BLOOD AND GUTS: A HISTORY OF SURGERY | EDEN CHANNEL

Blood And Guts A History Blood and Guts spans centuries, from Galen in Ancient Rome to modern hand transplant surgeons. Despite the pop aspects to Blood and Guts, this is also a smart read. The author trained for 5 years to be a physician, and I think this makes Blood and Guts more intelligent than most journalistic fluff. Blood and Guts: A History of Surgery: Amazon.co.uk ... In Blood and Guts, veteran science writer Richard Hollingham weaves a compelling narrative from the key moments in surgical history. We have a ringside seat in the operating theater of University College Hospital in London as world-renowned Victorian surgeon Robert Liston performs a remarkable amputation in thirty seconds--from first cut to final stitch. Blood and Guts: A History of Surgery: Amazon.co.uk ... This book does not have lots of blood and guts in it. What it does have is a series of linked episodes that together describe the history behind many medical practises still in use today. The story the book is trying to put across relates to societies attitude to medicine and surgery as well as the treatments that went with them. Blood and Guts: A Short History of Medicine: Amazon.co.uk ... In Blood and Guts, veteran science writer Richard Hollingham weaves a compelling narrative from the key moments in surgical history. We have a ringside seat in the operating theater of University College Hospital in London as world-renowned Victorian surgeon Robert Liston performs a remarkable amputation in 30 seconds - from first cut to final stitch. Blood and Guts: A History of Surgery (Audio Download ... Blood and Guts is an incredible story of stolen corpses, medical fraud, lobotomized patients - and every now and then courageous advances that have saved the lives of millions around the world. You may think twice before going under the knife... presented by the medically trained Michael Mosley Blood and Guts: A History of Surgery - DocuWiki 4.5 stars A delightful marriage between anecdotes and facts, Hollingham's Blood and Guts: A History of Surgery highlights some of history's most notable surgeries and surgical practices and their contribution to modern medical practices today. I thoroughly enjoyed this book. Although it is non-fiction it reads more like a novel than a textbook. Blood and Guts: A History of Surgery by Richard Hollingham Blood and Guts: A History of Surgery Documentary | TV Mini-Series (2008-) Blood and Guts: A History of Surgery (TV Mini-Series 2008 ...
