The third edition of the
Quantity Surveyor's
Pocket Book has been
updated in line with
NRM1, NRM2 and
NRM3, and remains a
must-have guide for
students and qualified
practitioners. Its

focused coverage of
the data, techniques
and skills essential to
the quantity surveying
role makes it an
invaluable companion
for everything from
initial cost advice to
the final account stage.
Key features and
updates included in
this new edition: an up-
to-date analysis of
NRM1, 2 and 3;
measurement and
estimating examples in
NRM2 format; changes
in procurement

practice; changes in professional development, guidance notes and schemes of work; the increased use of NEC3 form of contract; the impact of BIM. This text includes recommended formats for cost plans, developer's budgets, financial reports, financial statements and final accounts. This is the ideal concise reference for quantity surveyors, project and commercial managers, and students of any of the above.

A Parent's Guidebook to Minecraft® Is
Minecraft® a game? A computerized construction toy? This book helps you understand exactly

what Minecraft® is, why kids love it, and why it may offer much more than what you've come to expect from a game. A Parent's Guidebook to Minecraft® is written for parents, caregivers, educators, and anyone else who has kids swept up in the Minecraft® phenomenon. This handbook explains how to install, set up, and play the game, so that even adults with minimum computer literacy can step in and help their children—and play alongside them. Moving beyond the basics, this practical guide explores larger questions such as online safety, be it playing in multi-player worlds or posting on forums or YouTube. It also examines the social and academic

advantages to be found in Minecraft® and offers realistic solutions to challenges such as time management and conflicts over computer use. With a simple, friendly, and open style, A Parent's Guidebook to Minecraft® offers practical help and new ways to connect with children who play this exciting and creative game. You'll learn to Make playing Minecraft® a rewarding experience for your kids—and the entire family. Set limits and ensure the computer doesn't become a source of conflict. Take advantage of the social aspects of Minecraft® and keep your kids safe online. Gather supplies, craft items, and build structures.

Avoid monsters—or just remove them from the game. Set up a server in your home.

Ever since Piper walked out of the Redwood Forest, naked and amnesiac, she's been desperate to find out who she is and why so many people want her dead. Now, engaged to be married to the love of her life, she's about to discover the truth of her identity. Will it derail her plans, her relationship, and her happiness, or will she finally get her happy ending with a fresh beginning? *Surrender in Crime* is the fourth and final book in the *Partners in Crime Thrillers* series. It is a funny international thriller and action adventure romance. "Elise Sax will win your heart." —New York Times bestselling author Jill Shalvis "Sax

will make you laugh. Her larger-than-life characters jump off the page and make crazy seem like a fun place to hang out." —New York Times bestselling author Christie Craig "With quirky characters reminiscent of Janet Evanovich's *Stephanie Plum* series and a small-town heroine redolent of Charlaine Harris' *Sookie Stackhouse*." —RT Book Reviews "Fans of laugh-out-loud romantic suspense will enjoy this new author as she joins the ranks of Janet Evanovich, Katie MacAllister, and Jennifer Crusie." —Booklist, on *An Affair to Dismember* "A lighthearted and amusing caper with a sexy side order of romance . . . Gladie is an endearing mess of a character, and the

book is fast-paced and amusing, with a large cast of quirky, small-town characters.”

—Kirkus Reviews, on Matchpoint “There’s plenty for fans to enjoy in Sax’s third Matchmaker installment, complete with energetic narration, zany humor and a mystery that’s as engaging as the details of Gladie’s love life.”

—RT Book Reviews, on Love Game

This is not a book geared to one branch of activity - like gestalt group therapy, or organization development, or applications to management. The papers assembled here embrace a whole variety of practice settings and areas of professional endeavour: organisations, training groups, communities, national groupings, life - focus groups, as well as (of course) the special case of two people working together, in the relational fields of group facilitator-participant, or of consultant-consultee, or of teacher-student,

all or which are fields within fields.

 She's running for her life. He's the safe haven she never expected to find. The holiday season is about to get HOT. Hiding out for the holiday season in the heart of the South? Not something that Haley Quick ever expected to have on her to-do list but then...she never expected her ex to want her dead, either. Turns out, life is full of surprises. Time to deal. Haley has ditched New York for a crazy little dot on the map known as Point Hope, Alabama. It's a town gone extra crazy for the holidays, and Haley is sticking out like a sore thumb with her

very much Grinch-self. But enter sexy sheriff Spencer Lane...Tall, muscled, and made with an extra dose of sex appeal, he is exactly the kind of man that Haley should be avoiding. He's charming, he looks way too good in a Santa hat, and, oh, yes, he's her new landlord. The hits just keep coming. She can't afford to let Spencer learn all of her secrets, a tough job since she is living with the man. No sex, though. It's purely a business relationship. Except...the holidays in the South sure do get HOT. Or maybe that's just sexy Spencer. Usually, Haley falls for the bad guy. It's the whole reason she's running for her life. She can't help but wonder...What would it be like to fall for a man

like Spencer? He just got his Christmas wish. Sheriff Spencer Lane can't believe his luck. The most beautiful, fascinating woman he's ever seen has just dropped into his life like a gift from, well, the big guy in red. Only the problem is that Haley seems to think Spencer is some by-the-book, nice guy. Probably because of the badge. And if she wants him to be the hero, that's a role that he's happy to play for her. But the truth is, Spencer has plenty of darkness inside, too. An ex Navy SEAL, he knows how to get sh—um, stuff done. He also knows how to be very, very naughty. When danger threatens his Haley, all bets are off. No one is going to hurt her. No one is going to threaten her.

Not in his town. Not on his watch. The nice guy will show Haley just how bad he can be. Fake snow, a parade of wild elves, and a stalker ex don't make for the merriest of times, but in Point Hope, anything can happen—and it usually does. Ready for a steamy story that will get you in the ho-ho-ho spirit? Settle back, curl up with Spencer, and have yourself a jolly old time.

Tough Fronts

The war is over and blackouts are a thing of the past, except in the village of Melchester, where the local council has refused to sully its streets with unsightly lamps. The night is pitch black, but hardly quiet. Young lovers are rendezvousing, a police constable is helping

himself to a few of his neighbor's partridges, and a poet is going to visit his beloved, a new verse on his lips. She will never hear it, sadly, for the young man is stopped along his way – stopped forever, by the tight grip of the garrote. The local constabulary wastes no time reaching out to Scotland Yard, which sends its best man: the easygoing detective-inspector Littlejohn. In Melchester he will find unspeakable secrets – and one citizen whose soul is as dark as the village night.
