### PSALMS FOR BEGINNERS

#### Generations with Vision

The book of Psalms powerfully resonates with the whole spectrum of human emotions and experiences, resounding with heartfelt praise, humble confession, and honest lament. Plumbing the theological depths, this guide explains the biblical text with clarity and passion—exploring the Bible's ability to transform our emotions and incline our hearts toward worship. Over the course of 12 weeks, each study in this series explores a book of the Bible and: Asks thoughtful questions to spur discussion Shows how each passage unveils the gospel Ties the text in with the whole story of Scripture Illuminates the doctrines taught in each passage Invites you to discover practical implications Helps you better understand and apply God's Word [Reconsidering the Transmission and Canonization of Psalmody in Light of Material Culture and the Poetics of Anthologies](#) Mohr Siebeck

When we face trouble, feel joy, or just want spiritual inspiration, the Bible's Book of Psalms gives us wisdom and comfort. Rev. J.W. Gregg Meister shows us in *The Psalms: The Prayer Book of Jesus* that Jesus Himself turned to the psalms for strength and guidance while He walked on earth. Meister's fresh reflections open up the Book of Psalms for contemporary readers with helpful strategies for praying the psalms with Christian resolve. Grounded in his rich experiences as Presbyterian pastor, entrepreneur, and mission-minded videographer in Latin America and Israel, Meister offers valuable insights into the context, content, and claim of selected psalms. Written with clarity and compassion, Meister's perceptive meditations on these psalms manage the rare combination of

deepening both understanding and faith.

**II Thessalonians Through Revelation** MacArthur Bible Studies This book will examine the different types of psalms as well as the various literary devices used by the authors of the psalms. *The Cry of the Soul* Harper Collins By conceptualizing the 'Book' of Psalms as an anthology, and by inquiring into its poetics by means of paratextuality, David Willgren provides a fresh reconstruction of its formation and concludes that it preserves a selection of psalms that is best seen not as a book of psalms, but as a canon of psalms. - back of book. *Reflections on the Psalms* Thomas Nelson A user-friendly guide to the study and interpretation of the Psalms.

**NIV, Value Outreach Bible, Paperback** B&H Publishing Group The Psalms possess an enduring fascination for us. For frankness, directness, intensity and intimacy, they are unrivaled in all of Scripture. Somehow the psalmists seem to have anticipated all our awe, desires and frustrations. No wonder Christians have used the Psalms in worship from the earliest times to the present. Yet the Psalms cause us difficulties when we look at them closely. Their poetry is unfamiliar in form. Many images they use are foreign to us today. And the psalmists sometimes express thoughts that seem unworthy of Scripture. Tremper Longman gives us the kind of help we need to overcome the distance between the psalmists' world and ours. He explains the various kinds of psalms, the way they were used in Hebrew worship and their relationship to the rest of the Old Testament. Then he looks at how Christians can appropriate their message and insights today. Turning to the art of Old Testament poetry, he explains the use of parallelism and imagery. Step-by-step suggestions for interpreting the psalms on our own are followed by exercises for further study and reflection. Also included is a helpful guide to commentaries on the Psalms. Here is a book for all those who long to better understand these mirrors of the soul.

**Discovering Jesus in the Old Testament** Harvest House Publishers

The Psalms were written as songs and should be read more in the spirit of lyric poetry than as doctrinal treatises or sermons. C.S. Lewis then shares, with his characteristic grace and lucidity, reflections on both the form and the meaning of select passages. *Psalms (Understanding the Bible Commentary Series)* Thomas Nelson

"Lord, teach us to pray." The book of Psalms is an answer to that prayer, leading those who study it into new emotional depth in their prayer and their daily lives. Your prayers will be enriched and you will acquire a richer revelation of the God who invites you into a lifelong conversation. • Personal study between meetings • 10 sessions • Includes resource recommendations and a "How to Use This Study" section

*Praise Seeking Understanding* Wipf and Stock Publishers

Tony Evans is one of the most influential church leaders of our time and has been studying and preaching the Gospel for over 50 years. He is senior pastor of Oak Cliff Bible Fellowship in Dallas, TX and founder of The Urban Alternative, a ministry which promotes a kingdom agenda philosophy designed to enable people to live all of life underneath the comprehensive rule of God. The Tony Evans Bible Commentary includes an introduction to each Bible book followed by passage-by-passage exposition of the entire Bible by Dr. Tony Evans. In addition, there is a special

front matter section with introductory resources. The insights in this commentary will help explain God's Word in a fresh way. Applying these truths will empower readers to have transformed lives that then transfer the values of the kingdom of God to others. The Tony Evans Bible Commentary features the highly readable, highly reliable text of the Christian Standard Bible® (CSB). The CSB stays as literal as possible to the Bible's original meaning without sacrificing clarity, making it easier to engage with Scripture's life-changing message and to share it with others.

### THE BOOK OF PSALMS IN PLAIN ENGLISH

Sheffield Academic Press

*Psalms for Beginners*BibleTalk Books

*Encountering the Book of Psalms* Xulon Press

*The Psalms: Language for All Seasons of the Soul* brings together essays from eighteen Old Testament scholars discussing the latest in Psalms scholarship and applying exegetical insights to the life of faith. These essays explore the full range of emotion expressed in the Psalms—from elation to distress—while weaving together observations from biblical scholarship and theology. The reader will gain valuable insights into how the Psalms speak to his or her soul. The book is divided into five sections that: Give an overview of Psalms studies in the 21st century Discuss psalms of praise Explore psalms of lament Look at the big picture of the Psalter as a book Present sermons on the Psalms that are models of evangelical engagement with the text. A Select Bibliography for Psalms Study is included at the end of the book.

**The Heart of the Word** InterVarsity Press

'The Lord is my shepherd, I shall not want.' 'Thy word is a lamp to my feet.' 'Search me, O God, and know my heart!' Such phrases leap to mind whenever Christians lift their hearts to God. For many, in fact, the Psalms are the richest part of the Old Testament. Derek Kidner provides a fresh and penetrating guide to Psalms 73—150. He analyzes each psalm in depth, comments on interpretative questions and brings out the universal relevance of the texts. He also gives special help on the psalmists' cries for vengeance. Together with its companion volume (*Psalms 1—72*), both of which were formerly part of the Tyndale Old Testament Commentaries series, this introduction and commentary will inspire and deepen personal worship.

*An Exegetical Handbook* Worthy Books

Many of the Psalms use such vivid and timeless imagery that they express as clearly today as they did centuries ago the feelings of the person seeking God. But other psalms are more difficult to understand -- either the terms no longer relate to life or the whole spirit seems alien to modern life. This book will help you to make sense of these psalms as you see how they were used in Hebrew worship. The author relates the psalms to the rituals described in other parts of the Old Testament, so that both ritual and psalm take on meaning today. Several psalms are analyzed in detail as examples of the various kinds of Psalms in the Bible.

### THE PRAYER BOOK OF THE BIBLE

W. W. Norton & Company

Do others look to you for leadership? Do you face a major task or shoulder heavy responsibilities? Do you want to take your leadership skills to a higher level? When Nehemiah confronted the task of rebuilding Jerusalem's wall, he was heartbroken by the damage he saw and nearly overwhelmed by the task that lay

before him. Yet through the application of timeless leadership principles, Nehemiah completed this nearly impossible project, and laid a pattern for success which is just as valid for us today. Charles Swindoll brings his sensible and straightforward style to offer a deeply spiritual approach to the role of leader. Whatever the context, secular or ministerial, he demonstrates how to size up a task, organize and motivate a team, and respond to inevitable obstacles such as these: Unforeseen setbacks  
Unrelenting deadlines  
Criticism and outside resistance  
Personality conflicts  
Financial pressures and temptations  
The insights that Swindoll draws from Nehemiah's wise administration will change your approach to leadership forever.

*A Creative Devotional Study Experience* Houghton Mifflin Harcourt  
This all-new update to the MacArthur Bible Study Series continues Dr. John MacArthur's examination of the whole of Scripture, focusing on key chapters and passages of Scripture from the Old Testament.

### A 12-WEEK STUDY

Baker Academic

One of the most important contributions to our understanding of the psalms, *The Psalms in Israel's Worship* by Sigmund Mowinckel has largely provided the framework and suppositions of modern Psalms study. Fully revised from the original Norwegian edition and now featuring a substantial new foreword by James Crenshaw, this classic work (two volumes in one) argues that the psalms originated in actual temple worship and were used regularly to add drama to Israel's adoration of Yahweh. Throughout this fascinating work, Mowinckel carefully explores the relationship of the various psalm types to the congregation's devotional life, including hymns of praise from Israel's national festivals, psalms of lamentation and penitence, and personal or private psalms of thanksgiving. Other topics include the psalms' relationship to prophecy and wisdom, their composition and collection, their style and performance, and the technical

terminology involved in Psalms study.

*Psalms* Westminster John Knox Press

This valuable resource introduces readers to the Old Testament books of wisdom and poetry--Job, Psalms, Proverbs, Ecclesiastes, and Song of Songs--and helps them better understand each book's overall flow. Estes summarizes some of each book's key issues, offers an exposition of the book that interacts with major commentaries and recent studies, and concludes with an extensive bibliography. Now in paperback.

**Interpreting the Psalms** Baker Books

Craig Broyles examines the Psalms as a diverse collection of poems whose main roots are in Jerusalem's worship services. Both in the past and in the present, they provide dynamic liturgies through which the worshipper encounters God--often with vigorous dialogue--and finds meaning for life. Broyles makes the best of contemporary scholarship on the Psalms accessible to both general readers and serious students.
