ANGELICA ASIA

Immigrant Generations, Media Representations, and Audiences Harper Collins

When Betty Friedan produced *The Feminine Mystique* in 1963, she could not have realized how the discovery and debate of her contemporaries' general malaise would shake up society. Victims of a false belief system, these women were following strict social convention by loyally conforming to the pretty image of the magazines, and found themselves forced to seek meaning in their lives only through a family and a home. Friedan's controversial book about these women - and every woman - would ultimately set Second Wave feminism in motion and begin the battle for equality. This groundbreaking and life-changing work remains just as powerful, important and true as it was forty-five years ago, and is essential reading both as a historical document and as a study of women living in a man's world. 'One of the most influential nonfiction books of the twentieth century.' New York Times 'Feminism began with the work of a single person: Friedan.' Nicholas Lemann With a new Introduction by Lionel Shriver

Beauty and Misogyny Random House Trade Paperbacks

The glamour of transvestite fashion is the epitome of 90s style, but the significance of cross-dressing and sex-changing goes much deeper than the annals of fashion. Ekins vividly details the innermost desires and the varied practices of males who wear the clothes of women for the pleasure it gives them (cross-dressers), or who wish to change sex and are actively going about it (sex-changers). This unique and fascinating book transforms an area of study previously dominated by clinical models to look instead at cross-dressing and sex-changing as a highly variable social process. Giving precedence to the processual and emergent nature of much cross-dressing and sex-changing phenomena, the book traces the phased femaling career path of the 'male femaler' from 'beginning femaling' through to 'consolidating femaling'. Based upon seventeen years of fieldwork, life history work, qualitative analysis, archival work and contact with several thousand cross-dressers and sex-changers, the book meticulously and systematically develops a theory of 'male femaling' which has major ramifications for both the field of

'transvestism' and 'transsexualism', and for the analysis of sex and gender more generally. Male-Femaling provides social and cultural theorists with a lively case study for the generation of new theory. Social psychologists and sociologists interested in seeing grounded theory applied to a particular case study will be well rewarded. It will be essential reading for students of gender studies who seek to explore the interrelations between sex, sexuality and gender from the informants' point of view.

A Tale of Erotic Fantasy Jews in Nineteenth-Century Britain Charity, Community and Religion, 1830-1880

A classic work on how women think about sex, from the New York Times–bestselling author of *My Secret Garden* and *My Mother/Myself*. Nancy Friday’s groundbreaking books such as *Forbidden Flowers* offered an unprecedented honest look at the inner fantasy lives of ordinary women. In *Women on Top*, Friday returns to this topic, collecting detailed sexual fantasies from over 150 contemporary women from diverse backgrounds. Based on intimate personal interviews and letters, this book updates the conversation started in her earlier works on women’s sexual fantasies, detailing how women’s erotic lives have changed—and remained the same. “This absorbing, titillating and empowering feminist book is also a ribald bedside companion.” —Publishers Weekly

The Hidden Persuaders John Wiley & Sons

This anthology examines how immigrants and their US-born children use media to negotiate their American identity and how audiences engage with mediated narratives about the immigrant experience (cultural adjustments, language use, and the like). Where this work diverges from other collections and monographs is the area is its intentional focus on how both first- and second-generation Americans’ complex identities and hybrid cultures interact with mediated narratives in general, alongside the extent to which these narratives reflect their experience. In a three-part structure, the collection examines representations, “zooms in” to explore the reception of these narratives through autoethnographic essays, and concludes in a section of analysis and critique of specific media.

Sissy For Sir Eros Comics

Miles Franklin wrote *My Brilliant Career* as a romance to entertain her friends. It depicts the poor, intelligent Sybylla who cannot accustom herself to her family’s reduced circumstances. She is given a reprieve and sent to her Grandmother's grand house, where she mingles with the best rural society, including the handsome Harry Beecham. She is faced with the choice of material improvement through marriage, or personal improvement through working for her dreams.

Harmful Cultural Practices in the West Bloomsbury Publishing

"While this is a glimpse of Frankfort's African American community, it has much in common with other Black communities, especially those in the South. Although much in the collection that produced this work - both photographic and oral history - is nostalgic, it ultimately demonstrates that change is constant, producing both negative and positive results."--BOOK JACKET.

A Text-Reader Miranda Birch

Karin is back and showing friend Joanna the ropes - chains - whips - and advantages of owning a sissy maid. A chance encounter leads Gary, Joanna's husband, down the path of submission. Can any male survive Karin's tool, *The Breaking Cage*, whose motto is MISMO: Male In, Sissy Maid Out? *The Breaking Cage* is the highly awaited sequel to *Mistress Karin* and takes the reader even further into the lifestyles of Dominant women, their submissive husbands, and their Alpha Male lovers. Karin Calloway is bored and new-found friend Joanna, with her would-be submissive husband Gary, are more than willing to test the Female Domination and sissy maid lifestyles. With Karin as their mentor, Joanna and Gary discover a new world of dominance and submission. Gary, now Donna, finds himself/herself serving Mistresses and Masters in the dungeons of the wealthy, as a party favor at swingers' parties, paired with another sissy maid at an elaborate dinner party, and even with Karin's sissy maid on an adult movie set. As Joanna learns the delights of Alpha Males and cuckolding, her submissive sissy husband Donna endures a life of chastity, domestic duties and sexual service.

Romance Divine LLC

Noted for its practical, accessible approach to senior and graduate-level engineering mechanics, *Plates and Shells: Theory and Analysis* is a long-time bestselling text on the subjects of elasticity and stress analysis. Many new examples and applications are included to review and support key

foundational concepts. Advanced methods are discussed and analyzed, accompanied by illustrations. Problems are carefully arranged from the basic to the more challenging level. Computer/numerical approaches (Finite Difference, Finite Element, MATLAB) are introduced, and MATLAB code for selected illustrative problems and a case study is included.

OBNOXIOUS BUSINESSMAN IS FORCED TO BECOME A CROSSDRESSING SISSY MAID

Springer Nature

Jews in Nineteenth-Century Britain Charity, Community and Religion, 1830-1880 Bloomsbury Publishing

[This Nonviolent Stuff!! Get You Killed](#) Routledge

For the young man in this story, getting back together with an old girlfriend he still loves turns out to be possible. But only on her terms. This younger man is positively bewitched by this big, beautiful, older woman, and agrees to do whatever she asks. But he soon finds out that she does not want only a submissive lover, but also a sissy servant! A uniformed sissy maid! Once put into frocks, he finds he cannot turn back from the journey towards total sissy servitude. Before long, locked in chastity, fully-uniformed in skimpy frock, frilly apron, and wig, eyebrows plucked and lips painted, he is waiting hand and foot on Madame and her lady friends at a party held especially to show him off!

The revised edition of *The Gay and Lesbian Literary Heritage* is a reader's companion to this impressive body of work. It provides overviews of gay and lesbian presence in a variety of literatures and historical periods; in-depth critical essays on major gay and lesbian authors in world literature; and briefer treatments of other topics and figures important in appreciating the rich and varied gay and lesbian literary traditions. Included are nearly 400 alphabetically arranged articles by more than 175 scholars from around the world. New articles in this volume feature authors such as Michael Cunningham, Tony Kushner, Anne Lister, Kate Millet, Jan Morris, Terrence McNally, and Sarah Waters; essays on topics such as Comedy of Manners and Autobiography; and overviews of Danish, Norwegian, Philippines, and Swedish literatures; as well as updated and revised articles and bibliographies.

City of Dreams Harvard University Press

Steven Diamond is an ace L.A. criminal lawyer with a roster of A-list clients affording him a life of lavish indulgence. A polished dominant with skills to match his appetites, he's the silent partner in a highly exclusive club for connoisseurs of feminine submission. Exquisitely beautiful, rigorously trained sex slaves from all over the world await the opportunity to serve him. He seems to want for nothing. His orderly world is turned upside down, however, when his younger half-brother Ray, publisher of a slick kink-sex magazine, gifts him with the irresistible and enigmatic O. She's an accomplished photographer, sophisticated fetishist and passionate seeker of a master worthy of her total surrender. Captivated, Steven is determined to possess her totally at whatever cost, little knowing how dear that cost might be. Set within the universe of modern Los Angeles, these three people and the colorful characters in their orbits act out a dramatic tale of erotic power at once familiar and exotic. I welcome you to their distinctly modern world with all its dark delights, shocking revelations and hidden challenges as seen for the first time from a dominant man's perspective.

[Gay and Lesbian Literary Heritage](#) Routledge

Gender is one of the most important topics in the field of sociology, and as a system of social practices it inspires a multitude of theoretical approaches. *The Sociology of Gender* offers an introductory overview of gender theory and research, offering a unique and compelling approach. Treats gender as a multilevel system operating at the individual, interactional, and institutional levels. Stresses conceptual and theoretical issues in the sociology of gender. Offers an accessible yet intellectually sophisticated approach to current gender theory and research. Includes pedagogical features designed to encourage critical thinking and debate. Closer Look readings at the end of each chapter give a unique perspective on chapter topics by presenting relevant articles by leading scholars.

GLIMPSES OF FIFTY YEARS

The Floating Press

In spite of the double burden of racial and gender discrimination, African-American women have developed a rich intellectual tradition that is not widely known. In *Black Feminist Thought*, Patricia Hill Collins explores the words and ideas of Black feminist intellectuals as well as those African-American women outside academe. She provides an interpretive framework for the work of such prominent Black feminist thinkers as Angela Davis, bell hooks, Alice Walker, and Audre Lorde. The result is a superbly crafted book that provides the first synthetic overview of Black feminist thought.

THE CREATURES OF MAN

Burned Books Publishing

Maximizing the joy of crossdressing? Do you crossdress from a male to a female? Or is there someone in your life who does? If so, how about taking it up a notch? Increasing the pleasure and the amount of time doing it? This isn't about how to dress or how to become feminine. We have a book on that, and there are plenty of other resources too. This is how to increase your joy in crossdressing as much as possible. Whether you're a woman with a boyfriend or husband whom you want to become feminine-because of what it will do for them or you or your other boyfriend-or whether you're a sole practitioner who loves the hobby and would like to have ideas on how to reap more delight from it, this book can help. A woman who gives this book to a male will be making a statement of how much she loves him and wants him to be her special person. A sole practitioner of this hobby who takes this book to heart will be doing an act of kindness and respect for her inner girl that says, I love who I am when I'm feminized, and I deserve to take care of her. Maximize the joys of being a male-to-female crossdresser and increase the gratification, satisfaction, degree of sensuality, and amount of time you have to enjoy it in this quick but thought-provoking short read. This is a guide that will help feminized men-husbands, boyfriends, sissies, those in female-led relationships, or cuckolded males who are feminized. Give it as a gift for them or buy it as a gift for yourself. Look inside now!

Feminizing Men Ig Pub

Should western beauty practices, ranging from lipstick to labiaplasty, be included within the United Nations understandings of harmful traditional/cultural practices? By examining the role of common beauty practices in damaging the health of women, creating sexual difference, and enforcing female deference, this book argues that they should. In the 1970s feminists criticized pervasive beauty regimes such as dieting and depilation, but some 'new' feminists argue that beauty practices are no longer oppressive now that women can 'choose' them. However, in the last two decades the brutality of western beauty practices seems to have become much more severe, requiring the breaking of skin, spilling of blood and rearrangement or amputation of body parts. *Beauty and Misogyny* seeks to make sense of why beauty practices are not only just as persistent, but in many ways more extreme. It examines the pervasive use of makeup, the misogyny of fashion and high-heeled shoes, and looks at the role of pornography in the creation of increasingly popular beauty practices such as breast implants, genital waxing and surgical alteration of the labia. It looks at the cosmetic surgery and body piercing/cutting industries as being forms of self-mutilation by proxy, in which the surgeons and piercers serve as proxies to harm women's bodies, and concludes by considering how a culture of resistance to these practices can be created. This essential work will appeal to students and teachers of feminist psychology, gender studies, cultural studies, and feminist sociology at both undergraduate and postgraduate levels, and to anyone with an interest in feminism, women and beauty, and women's health.

War--what For? Greenery Press (CA)

NEW YORK TIMES BESTSELLER | ONE OF O: THE OPRAH MAGAZINE'S TEN FAVORITE BOOKS OF THE YEAR | NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Harper's Bazaar • St. Louis Post-Dispatch • Publishers Weekly Gloria Steinem—writer, activist, organizer, and inspiring leader—now tells a story she has never told before, a candid account of her life as a traveler, a listener, and a catalyst for change. Includes “Secrets,” a new chapter! When people ask me why I still have hope

and energy after all these years, I always say: Because I travel. Taking to the road—by which I mean letting the road take you—changed who I thought I was. The road is messy in the way that real life is messy. It leads us out of denial and into reality, out of theory and into practice, out of caution and into action, out of statistics and into stories—in short, out of our heads and into our hearts. Gloria Steinem had an itinerant childhood. When she was a young girl, her father would pack the family in the car every fall and drive across country searching for adventure and trying to make a living. The seeds were planted: Gloria realized that growing up didn't have to mean settling down. And so began a lifetime of travel, of activism and leadership, of listening to people whose voices and ideas would inspire change and revolution. *My Life on the Road* is the moving, funny, and profound story of Gloria's growth and also the growth of a revolutionary movement for equality—and the story of how surprising encounters on the road shaped both. From her first experience of social activism among women in India to her work as a journalist in the 1960s; from the whirlwind of political campaigns to the founding of *Ms.* magazine; from the historic 1977 National Women's Conference to her travels through Indian Country—a lifetime spent on the road allowed Gloria to listen and connect deeply with people, to understand that context is everything, and to become part of a movement that would change the world. In prose that is revealing and rich, Gloria reminds us that living in an open, observant, and “on the road” state of mind can make a difference in how we learn, what we do, and how we understand each other. Praise for *My Life on the Road* “Like Steinem herself, [*My Life on the Road*] is thoughtful and astonishingly humble. It is also filled with a sense of the momentous while offering deeply personal insights into what shaped her.”—O: The Oprah Magazine “A lyrical meditation on restlessness and the quest for equity . . . Part of the appeal of *My Life* is how Steinem, with evocative, melodic prose, conveys the air of discovery and wonder she felt during so many of her journeys. . . . The lessons imparted in *Life on the Road* offer more than a reminiscence. They are a beacon of hope for the future.”—USA Today “A warmly companionable look back at nearly five decades as itinerant feminist organizer and standard-bearer. If you've ever wondered what it might be like to sit down with Ms. Steinem for a casual dinner, this disarmingly intimate book gives a pretty good idea, mixing hard-won pragmatic lessons with more inspirational insights.”—The New York Times “Steinem rocks. *My Life on the Road* abounds with fresh insights and is as populist as can be.”—The Boston Globe “In person and in her writing, Steinem exudes a rare combination of calm, humility and honesty about her weaknesses that explains all she has accomplished.”—Jezebel

Prostitution, Trafficking, and Traumatic Stress Lulu.com

A lushly drawn graphic novel detailing the willing submission of a young woman desperate to be dominated by her Prince Charming.

The Sociology of Gender Rosetta Books

A discussion of how modern advertising attempts to control our thoughts and desires in order to make us buy the products it produces. Exploring the use of consumer motivational research and other psychological techniques, including subliminal tactics, this book shows how advertisers secretly manipulate mass desire for consumer goods and products. In addition, Packard also discusses advertising in politics, predicting the way image and personality rapidly came to overshadow real issues in the televised age.

Jews in Nineteenth-Century Britain Basic Books

Visiting Martin Luther King, Jr. at the peak of the civil rights movement, the journalist William Worthy almost sat on a loaded pistol. “Just for self-defense,” King assured him. One of King's advisors remembered the reverend's home as “an arsenal.” Like King, many nonviolent activists embraced their constitutional right to self-protection—yet this crucial dimension of the civil rights struggle has been long ignored. In *This Nonviolent Stuff!! Get You Killed*, civil rights scholar Charles E. Cobb, Jr. reveals how nonviolent activists and their allies kept the civil rights movement alive by bearing—and, when necessary, using—firearms. Whether patrolling their neighborhoods, garrisoning their homes, or firing back at attackers, these men and women were crucial to the movement's success, as were the weapons they carried. Drawing on his firsthand experiences in the Southern Freedom Movement and interviews with fellow participants, Cobb offers a controversial examination of the vital role guns have played in securing American liberties.
