The Key to Prophetic Revelation
Canongate Books
In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by

Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life, and the definition and practice of the church. In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development, and

expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people; the second principle is that we should interpret, develop, and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life, and the church. No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does.

Daniel's Visions and the Believer's Hope
TEACH Services, Inc.

The first in a new Bible study series from Verse By Verse Ministry International (vbvmi.org). This 12-week VBVM Group

Study on End Times features thought-provoking teaching of core biblical concepts in prophecy. The workbook prepares both individual students and small groups for a deeper study of eschatology by examining key ideas and highlights from the book of Revelation, Daniel and other scripture. Students will gain a foundational understanding of God's plan for Israel, the Church and the end of the age. The VBVM Group Study series is designed to suit the needs of students new to a study of end times while still offering a challenge to experienced Bible students. Each lesson in this study includes a video available to stream for free over the internet. The videos feature the teaching of Stephen Armstrong, acclaimed for his unique and gifted approach to explaining the Bible.

The 12 videos are available for viewing or download for free at:
<http://www.vbvmiendtimesstudy.org>. A printable PDF copy of the workbook may also be downloaded for free.
Corporate Responsibility in the Hebrew Bible Carroll & Graf Publishers
The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.
[Antiquities of the Jews](#) Hermeneia: A Critical & Histor
Do you know the Most Amazing Passage in the entire Bible? In this study of Daniel's 70 Weeks, you will discover this

amazing prophecy in the Old Testament predicted the very day that Jesus presented Himself as the Meschiach Nagid, the Messiah the King, to Jerusalem. The Seventy Week Prophecy of Daniel 9 includes the most incredible validation of Jesus Christ as the Messiah, which He held them accountable to have known. In a confidential briefing to His disciples, Jesus also highlights this passage as the key to understanding all other prophecies concerning His return. It is essential to understanding the Book of Revelation and other related passages.
Daniel A&C Black
Disciples need to study Daniel afresh. The Book of Daniel is both familiar and mysterious. You find the stories of the Hebrew children in the fiery furnace, Daniel in the Lions' Den, and the

Handwriting on the Wall. But the book also contains visions of beasts and horns and kings that predict the future from Daniel's time all the way to the Second Coming of Christ. Daniel is foundational to the New Testament for three reasons:

1. The "Son of Man" that Jesus takes as his own title, is drawn directly from Daniel 7:13-14. As you understand Daniel's prophecy, you begin to comprehend Jesus' origins, authority, self-understanding, and mission.
2. Kingdom of God. The coming of the all-encompassing Kingdom of God has strong roots in Daniel's visions. This Kingdom is at the very core of Jesus' teaching.
3. Daniel's eschatology, his visions of the End Time, are echoed in the predictions of Jesus himself, of Paul the Apostle, and in the Book of

Revelation. We'll look at the Book of Daniel in the light of New Testament revelation. However, the author says, "I don't have Daniel's visions of the Last Days all figured out, and I am leery of those who seem to be able to fit everything together perfectly." Daniel is like a jigsaw puzzle with some pieces missing. Though the main outlines are clear, some details can't be discerned at present. The task of this book is to help you understand what Daniel does teach, pros and cons of various interpretations of the key prophecies, to let you know where the author comes out and why, and to give you some sense of a level of certainty. This book is intended for study as well as instruction, presented in nine lessons. Each chapter concludes with a summary of lessons for disciples to

ponder. Helpful thought and discussion questions make it useful for personal enrichment and by small groups and classes. Extensive research contained in the footnotes makes it a goldmine for teachers and a boon to preachers involved in sermon preparation.

Daniel Xulon Press

Here is an excellent and up-to-date commentary on Daniel that can be unreservedly commended. There is a good, though brief, introduction, in which especial attention is paid to the discussion of the literary affinities of Daniel. The original translation takes account of all relevant recent work, while the commentary is full and first class. The author has read and digested a considerable amount of modern literature on Daniel and brought to it his

own careful and balanced judgement. His critical positions are rarely new, but in the reviewer's opinion they are sound - and sound judgement is better than novelty! On many of the problems of the book an incredible amount has been written, expressing an enormous variety of opinions. Professor Porteous is not concerned with the history of interpretation, and contents himself with a brief treatment of such questions, presenting his own considered view or suspending judgement where a decision between competing views cannot be made with confidence ... More important than all such matters is the religious and theological value of the book, and it is his attention to this that gives Professor Porteous's commentary its special quality, and makes it a notable addition

to the series for which it has been written' (Society for Old Testament Study Book List).

Daniel David C Cook

This is the extended and annotated edition including * an extensive biographical annotation about the author and his life Calvin produced commentaries on most of the books of the Bible. His commentaries cover the larger part of the Old Testament, and all of the new excepting Second and Third John and the Apocalypse. His commentaries and lectures stand in the front rank of Biblical interpretation. THE PROPHECIES OF DANIEL are among the most remarkable Predictions of THE ELDER COVENANT. They are not confined within either a limited time or a contracted space. They relate to the

destinies of mighty Empires, and stretch forward into eras still hidden in the bosom of the future. The period of their delivery was a remarkable one in the history of our race. The Assyrian hero had long ago swept away the Ten Tribes from the land of their fathers, and he in his turn had bowed his head in death, leaving magnificent memorials of his greatness in colossal palaces and gigantic sculptures. The Son of the renowned SARDANAPALUS, the worshipper of ASSARAC and BELTIS, had already inscribed his name and exploits on those swarthy obelisks and enormous bulls which have lately risen from the grave of centuries. The glory of NINEVEAH, passed away, to be restored again in these our days by the marvelous excavations at KOYUNJIK,

KHORABAD, and NIMROUD. Another capital had arisen on the banks of the Euphrates, destined to surpass the ancient splendor of its ruined predecessor on the banks of the Tigris. The worshipper of the eagle-headed NISROCH — a mighty leader of the Chaldean hordes — had arisen, and gathering his armies from their mountain homes, had made the palaces and halls of NINEVE a desert, had marched southwards against the reigning PHARAOH of Egypt — had encountered him at CARCHEMISH — hurried on to THE HOLY CITY, and carried away with him to his favorite capital the rebellious people of the Lord. Among them was a captive of no ordinary note. He was at that time a child, yet he lived to see this descendant of the hardy Chasdim grow

great in power and fame — to hear the tale of the fall of TYRE, and “the daughter of the ZIDONIANS,” and of the triumph over PHARAOH HOPHRA, whom modern researches have discovered in the twenty-sixth dynasty of Egypt’s kings. At length the haughty conqueror returns, and dreams mysteriously. This forgotten prisoner becomes the only interpreter of wondrous visions of Empires about to arise and spread over distant centuries. The dreamer is at length gathered to his fathers, yet the interpreter lives on through the reign of the grandson, and explains a mysterious writing on the palace wall, amidst revelry which ends in the city’s overthrow. Cryus and his Persians, Darius and his Medes rise rapidly to power, and the Prophet rises with them

— till envy throws the aged Seer into a lion's den. But he perishes not till he has seen visions of the "future history of mankind. The triumphs of Pitasia and MACEDON are revealed — the division of ALEXANDER'S Empire — the wars of his successors — the wide-spread dominion of ROME — the overthrow of the Sacred Sanctuary by Titus — and THE COMING OF MESSIAH to regenerate and to rule the world when the seventy weeks were accomplished. This book covers Calvin's commentaries on Daniel 1 - 6.

Foundations for Expository Sermons

Paulist Press

Born the son of a clergyman on October 18, 1662, Matthew Henry was ordained into the British Presbyterian Church where he held the pastorate in Chester from 1687 to 1712. He was widowed,

married again and had 10 children, three whom died in infancy. Henry died in 1714. Henry began work on his commentary as "Notes On The New Testament" in 1704 and the monumental work was completed shortly before his death in 1714. Remembered as a caring pastor, a passionate lover of the Word of God, and a man of great personal integrity, Matthew Henry has left his mark on the hearts of countless Christians who seek a deeper understanding of the riches that Scripture contains. This edition of Matthew Henry's Commentary on the Whole Bible uses the King James text and is abridged from the original six volumes while faithfully retaining all of the vibrant themes of that classic work. Everything here is in Matthew Henry's

own words and nothing relevant to today's reader has been omitted. *Kids Talk about God* Moody Pub He was one of the most popular lay preachers and Christian apologists of his day: Sir Robert Anderson devoutly believed that the Bible was the inerrant word of God, and in this popular 1881 book-a companion to his *Daniel in the Critics' Den*-he mounts a defense of the prophetic Old Testament Book of Daniel, an early example of apocalyptic philosophy in Christianity. Students of the Bible will appreciate this historically valuable attempt to set straight the many controversies surrounding Daniel regarding its authorship and even the date of its writing. And anyone interested in the apocalyptic fervor of modern-day fundamentalist Christianity

will find this an instructive and enlightening read. While at Scotland Yard, Irish police official and religious scholar SIR ROBERT ANDERSON (1841-1918) helped investigate the Jack the Ripper murders, but he is best remembered for his works of Bible study, including *Forgotten Truths* and *The Silence of God*.

Dr. Zdravko Stefanovic lets the Bible explain itself. This is the only way the book of Daniel can be clearly understood. Its life-changing message will leave you not just astonished but completely transformed by an awesome God who speaks even today through the book of Daniel.

Daniel Moody Publishers

This volume goes beyond a mere presentation of the author's interpretation of Old Testament prophecy. It quotes Bible scholars from

different corners of the theological ring to help the reader discover the meaning of Scripture of himself.

Daniel Wm. B. Eerdmans Publishing

One objective of this book is to set forth the genuineness or authenticity of the Book of Daniel. This volume is composed of twenty-five in-depth studies designed to strengthen and encourage Christians in their daily walk with God and with one another. Chapters 1-3 draw attention to Daniel and the three Hebrew children concerning their complete devotion to God. Chapters 4-6 focus on God's activity in revealing dreams to Nebuchadnezzar and the three Hebrew children's refusal to compromise their dedication to God. Chapters 7-9 deal with God's sovereignty. Chapters 10 through 14 examine the various stages

of the four world empires. Chapter 15 discusses Daniel's Prayer for his people. Chapter 17 scrutinizes the seventy weeks of Daniel 9:24-27. Chapters 18-19 draw attention to salvation through Jesus. The remaining chapters (20-25) investigate the final visions disclosed to Daniel. Chapter 24 gives an analysis of the Second Coming of Christ in judgment against apostate Israel in 12:7. Chapter 25 provides special attention to the resurrection of Daniel 12:2. Dallas Burdette has been a serious student, teacher and preacher of the Bible for sixty-five years, supporting himself for many years as an agent for AFLAC. He has written numerous articles for religious journals, as well as many essays and sermons which are available on his website

(www.freedominchrist.net). He has developed a keen interest in promoting unity among God's people through a more accurate reading of the Word. He has degrees from Amridge University (formerly Southern Christian University) where he also was Director of Extended Learning for five years. He holds the Doctor of Ministry degree (1999) from Erskine Theological Seminary.

THRIVING IN BABYLON

Whitaker House

Kids really do say the darndest things. And in this humorous book by Carey Kinsolving and friends, the reader will be amused and sometimes amazed at the whimsical yet wise ways that children view God. With material taken from Kinsolving's weekly syndicated column,

Kids Talk About God is a delightful collection of children's answers to questions like: How can God be everywhere at one time? What do angels look like? Who made God? Why do we die?

[Commentary on the Whole Bible](#) Parsons Church Group

The Anchor Bible series offers new, book-by-book translations of the Old and New Testament and the Apocrypha, with commentary. This volume on the Book of Daniel has been prepared by two distinguished biblical scholars from the faculty of the Catholic University of America: Alexander A. Di Lella, Professor of Old Testament, and the late Louis F. Hartman, Professor of Semitic Languages. The Book of Daniel was written as resistance literature, to

strengthen and console loyal Jews of the second century B.C. who had to endure religious, economic, and social oppression at the hands of Antiochus I. The inspiring stories in which Daniel and his companions Shadrach, Meshach and Abednego survive the ordeals of the lions' den and the fiery furnace dramatize for believers of all time the ultimate test of faith--the willingness to risk one's life for one's beliefs. The Book of Daniel also includes the famous incident of the handwriting on the wall and recounts the four vivid dream-visions or apocalypses which, through symbols and signs, offered interpretations of history and predictions of future deliverance. Louis F. Hartman and Alexander A. Di Lella have revealed the profound religious and human

dimensions of the Daniel stories. They present Daniel as a colorful and dramatic hero unique in biblical literature--an enduring symbol of hope and salvation for all men and women of faith who must suffer for their beliefs.

End Times Jazzybee Verlag

More than moral lessons or a prophetic timetable, this commentary explores both the familiar and unfamiliar in its study of Daniel--and ultimately points us to Christ.

A Commentary Thomas Nelson

The Book of Daniel is a prophecy given by God to Daniel 600 years before Christ that reaches clear down to the end of earth's history. It is especially applicable to our day, pointing out the immediate future. In The Story of Daniel the Prophet, a few of the interesting facts in

regard to God's dealings with His people have been gathered into a simple narrative. This book is the result of much prayerful study. It is sent forth with an earnest prayer, that in the hands of the parents it may be the means of making the study of the Bible in the family a blessing to young and old; and that the teacher in the schoolroom may see precious rays of light flashing from its pages, pointing both teacher and pupil to the Great Divine Teacher. We trust that while its simplicity will attract many who might not be inclined to read a deep argumentative treatise, the most studious will find food for thought, and thus become better acquainted with the character of our Heavenly Father. Those who wish to enter into more comprehensive study, will find that the

marginal references open up many veins of precious ore in the deep mines of God's Word. Throughout the entire book the special providence of God over those who are faithful to Him is brought out in clear contrast to the fate of those who ignore His guiding hand. The truth is the same, whether in the history of nations or individuals. As *The Story of Daniel the Prophet* goes forth on its mission of love for the Great Master, may it prove a blessing to all classes, young and old, rich and poor, learned and unlearned.

A COLLECTION OF CRITICAL ESSAYS

MennoMedia, Inc.

Each chapter is summed up in its contents, each paragraph reduced to its proper heads, the sense given, and largely illustrated with practical remarks

and observations.
