Fourteen pieces -- scored for flute/piccolo, clarinet, glass harmonica (tuned glass bowls), xylophone, two pianos, and strings -- paint delightful musical portraits of a lion, chickens, turtles, an

elephant, kangaroos, and the immensely popular swan.

Createspace Independent Publishing Platform
The Dance of Death Danse Macabre Hans Holbein With an introductory note by Austin Dobson Dance of Death, also called Danse Macabre, is an artistic

genre of late-medieval allegory on the universality of death: no matter one's station in life, the Dance of Death unites all. The Danse Macabre consists of the dead or personified Death summoning representatives from all walks of life to dance along to the grave, typically with a pope, emperor, king, child, and labourer. They were produced as mementos *mori*, to remind people of the fragility of their lives and how vain were the glories of earthly life. Its

origins are postulated from illustrated sermon texts; the earliest recorded visual scheme was a now-lost mural in the Saints Innocents Cemetery in Paris dating from 1424 to 1425.

Against Nature by Joris-Karl Huysmans is a novel in which very little happens; its narrative concentrates almost entirely on its principal

character, and is mostly a catalogue of the tastes and inner life of Jean Des Esseintes, an eccentric, reclusive aesthete and antihero, who loathes 19th century bourgeois society and tries to retreat into an ideal artistic world of his own creation. *Against Nature* contains many themes which became associated with the Symbolist aesthetic. In doing so, it broke from naturalism and became the ultimate example of decadent literature. Jean Des Esseintes is the last

member of a powerful and once proud noble family. He has lived an extremely decadent life in Paris which has left him disgusted with human society. Without telling anyone, he absconds to a house in the countryside. He fills the house with his eclectic art collection and decides to spend the rest of his life in intellectual and aesthetic contemplation. Throughout his intellectual experiments, he recalls various debauched events and love affairs of his past in

Paris.

Debussy's Paris Alfred Music

"Buffy Sainte-Marie is an icon and inspiration. This book is necessary—an authorized insight into the making of a legend."

—Terese Marie Mailhot, author of *Heart Berries* A powerful, intimate look at the life of a beloved folk icon and activist. Folk hero. Songwriter icon. Living legend. Buffy Sainte-Marie is all of these things and more. In this, Sainte-Marie's first and only authorized biography, music critic

Andrea Warner draws from more than sixty hours of exclusive interviews to offer a powerful, intimate look at the life of the beloved artist and everything that she has accomplished in her seventy-seven years (and counting). Since her groundbreaking debut, 1964's *It's My Way!*, the Cree singer-songwriter has been a trailblazer and a tireless advocate for Indigenous rights and freedoms, an innovative artist, and a disruptor of the status quo. Establishing herself

among the ranks of folk greats such as Joni Mitchell and Bob Dylan, she has released more than twenty albums, survived being blacklisted by two U.S. presidents, and received countless accolades, including the only Academy Award ever to be won by a First Nations artist. But this biography does more than celebrate Sainte-Marie's unparalleled talent as a songwriter and entertainer; packed with insight and knowledge, it offers an unflinchingly honest, heartbreakingly

real portrait of the woman herself, including the challenges she experienced on the periphery of showbiz, her healing from the trauma of childhood and intimate partner violence, her commitment to activism, and her leadership in the protest movement.

CAMILLE SAINT-

SAINTS, 1835-1921

Saint-Saëns's *Danse Macabre*

This volume joins new editions of both texts of John Lydgate's *The Dance of Death*, related Middle English verse, and a new translation of Lydgate's French source, the *Danse macabre*. Together these poems showcase the power of the *danse macabre* motif, offering a window into life and death in late medieval Europe. In vivid, often grotesque, and darkly humorous terms, these poems

ponder life's fundamental paradox: while we know that we all must die, we cannot imagine our own death.

Macmillan

Camille Saint-Saëns

1835-1921: A Thematic Catalogue of his Complete Works defines the achievement of this great French composer. All his musical works are presented: the well-recognized masterpieces, the childhood sketches, the unpublished compositions, and the

previously unknown pieces now revealed for the first time. This comprehensive collection fully documents the composer's extraordinary contribution to the musical world. Volume 1 concentrates specifically on his Instrumental output, while the two later volumes will cover Dramatic Works and Choral & Vocal Works respectively.

SWAN LAKE SUITE

Oxford University Press on Demand
(Faber Piano Adventures

). An excellent collection of symphonic and operatic works by the great composers. The pieces were chosen for their appealing melodies and rhythmic vitality. Includes: Theme from Don Giovanni (La ci darem la mano) by Mozart * Egyptian Ballet Dance (from the opera Sanson & Delilah) by Saint Saens * Liebestraum by Liszt * The Merry Widow Waltz (from the opera The Merry Widow) by Lehar * Minuet (Op. 14, No. 1) by Paderewski * Canon by Pachelbel * Spring (from The Four

Seasons) by Vivaldi *
 Sutor's Song (from the
 operetta The Gypsy Baron
) by J. Strauss, Jr. * Theme
 from Symphony No. 1
 (Third Movement, "Frere
 Jacques" theme) by
 Mahler * Prince of
 Denmark's March
 (Trumpet Voluntary) by
 Clarke.

This early work by Jerome K. Jerome was originally published in 1893 and we are now republishing it with a brand new introductory biography.

'The Dancing Partner' is a short story about the scarcity of young men as dancing partners and a creepy solution offered by a mechanical toy maker. Jerome Klapka Jerome was born in Walsall, England in 1859. Both his parents died while he was in his early teens, and he was forced to quit school to support himself. In 1889, Jerome published his most successful and best-remembered work, 'Three Men in a Boat'. Featuring himself and two of his friends encountering

humorous situations while floating down the Thames in a small boat, the book was an instant success, and has never been out of print. In fact, its popularity was such that the number of registered Thames boats went up fifty percent in the year following its publication.

THE TEACHER'S BOOK OF LISTS

Alfred Music

This book is a major new study - dealing with notions of film music as a device that desires to control its audience, using a most powerful thing: emotion. The author emphasises the manipulative and ephemeral character of film music dealing not only with traditional

orchestral film music, but also looks at film music's colonisation of television, and discusses pop music in relation to films, and the historical dimensions to ability to possess audiences that have so many important cultural and aesthetic effects. It challenges the dominant but limited conception of film music as restricted to film by looking at its use in television and influence

in the world of pop music and the traditional restriction of analysis to 'valued' film music, either from 'name' composers' or from the 'golden era' of Classical Hollywood. Focusing on areas as diverse as horror, pop music in film, ethnic signposting, television drama and the soundtrack without a film- this is an original study which expands the range of writing on the subject.
