Musicians Institute ...Tapping techniques are used by guitar players in various music genres. Most rock guitar players use a flurry of tapped notes in guitar solos for sound dynamics and aesthetic feel. Percussive techniques are used by acoustic guitar players. Every percussive guitar player has a technique and rhythmic feel that gives identity to composition. The Greatest Tapping, Percussive, and Hybrid technique ...Preston Reed has reinvented how the acoustic guitar is played with his dynamic use of percussive devices and unusual playing ideas. You'll learn to create a multitude of sonic and rhythmic effects with Preston's "rim shots," "bongo hits," slap harmonics, double hammer-ons, two-hand tapping, right-hand fretting and other techniques. Levels / Level 5 | Homespun The acoustic guitar, in my opinion, has the ability to surpass others simply because there are so many elements to it. For example, we have tapping, slapping and percussive elements which can make the guitar sound like there are 2 guitars playing at once.
