*The Hebrew Bible as Literature: A Very Short Introduction*

Jonathan David Pub

"An enlarged and improved version of "Arabisches Wèörterbuch fèur die Schriftsprache der Gegenwart" by Hans Wehr and includes the contents of the "Supplement zum Arabischen Wèörterbuch fèur die Schriftsprache der Gegenwart" and a collection of new additional material (about 13.000 entries) by the same author."

## 501 HEBREW VERBS

W. W. Norton & Company

"It is widely recognized that the Hebrew Bible is filled with rape and sexual violence. However, feminist approaches to the topic remain dominated by Phyllis Trible's 1984 Texts of Terror, which describes feminist criticism as a practice of "telling sad stories." Pushing beyond Trible, Texts after Terror offers a new framework for reading biblical sexual violence, one that draws on recent work in feminist, queer, and affect theory and activism against sexual violence and rape culture. In the Hebrew Bible as in the contemporary world, sexual violence is frequently fuzzy, messy, and icky. Fuzzy names the ambiguity and confusion that often surround experiences of sexual violence. Messy identifies the consequences of rape, while also describing messy sex and bodies. Icky points out the ways that sexual violence fails to fit into neat patterns of evil perpetrators and innocent victims. Building on these concepts, Texts after Terror offers a number of new feminist strategies and approaches to sexual violence: critiquing the framework of consent, offering new models of sexual harm, emphasizing the importance of relationships between women (even in the context of stories of heterosexual rape), reading biblical rape texts with and through contemporary texts written by survivors, advocating for "unhappy reading" that makes unhappiness and open-endedness into key feminist sites of possibility. Texts after Terror also discusses a wide range of biblical rape stories, including Dinah (Gen. 43), Tamar (2 Sam. 13), Lot's daughters (Gen. 19), Bathsheba (2 Sam. 11), Hagar (Gen. 16 and 21), Daughter Zion (Lam. 1 and 2), and the Levite's concubine (Judg. 19)"--

*Travel Edition* Springer

The Oxford English-Hebrew Dictionary is a detailed guide to current usage in English and Hebrew. In addition to a full range of idioms and phrases, slang and colloquialisms, the dictionary offers comprehensive coverage of technical, scientific, legal, medical, and academic terminology. Care has also been taken to record British, American, and Australian variants. Both the presentation and content of the dictionary are designed to guide the reader through the pitfalls of varying register and context; clearly labelled senses and numerous example phrases ensure maximum

clarity and accessibility. The result is an essential reference tool for English and Hebrew users alike. The Oxford English-Hebrew Dictionary was compiled and edited at the Oxford Centre for Hebrew and Jewish Studies.

Otto Harrassowitz Verlag

This third edition of Modern Hebrew: An Essential Grammar is an up-to-date and practical reference guide to the most important aspects of modern Hebrew, as used by contemporary native speakers of the language. Presenting an accessible description of the language, this user-friendly text focuses on the real patterns of use today. A reference source for the learner and user of Hebrew irrespective of level, it sets out the complexities of the language in short, readable sections that are clear and free from jargon. Features of this updated edition include: \* expanded coverage of nouns, verbs and adjectives \* more examples throughout \* a full exercise key \* a glossary of grammatical terms. Well presented and easy to use, Modern Hebrew: An Essential Grammar is ideal either for independent study or for students in schools, colleges, universities and adult education.

*Modern Hebrew* Oxford University Press, USA

A landmark event: the complete Hebrew Bible in the award-winning translation that delivers the stunning literary power of the original. A masterpiece of deep learning and fine sensibility, Robert Alter's translation of the Hebrew Bible, now complete, reanimates one of the formative works of our culture. Capturing its brilliantly compact poetry and finely wrought, purposeful prose, Alter renews the Old Testament as a source of literary power and spiritual inspiration. From the family frictions of Genesis and King David's flawed humanity to the serene wisdom of Psalms and Job's incendiary questioning of God's ways, these magnificent works of world literature resonate with a startling immediacy. Featuring Alter's generous commentary, which quietly alerts readers to the literary and historical dimensions of the text, this is the definitive edition of the Hebrew Bible.

**Gesenius' Hebrew Grammar** W. W. Norton & Company

For centuries, poets have turned to translation for creative inspiration. Through and in translation, poets have introduced new poetic styles, languages, and forms into their own writing, sometimes changing the course of literary history in the process. Strange Cocktail is the first comprehensive study of this phenomenon in modern Hebrew literature of the late nineteenth century to the present day. Its chapters on Esther Raab, Leah Goldberg, Avot Yeshurun, and Harold Schimmel offer close readings that examine the distinct poetics of translation that emerge from reciprocal practices of writing and translating. Working in a minor literary vernacular, the translation strategies that these poets employed allowed them to create and participate in transnational and multilingual poetic networks. Strange Cocktail thereby advances a comparative and multilingual reframing of modern Hebrew literature that considers how canons change and are undone when translation occupies a central position—how lines of influence and affiliation are redrawn and literary historiographies are revised when the work of translation occupies the same status as an original text, when translating and writing go hand in hand.

*A New Reconstruction* Oxford University Press, USA

Whether you know Hebrew or not, this book will provide you with a quick reference resource for learning the meaning of many Hebrew words that lie beneath the English translations, which will open new doors for you into Biblical interpretation. The Hebrew language of the Bible must be understood from its original and Ancient Hebrew perspective. Our interpretation of a word like "holy" is an abstract idea, derived out of a Greco-Roman culture and mindset, which is usually understood as someone or something that is especially godly, pious or spiritual. However, the Hebrew word קדוש (qadosh) means, from an Ancient Hebrew perspective, unique and is defined in this dictionary as: "Someone or something that has, or has been given the quality of specialness, and has been separated from the rest for a special purpose." With this interpretation, we discover that the nation of Israel is not "holy," in the sense of godliness or piety, but is a unique and special people, separated from all others to serve

God. This Biblical Hebrew dictionary contains the one thousand most frequent verbs and nouns found within the Hebrew Bible. Each word is translated and defined from its original concrete Ancient Hebrew perspective, allowing for a more accurate interpretation of the text. In addition to the one thousand verbs and nouns, the appendices in the book include a complete list of Hebrew pronouns, prepositions, adverbs, conjunctions and numbers.

[Texts After Terror](#) Barrons Educational Series

The Oxford Handbook of Historical Books of the Hebrew Bible is a collection of essays that provide resources for the interpretation of the books of Joshua, Judges, Samuel, Kings, Chronicles, Ezra, and Nehemiah. The volume is not exhaustive in its coverage, but examines interpretive aspects of these books that are deemed essential for interpretation or that are representative of significant trends in present and future scholarship. The individual essays are united by their focus on two guiding questions: (1) What does this topic have to do with the Old Testament Historical Books? and (2) How does this topic help readers better interpret the Old Testament Historical Books? Each essay critically surveys prior scholarship before presenting current and prospective approaches. Taking into account the ongoing debates concerning the relationship between the Old Testament texts and historical events in the ancient world, data from Assyrian, Babylonian, and Persian culture and history are used to provide a larger context for the content of the Historical Books. Essays consider specific issues related to Israelite/Judean history (settlement, state formation, monarchy, forced migration, and return) as they relate to the interpretation of the Historical Books. This volume also explores the specific themes, concepts, and content that are most essential for interpreting these books. In light of the diverse material included in this section of the Old Testament, the Handbook further examines interpretive strategies that employ various redactional, synthetic, and theory-based approaches. Beyond the Old Testament proper, subsequent texts, traditions, and cultures often received and interpreted the material in the Historical Books, and so the volume concludes by investigating the literary, social, and theological aspects of that reception.

#### **THE CREATION OF A JEWISH NATIONAL CULTURE IN OTTOMAN PALESTINE**

Oxford University Press

The Bible has had an immeasurable influence on Western culture, touching on virtually every aspect of our lives. It is one of the great wellsprings of Western religious, ethical, and philosophical traditions. It has been an endless source of inspiration to artists, from classic works such as Michaelangelo's Last Judgment, Handel's Messiah, or Milton's Paradise Lost, to modern works such as Thomas Mann's Joseph and His Brothers or Martin Scorsese's controversial Last Temptation of Christ. For countless generations, it has been a comfort in suffering, a place to reflect on the mysteries of birth, death, and immortality. Its stories and characters are an integral part of the repertoire of every educated adult, forming an enduring bond that spans thousands of years and embraces a vast community of believers and nonbelievers. The Oxford Companion to the Bible provides an authoritative one-volume reference to the people, places, events, books, institutions, religious belief, and secular influence of the Bible. Written by more than 250 scholars from some 20 nations and embracing a wide variety of perspectives, the Companion offers over seven hundred entries, ranging from brief identifications--who is Dives? where is Pisgah?--to extensive interpretive essays on topics such as the influence of the Bible on music or law. Ranging far beyond the scope of a traditional Bible dictionary, the Companion features, in addition to its many informative, factual entries, an abundance of interpretive essays. Here are extended entries on religious concepts from immortality, sin, and grace, to baptism, ethics, and the Holy Spirit. The contributors also explore biblical views of modern issues such as homosexuality, marriage, and anti-Semitism, and the impact of the Bible on the secular world (including a four-part article on the Bible's influence on literature). Of course, the Companion can also serve as a handy reference, the first place to turn to find factual information on the Bible. Readers will find fascinating, informative articles on all the books of the Bible--including the Apocrypha and many other ancient texts, such as the Dead Sea Scrolls, Pseudepigrapha, and the Mishnah. Virtually every figure who walked across the biblical stage is identified here, ranging from Rebekah, Rachel, and Mary, to Joseph, Barabbas, and Jesus. The Companion also offers entries that shed light on daily life in ancient Israel and the earliest Christian communities, with fascinating articles on feasts and festivals, clothing, medicine, units of time, houses, and furniture. Finally, there are twenty-eight pages of full-color maps, providing an accurate, detailed portrait of the biblical world. A vast compendium of information related to scriptures, here is an ideal complement to the Bible, an essential volume for every home and library, the first place to turn for information on the central book of Western culture.

**Ancient Hebrew Dictionary** University of Michigan Press

The Sefer Yetzirah is the fundamental source of the Kabbalah. Numerous editions of the text exist. Each describes the creation of the universe in different ways. The differences relate to the different Kabbalistic Schools that used the text. No edition contains the full knowledge of the different Schools; thus, it is necessary to study the different versions of the Sefer Yetzirah to gain a fuller understanding of the Kabbalah.

[The David Story: A Translation with Commentary of 1 and 2 Samuel](#) Taylor Trade Publications

Contains eighty thousand words and phrases and eighteen thousand idioms and expressions along with notes on English grammar.

[The Seven in One English-Hebrew Edition - New Translations with an Introduction Into the Cosmology of the Kabbalah](#) Ancient Hebrew Research Center

Collects stories from established and less well-known Jewish writers, including Amos Oz, A.B. Yehoshua, David Grossman, and Yitzhak Oren

**Word Order and Time in Biblical Hebrew Narrative** Oxford University Press, USA

A trio of eminent Hebrew Bible scholars-Francis Brown, R. Driver, and Charles Briggs-spent over twenty years researching, writing, and preparing The Brown-Driver-Briggs Hebrew and English Lexicon. Since it first appeared, BDB has been considered the finest and most comprehensive Hebrew lexicon available to the English-speaking student. Based upon the classic work of Wilhelm Gesenius, the "father of modern Hebrew lexicography," BDB gives not only dictionary definitions for each word, but relates each word to its Hebrew Bible usage and categorizes its nuances of meaning. BDB's exhaustive coverage of Hebrew Bible, Hebrew words, as well as its unparalleled usage of cognate languages and the wealth of background sources consulted and quoted, render BDB and invaluable resource for all students of the Bible.

**אנגלי-עברי, עברי-אנגלי, אוקספורד** Oxford University Press

Becoming Hebrew is a study of the creation of a Zionist national culture in Jewish Palestine between 1900 and 1914. Conceived as a revolution in Jewish life, the new culture maintained a tensely intricate relationship with traditional Judaism. Of interest to students of nationalism, Israel, identity politics, and cultural history.

*A Table Alphabeticall of Hard Usual English Words (1604)*

Createspace Independent Pub

This innovative dictionary makes the Hebrew language more accessible to students by eliminating the formidable barrier of the Hebrew alphabet. It's easy to locate words quickly with the Webster's New World Hebrew-English Dictionary, because the Hebrew-to-English section is alphabetized according to the transliterated English spelling. The English version is marked for correct pronunciation and followed immediately by the Hebrew spelling of the word. This breakthrough work of linguistic scholarship is packed with useful features that guarantee rapid progress, even for those with no familiarity with the Hebrew language. It contains: \* Extensive grammatical information including parts of speech, variant verb forms, and the formation of feminines and plurals \* Listings of idioms and compounds and indications of colloquialisms and slang \* Common variations in pronunciations \* Geographical, historical and cultural entries *The Formation of the Hebrew Bible* Webster's New World Modern English and Hebrew names with an analysis of their meanings and origins.
