MANDALAS FOR BEGINNERS

Watkins Media
Limited

Do you have
an active child
always looking
for another
challenge?

Does your
child like to
mimic the
older children
or grown-ups
and do the
things they
usually do? If
so, this kids'
coloring
activity book
with mandalas
will make a
great gift! It
will satisfy the
need for
"feeling older"
but at the
same time,

won't be too
difficult (or
boring!) to
color. Julia
Johansson, the
author, mom
of 3 and
bonus mom of
5: "I have
noticed that
my youngest
children are
only
interested in
things that
their older
siblings do,
but as these
activities
usually are too
difficult, my
ambitious
small people
get frustrated
and sad. Many
coloring books
are "just for
children"
(that's a quote
from my 5-
years old),
while the big

and beautiful
"grown-up"
mandalas are
just too much
for them. This
is why I came
up with an
idea of
making this
book,
dedicated
especially to
children from
5 to 10. It
offers many
beautiful
"mandala"
designs with
cute animals,
presented in a
way that "real
coloring
books" look. I
added black
pages to
prevent bleed-
through issues
as well as
doubled all
the designs.
This way there
is a possibility

to improve or... to share" This one of a kind Mandala Coloring Book For Children comes with: Beautiful Cover in Matte Finish (just like mom's!) 2 sets of 20 beautiful "Mandalas" with adorable animals like dolphins, seahorses, panda bears, elephants and more - easy to improve or share! Universal designs suitable for boys and girls Thicker lines to "support accuracy" Single-side printing for

best convenience Black pages in between each design to prevent bleed-through issues Color Testing Page (yes, this is a REAL coloring book!) Acid-free white paper printed in the USA If you would like to make your child feel really special and provide with many hours of playful and relaxing coloring (in a grown-up way), get this book now and enjoy it ♥
