IN MEMORY OF MEMORY

University of Virginia Press

Artificial intelligence (AI) has grown in presence in asset management and has revolutionized the

sector in many ways. It has improved portfolio management, trading, and risk management practices by increasing efficiency, accuracy, and compliance. In particular, AI techniques help construct portfolios based on more accurate risk and return forecasts and more complex constraints. Trading algorithms use AI to devise novel trading signals and execute trades with lower transaction costs. AI also improves risk modeling and forecasting by generating insights from new data sources. Finally, robo-advisors owe a large part of their success to AI techniques. Yet the use of AI can also create new risks and challenges, such as those resulting from model opacity, complexity, and reliance on data integrity.

THE UNDROWNED

Farrar, Straus and Giroux

An exploration of life at the margins of history from one of Russia's most exciting contemporary writers Shortlisted for the 2021 International Booker Prize Winner of the MLA Lois Roth Translation Award With the death of her aunt, the narrator is left to sift through an apartment full of faded photographs, old postcards, letters, diaries, and heaps of souvenirs: a withered repository of a century of life in Russia. Carefully reassembled with calm, steady hands, these shards tell the story of how a seemingly ordinary Jewish family somehow managed to survive the myriad persecutions and repressions of the last century. In dialogue with writers like Roland Barthes, W. G. Sebald, Susan Sontag, and Osip Mandelstam, *In Memory of Memory* is imbued with rare intellectual curiosity and a wonderfully soft-spoken, poetic voice. Dipping into various forms—essay, fiction, memoir, travelogue, and historical documents—Stepanova assembles a vast panorama of ideas and personalities and offers an entirely new and bold exploration of cultural and personal memory.

ARTIFICIAL INTELLIGENCE IN ASSET MANAGEMENT

Henry Holt and Company (BYR)

In the tradition of *Counting By 7s* and *The Thing About Jellyfish*, a heartwarming coming-of-age story about grief, family, friendship, and the importance of finding your voice Wayne Kovok lives in a world of *After*. After his uncle in the army was killed overseas. After Wayne and his mother survived a plane crash while coming back from the funeral. After he lost his voice. Wayne has always used his love of facts to communicate ("Did you know more people die each year from shaking a vending machine than from shark attacks?"). Without his voice, how will he wow the prettiest girl in school? How will he stand up to his drill-sergeant grandfather? And how will he share his hopes with his deadbeat dad? It's not until Wayne loses his voice completely that he realizes how much he doesn't say. Filled with Karen Harrington's signature heart and humor, *Mayday* tackles an unforgettable journey of family and friendship.

Red Zone The New Press

Avi's treasured Newbery Honor Book now in expanded *After Words* edition! Thirteen-year-old Charlotte Doyle is excited to return home from her school in England to her family in Rhode Island in the summer of 1832. But when the two families she was supposed to travel with mysteriously cancel their trips, Charlotte finds herself the lone passenger on a long sea voyage with a cruel captain and a mutinous crew. Worse yet, soon after stepping aboard the ship, she becomes enmeshed in a conflict between them! What begins as an eagerly anticipated ocean crossing turns into a harrowing journey, where Charlotte gains a villainous enemy . . . and is put on trial for murder! *After Words* material includes author Q & A, journal writing tips, and other activities that bring Charlotte's world to life!

The Story of Charlotte's Web Xist Publishing

A funny and poignant debut middle-grade novel about a foster-care girl who is placed with a family in the witness protection program, and finds that hiding in plain sight is complicated and dangerous.

Factor Investing and Asset Allocation: A Business Cycle Perspective U of Minnesota Press

Ghost story master Mary Downing Hahn unrolls the suspenseful, spine-chilling yarn of a girl imprisoned for more than a century, the terrifying events that put her there, and a friendship that crosses the boundary between past and present. A family moves into an old, abandoned house. Jules's parents love the house, but Jules is frightened and feels a sense of foreboding. When she sees a pale face in an upstairs window, though, she can't stop wondering about the eerie presence on the top floor—in a room with a locked door. Could it be someone who lived in the house a century earlier? Her fear replaced by fascination, Jules is determined to make contact with the mysterious figure and help unlock the door. Past and present intersect as she and her ghostly friend discover—and change—the fate of the family who lived in the house all those many years ago.

The True Confessions of Charlotte Doyle (Scholastic Gold) A&C Black

Required Reading for every Feminist "I'm sure I never used to be so sensitive. I think it is due to this nervous condition." — Charlotte Perkins Gilman, *The Yellow Wallpaper* *The Yellow Wallpaper* is a psychological short story about a Victorian woman on the edge of a nervous breakdown. When her husband deems she needs a "rest cure" after the birth of their child, they rent an abandoned colonial mansion with a "queer air" about it. The narrator's room has horrible yellow wallpaper which incites her decent into madness. This short story is an early American feminist work and explores the role of women in a patriarchal society. This Xist Classics edition has been professionally formatted for e-readers with a linked table of contents. This eBook also contains a bonus book club leadership guide and discussion questions. We hope you'll share this book with your friends, neighbors and colleagues and can't wait to hear what you have to say about it.. Xist Publishing is a digital-first publisher. Xist Publishing creates books for the touchscreen generation and is dedicated to helping everyone develop a lifetime love of reading, no matter what form it takes

A QUESTION OF HOLMES

UNESCO Publishing

While composing what would become his most enduring and popular book, *Charlotte's Web*, E. B. White was obeying that oft-repeated maxim: 'Write what you know.' Helpless pigs, silly geese, clever spiders, greedy rats - White knew all of these characters in the barns and stables where he spent his favourite hours as child and adult. Painfully shy, White once wrote of himself 'this boy felt for animals a kinship he never felt for people'. Nonetheless, that tens of millions have been so moved by *Charlotte's Web*, and by White's other classics, testifies to his deep understanding of the human condition. Bringing readers into intimate contact with E. B. White's world, Michael Sims chronicles his animal-rich youth and dreams of being a writer; the vibrant early years of the New Yorker, where urban nature was White's ever-present theme; the discovery of the farm in Maine where he and his wife would live; his fascinating scientific research into how spiders spin webs, lay eggs, and live in the world; his friendship with his legendary editor, Ursula Nordstrom; and the luminous creative process that led to publication of his masterpiece. By refining the raw ore of his childhood in Mount Vernon, New York, in the first decade of the twentieth century, White translated his own passions and contradictions, delights and fears, into a book that would be read the world over. *The Story of Charlotte's Web* illuminates the life of a literary icon, and will add richness and appreciation for anyone who has loved, or has yet to read, a cherished classic.

STRANGERS IN THEIR OWN LAND

Scholastic Inc.

#1 NEW YORK TIMES BESTSELLER "A haunting, beautiful, and necessary book."—Nicola Yoon, #1 New York Times bestselling author of *Everything, Everything* Charlotte Davis is in pieces. At seventeen she's already lost more than most people do in a lifetime. But she's learned how to forget. The broken glass washes away the sorrow until there is nothing but calm. You don't have to think about your father and the river. Your best friend, who is gone forever. Or your mother, who has nothing left to give you. Every new scar hardens Charlie's heart just a little more, yet it still hurts so much. It hurts enough to not care anymore, which is sometimes what has to happen before you can find your way back from the edge. A deeply moving portrait of a girl in a world that owes her nothing, and has taken so much, and the journey she undergoes to put herself back together. Kathleen Glasgow's debut is heartbreakingly real and unflinchingly honest. It's a story you won't be able to look away from. And don't miss Kathleen Glasgow's novels *You'd Be Home Now* and *How to Make Friends with the Dark*, both raw and powerful stories of life.

I Survived the Sinking of the Titanic, 1912 (I Survived #1) Pan Macmillan

In the explosive conclusion to the New York Times bestselling Charlotte Holmes series, Holmes and Watson think they're finally in the clear after graduating from Sherringford...but danger awaits in the hallowed halls of Oxford. Charlotte Holmes and Jamie Watson finally have a chance to start over. With all the freedom their pre-college summer program provides and no one on their tail, the only mystery they need to solve, once and for all, is what they are to each other. But upon their arrival at Oxford, Charlotte is immediately drawn into a new case: a series of accidents befell the theater program at Oxford last year, culminating in a young woman going missing on the night of a major performance. The mystery has gone unsolved; the case is cold. And no one—least of all the girl's peculiar, close-knit group of friends—is talking. When Watson and Holmes join the theater program, the "accidents" start anew, giving them no choice but to throw themselves into the case. But as the complicated lines of friendship, love, and loyalty blur, time is running out—and tragedy waits in the wings.

Frozen Charlotte Ember

Clinical psychologist and author of *The Defining Decade*, Meg Jay takes us into the world of the supernatural: those who soar to unexpected heights after childhood adversity. Whether it is the loss of a parent to death or divorce; bullying; alcoholism or drug abuse in the home; mental illness in a parent or a sibling; neglect; emotional, physical or sexual abuse; having a parent in jail; or growing up alongside domestic violence, nearly 75% of us experience adversity by the age of 20. But these experiences are often kept secret, as are our courageous battles to overcome them. Drawing on nearly two decades of work with clients and students, Jay tells the tale of ordinary people made extraordinary by these all-too-common experiences, everyday superheroes who have made a life out of dodging bullets and leaping over obstacles, even as they hide in plain sight as doctors, artists, entrepreneurs, lawyers, parents, activists, teachers, students and readers. She gives a voice to the supernormals among us as they reveal not only "How do they do it?" but also "How does it feel?" These powerful stories, and those of public figures from Andre Agassi to Jay Z, will show supernormals they are not alone but are, in fact, in good company. Marvelously researched and compassionately written, this exceptional book narrates the continuing saga that is resilience as it challenges us to consider whether -- and how -- the good wins out in the end.

Charlotte's Web A&C Black

The National Book Award Finalist and New York Times bestseller that became a guide and balm for a country struggling to understand the election of Donald Trump "A generous but disconcerting look at the Tea Party. . . . This is a smart, respectful and compelling book." —Jason DeParle, *The New York Times* Book Review When Donald Trump won the 2016 presidential election, a bewildered nation turned to *Strangers in Their Own Land* to understand what Trump voters were thinking when they cast their ballots. Arlie Hochschild, one of the most influential sociologists of her generation, had spent the preceding five years immersed in the community around Lake Charles, Louisiana, a Tea Party stronghold. As Jedediah Purdy put it in the *New Republic*, "Hochschild is fascinated by how people make sense of their lives. . . . [Her] attentive, detailed portraits . . . reveal a gulf between Hochschild's 'strangers in their own land' and a new elite." Already a favorite common read book in communities and on campuses across the country and called "humble and important" by David Brooks and "masterly" by Atul Gawande, Hochschild's book has been lauded by Noam Chomsky, New Orleans mayor Mitch Landrieu, and countless others. The paperback edition features a new afterword by the author reflecting on the election of Donald Trump and the other events that have unfolded both in Louisiana and around the country since the hardcover edition was published, and also includes a readers' group guide at the back of the book.

The Spanish Promise Xist Publishing

The Spanish Promise is a sizzling summer novel from Sunday Times bestselling author Karen Swan, set in the vibrant streets of Madrid, for fans of Victoria Hislop and Santa Montefiore. One of Spain's richest men is dying. But as he prepares his estate, his family is shocked to discover he is making plans to give away his wealth to a young woman they have never even heard of. Who is she and what hold does she have over him? Charlotte Fairfax is asked to travel to the troubled family's home in Spain to get to the bottom of the mysterious bequest. It's the week before her wedding but she is confident she has time – there's only one reason an older man leaves his money to a beautiful woman, isn't there? But in Madrid, things don't go to plan when the woman denies knowing anything about the gift. Is she lying? Looking for clues, Charlotte digs into the prominent family's history and unearths a dark and shocking past in which two people were torn apart by conflict. But now, their long-buried secrets are starting to reach into the present and Charlotte starts to wonder whether love does not need to forgive or forget in order to endure – but just needs two hearts to keep beating. 'The perfect summer read' - Hello! Enjoy more of Karen Swan's captivating summer novels with The Greek Escape and The Rome Affair.

Assassin of Gor Delta

This groundbreaking study explores the later lives and late-life writings of more than two dozen British women authors active during the long eighteenth century. Drawing on biographical materials, literary texts, and reception histories, Devoney Looser finds that far from fading into moribund old age, female literary greats such as Anna Letitia Barbauld, Frances Burney, Maria Edgeworth, Catharine Macaulay, Hester Lynch Piozzi, and Jane Porter toiled for decades after they achieved acclaim -- despite seemingly concerted attempts by literary gatekeepers to marginalize their later contributions. Though these remarkable women wrote and published well into old age, Looser sees in their late careers the necessity of choosing among several different paths. These included receding into the background as authors of "classics," adapting to grandmotherly standards of behavior, attempting to reshape masculinized conceptions of aged wisdom, or trying to create entirely new categories for older women writers. In assessing how these writers affected and were affected by the culture in which they lived, and in examining their varied reactions to the prospect of aging, Looser constructs careful portraits of each of her Subjects and explains why many turned toward retrospection in their later works. In illuminating the powerful and often poorly recognized legacy of the British women writers who spurred a marketplace revolution in their earlier years only to find unanticipated barriers to acceptance in later life, Looser opens up new scholarly territory in the burgeoning field of feminist age studies.

THE SENTINEL

Aladdin

A brutal assassin seeks vengeance in an alternate world where men are masters and women are slaves. Welcome to Gor, a parallel Earth where social norms are exotic and the way of life is brutal. In this volume of the Gorean Saga, the deadly assassin Kuurus is intent on a bloody mission of vengeance. His adventure takes him from the caste of the pleasure-slaves, who are rigorously

trained in the rules and techniques of sexual ecstasy, to the brutal arenas where humans participate in deadly hand-to-hand combat. He witnesses violence, conflict, and uncertainty, as the inhabitants of Counter Earth are forced to confront their destinies . . . no matter how exalted or debased.

Rediscover this brilliantly imagined world where men are masters and women live to serve their every desire. Assassin of Gor is the 5th book in the Gorean Saga, but you may enjoy reading the series in any order.

Telephone Directory, Charlottesville HarperCollins

GIRL IN PIECES

HarperCollins

In too deadly. In too deep. Samantha and Rachel used to be friends. But then Rachel betrayed Samantha . . . and Samantha decided to make her life a living nightmare. Then one day, Sam and Rachel found themselves in a fight by a lake. Samantha pushed Rachel . . . and watched as Rachel fell back. And back. Into the water. And gone. No way to save her. No way she could be alive. The next day, Rachel shows up to school as if nothing happened. And now she's the one who wants to make her former friend's life a living nightmare . . .

Women Writers and Old Age in Great Britain, 1750-1850 Scholastic Inc.

Growing up in the American South, Esau McCaulley knew firsthand the ongoing struggle between despair and hope that marks the lives of some in the African American context. A key element in the fight for hope, he discovered, has long been the practice of Bible reading and interpretation that comes out of traditional Black churches. This ecclesial tradition is often disregarded or viewed with suspicion by much of the wider church and academy, but it has something vital to say. Reading While Black is a personal and scholarly testament to the power and hope of Black biblical interpretation. At a time in which some within the African American community are questioning the place of the Christian faith in the struggle for justice, New Testament scholar McCaulley argues that reading Scripture from the perspective of Black church tradition is invaluable for connecting with a rich faith history and addressing the urgent issues of our times. He advocates for a model of interpretation that involves an ongoing conversation between the collective Black experience and the Bible, in which the particular questions coming out of Black communities are given pride of place and the Bible is given space to respond by affirming, challenging, and, at times, reshaping Black concerns. McCaulley demonstrates this model with studies on how Scripture speaks to topics often overlooked by white interpreters, such as ethnicity, political protest, policing, and slavery. Ultimately McCaulley calls the church to a dynamic theological engagement with Scripture, in which Christians of diverse backgrounds dialogue with their own social location as well as the cultures of others. Reading While Black moves the conversation forward.
