Connect Level 4 Workbook Cambridge University Press

Connect, First Edition, is a fun, 4-level, multi-skills American English course especially written and designed for young adolescents. Connect Student's Book 3 is an intermediate-level text for students aged 11-15 who are learning English for the first time. It develops speaking, listening, reading, and writing skills. Tasks provide opportunities for students to share their experiences. High-interest topics motivate them to learn. Student's Book 3 contains eight units divided into two-page lessons. Also included are eight Learning Logs or self-assessment tests and eight Theme Projects.

ENGLISH FOR ACADEMIC PURPOSES

Cambridge University Press

Work with students at all levels to help them read novels *Whole Novels* is a practical, field-tested guide to implementing a student-centered literature program that promotes critical thinking and literary understanding through the study of novels with middle school students. Rather than using novels simply to teach basic literacy skills and comprehension strategies, *Whole Novels* approaches literature as art. The book is fully aligned with the Common Core ELA Standards and offers tips for implementing whole novels in various contexts, including suggestions for teachers interested in trying out small steps in their classrooms first. Includes a powerful method for teaching literature, writing, and critical thinking to middle school students Shows how to use the *Whole Novels* approach in conjunction with other programs Includes video clips of the author using the techniques in

her own classroom This resource will help teachers work with students of varying abilities in reading whole novels.

The World Book Encyclopedia

Cambridge University Press

The Path to English series adopts a comprehensive and exhaustive approach to teaching and learning of English. It includes interesting activities to stimulate learner's interest, mental capacity and imagination. Detachable flash cards are given for recognition of the English alphabet and phonetic sounds

CONNECT LEVEL 1 WORKBOOK

Cambridge University Press

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

A Handbook Pascal Press

Based on extensive research, *Grammar and Beyond* ensures that students study accurate information about grammar and apply it in their own speech and writing. This is the first half of Student's Book, Level 2. The Student's Book is the main component of *Grammar and Beyond*. In each unit, students study the grammar in a realistic text and through

charts and notes informed by a billion-word corpus of authentic language. The exercises provide practice in reading, writing, listening, and speaking, making this a complete course. Students learn to avoid common mistakes, based on an extensive corpus of learner language. Each unit concludes with a Grammar for Writing section, in which students apply the grammar in an extended writing task.

CONNECT strives to build students' confidence by showing them that many of the skills needed to become stronger readers are skills they already possess and use on a daily basis. Using popular media as a springboard, Dole and Taggart show students how thinking skills used while watching television or movies can easily transfer to reading. CONNECT's comprehensive approach includes extensive vocabulary coverage, critical thinking practice throughout, and textbook readings in every chapter to help students master college reading. The second edition includes a full chapter on inferences, enhanced coverage of main idea, and guides for specialized reading situations such as reading visuals, novels, and a guide to

taking tests. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
