessary repetition while praying. And the eloquence of our prayer will not make God answer our prayer. That is why in Matthew 6:7-8, Jesus rebukes those who pray using repetitions, "And when you pray, do not keep on babbling like pagans, for they think they will be heard because of their many words. Do not be like them, for your Father knows what you need

before you ask him." "The Word of God is full of accounts describing the power of prayer in various situations. The power of prayer has overcome enemies (Psalm 6:9-10), conquered death (2 Kings 4:3-36), brought healing (James 5:14-15), and defeated demons (Mark 9:29). God, through prayer, opens eyes, changes hearts, heals wounds, and grants wisdom (James 1:5). The power of prayer should never be underestimated because it draws on the glory and might of the infinitely powerful God of the universe! Daniel 4:35 proclaims, "All the peoples of the earth are regarded as nothing. He does as he pleases with the powers of heaven and the peoples of the earth. No one can hold

back his hand or say to him: 'What have you done?'" So pray and God who loves you first will answer your prayers.
