SIENA GIOVANNA

A Story HarperCollins
"In these poems...Sylvia Plath becomes herself, becomes something imaginary, newly, wildly and subtly created." -- From

the Introduction by Robert Lowell

LETTERS OF SYLVIA PLATH VOLUME II

HarperCollins
Giving Up is Jillian Becker's intimate account of her brief but extraordinary time with Sylvia Plath during the winter of 1963, the last months of the poet's life. Abandoned by Ted Hughes, Sylvia

found companionship and care in the home of Becker and her husband, who helped care for the estranged couple's two small children while Sylvia tried to rest. In clear-eyed recollections unclouded by the intervening decades, Becker describes the events of Sylvia's final days and suicide: her physical and emotional state, her grief over Hughes's infidelity, her mysterious meeting with an unknown companion the night before her suicide,

and the harsh aftermath of her funeral. Alongside this tragic conclusion is a beautifully rendered portrait of a friendship between two very different women.

The Collected Poems of Langston Hughes Faber & Faber

A collection of poetry addressed to Hughes's late wife, poet Sylvia Plath, reexamines the psychological breakdown that led to both some of her greatest poems and to her untimely death. Reprint. *The Unraveling Archive* HarperCollins

A timeless collection of stories for younger children. In the eponymous *The It-Doesn't-Matter Suit*, little Max Nix is on a quest to find the perfect suit he can go ice-fishing, cow-milking and town-walking in. There's magic afoot in *Mrs Cherry's Kitchen* and children will love to find their perfect *Nighty-night little / Turn-out-the-light little Bed!* in *The Bed Book*.

[The Cambridge Companion to Sylvia Plath](#) Open Road + Grove/Atlantic

This authoritative edition was formerly published in the acclaimed Oxford Authors series under the general editorship of Frank Kermode. It brings together a unique combination of Wordsworth's poetry and prose - all the major poems, complemented by important letters, prefaces, and essays - to give the essence of his work and thinking.

EMPTY BOTTLES FULL OF STORIES

A beautiful gift hardcover edition, with the original 1960s cover design.

The 100 Best Nonfiction Books of All Time Macmillan

Pocket-sized beds, bird-watching beds, beds that fly, bounceable beds... this lively rhyming story for young children is designed to make going to bed a huge adventure.

WINTER TREES

Harper Collins

A major literary event: the first volume in the definitive, complete collection of the letters of Sylvia Plath—most never before seen. One of the most beloved poets of the modern age, Sylvia Plath continues to inspire and fascinate the literary world. While her renown as one of the twentieth century's most influential poets is beyond dispute, Plath was also one of its most captivating correspondents. *The Letters of Sylvia Plath* is the breathtaking

compendium of this prolific writer's correspondence with more than 120 people, including family, friends, contemporaries, and colleagues. *The Letters of Sylvia Plath* includes her correspondence from her years at Smith, her summer editorial internship in New York City, her time at Cambridge, her experiences touring Europe, and the early days of her marriage to Ted Hughes in 1956. Most of the letters are previously unseen, including sixteen letters written by Plath to Hughes when they were apart after their honeymoon. This magnificent compendium also includes twenty-seven of Plath's own elegant line drawings taken from the letters she sent to her friends and family, as well as twenty-two previously unpublished photographs. This remarkable, collected edition of Plath's letters is a work of immense scholarship and care, presenting a comprehensive and historically accurate text of the known and extant letters that she wrote. Intimate and revealing, this masterful compilation offers fans and scholars generous and unprecedented insight into the life of one of our most significant poets.

THE MAJOR WORKS

St. Martin's Press

Sylvia Plath (1932-1963) was one of the writers who defined the course of twentieth-century poetry. In the *Letters*, we discover the art of Plath's correspondence. Most has never before been published, and it is here presented unabridged, without revision, so that she speaks directly in her own words. The letters document Plath's extraordinary literary development: the genesis of many poems, short and long fiction, and journalism. Leading Plath scholars Peter K. Steinberg and Karen V. Kukil, editor of *The Journals of Sylvia Plath 1950-1962*, provide comprehensive footnotes and an extensive index informed by their meticulous research. Alongside a selection of photographs and Plath's own drawings, they masterfully contextualise what the pages disclose. This later correspondence witnesses Plath and Hughes becoming major, influential contemporary writers, as it happened. Experiences recorded include first books and other publications; teaching; committing to writing full-time; travels; making professional acquaintances; settling in England; starting a family; and buying a house. Throughout, Plath's voice is completely, uniquely her own.

Ariel: The Restored Edition Harper Collins

An Instant #1 New York Times Bestseller A Goop Book Club Pick "If you want your breath to catch and your heart to stop, turn to Kate Baer."--Joanna Goddard, *Cup of Jo* A stunning and honest debut poetry collection about the beauty and hardships of being a woman in the world today, and the many roles we play - mother, partner, and friend. "When life throws you a bag of sorrow, hold out your hands/Little by little, mountains are climbed." So ends Kate Baer's remarkable poem "Things My Girlfriends Teach Me." In "Nothing Tastes as Good as Skinny Feels" she challenges her reader to consider their grandmother's cake, the taste of the sea, the cool swill of freedom. In her poem "Deliverance" about her son's birth she writes "What is the word for when the light leaves the body?/What is the word for when it/at last, returns?" Through poems that are as unforgettably beautiful as they are accessible, Kate Baer proves herself to truly be an exemplary voice in modern poetry. Her words make women feel seen in their own bodies, in their own marriages, and in their own lives. Her poems are those you share with your mother, your daughter, your sister, and your friends.

Sylvia Plath Poems Chosen by Carol Ann Duffy Harper Collins

A radio play in verse, comprised of three intertwining monologues by women in a maternity ward.

Ariel: The Restored Edition Vintage

This collection of modern American poetry features the most significant and compelling work by the most influential voices of the twentieth century.

A NOVEL

HarperCollins

Upon the publication of her posthumous volume of poetry, *Ariel*, in the mid-1960s, Sylvia Plath became a household name. Readers may be surprised to learn that the draft of *Ariel* left behind by Sylvia Plath when she died in 1963 is different from the volume of poetry eventually published to worldwide acclaim. This facsimile edition restores, for the first time, the selection and arrangement of the poems as Sylvia Plath left them at the point of her death. In addition to the facsimile pages of Sylvia Plath's manuscript, this edition also includes in facsimile the complete working drafts of the title poem, "Ariel," in order to offer a sense of Plath's creative process, as well as notes the author made for

the BBC about some of the manuscript's poems. In her insightful foreword to this volume, Frieda Hughes, Sylvia Plath's daughter, explains the reasons for the differences between the previously published edition of *Ariel* as edited by her father, Ted Hughes, and her mother's original version published here. With this publication, Sylvia Plath's legacy and vision will be re-evaluated in the light of her original working draft.

A Biography Of Sylvia Path HarperCollins

Sylvia Plath's famous collection, as she intended it. When Sylvia Plath died, she not only left behind a prolific life but also her unpublished literary masterpiece, *Ariel*. When her husband, Ted Hughes, first brought this collection to life, it garnered worldwide acclaim, though it wasn't the draft Sylvia had wanted her readers to see. This facsimile edition restores, for the first time, Plath's original manuscript—including handwritten notes—and her own selection and arrangement of poems. This edition also includes in facsimile the complete working drafts of her poem "Ariel," which provide a rare glimpse into the creative process of a beloved writer. This publication introduces a truer version of Plath's works, and will no doubt alter her legacy forever.

Johnny Panic and the Bible of Dreams Harper Collins

The extraordinary new poetry collection by Tracy K. Smith, the Poet Laureate of the United States Even the men in black armor, the ones jangling handcuffs and keys, what else Are they so buffered against, if not love's blade Sizing up the heart's familiar meat? We watch and grieve. We sleep, stir, eat. Love: the heart sliced open, gutted, clean. Love: naked almost in the everlasting street, Skirt lifted by a different kind of breeze. —from "Unrest in Baton Rouge" In *Wade in the Water*, Tracy K. Smith boldly ties America's contemporary moment both to our nation's fraught founding history and to a sense of the spirit, the everlasting. These are poems of sliding scale: some capture a flicker of song or memory; some collage an array of documents and voices; and some push past the known world into the haunted, the holy. Smith's signature voice—inquisitive, lyrical, and wry—turns over what it means to be a citizen, a mother, and an artist in a culture arbitrated by wealth, men, and violence. Here, private utterance becomes part of a larger choral arrangement as the collection widens to include erasures of The Declaration of Independence and the correspondence between slave owners, a found poem comprised of evidence of corporate pollution and accounts of

near-death experiences, a sequence of letters written by African Americans enlisted in the Civil War, and the survivors' reports of recent immigrants and refugees. *Wade in the Water* is a potent and luminous book by one of America's essential poets.

The It Doesn't Matter Suit and Other Stories Cambridge University Press

Sylvia Plath's famous collection, as she intended it. When Sylvia Plath died, she not only left behind a prolific life but also her unpublished literary masterpiece, *Ariel*. When her husband, Ted Hughes, first brought this collection to life, it garnered worldwide acclaim, though it wasn't the draft Sylvia had wanted her readers to see. This facsimile edition restores, for the first time, Plath's original manuscript -- including handwritten notes -- and her own selection and arrangement of poems. This edition also includes in facsimile the complete working drafts of her poem "Ariel," which provide a rare glimpse into the creative process of a beloved writer. This publication introduces a truer version of Plath's works, and will no doubt alter her legacy forever. This P.S. edition features an extra 16 pages of insights into the book, including author interviews, recommended reading, and more.

ARIEL

HarperCollins

What are you hiding behind your smile? If those empty bottles that line the walls of your room could speak, what tales would they spill? So much of your truth is buried beneath the lies you tell yourself. There's a need to scream to the moon; there's this urge to go out into the darkness of the night to purge. There are so many stories living inside your soul, you just want the opportunity to tell them. And when you can't find the will to express what lives within your heart, these words will give you peace. These words will set you free.

The Penguin Anthology of Twentieth-century American Poetry Graywolf Press

Upon the publication of her posthumous volume of poetry *Ariel* in 1965, Sylvia Plath became a household name. Readers may be surprised to learn that the draft of *Ariel* left behind by Plath when she died in 1963 is different from the volume of poetry eventually published to worldwide acclaim. This facsimile edition restores, for the first time, the selection and arrangement of the poems Sylvia Plath left at the point of her death. In addition to the

facsimile pages of Sylvia Plath's manuscript, this edition also includes in facsimile the complete working drafts of the title poem 'Ariel' in order to offer a sense of Plath's creative process, as well as notes the author made for the BBC about some of the manuscript's poems, including 'Daddy' and 'Lady Lazarus' In her insightful foreword to this volume, Frieda Hughes, Sylvia Plath's daughter, explains the reasons for the differences between the previously published edition of *Ariel* as edited by her father, Ted Hughes, and her mother's original version published here. With this publication, Sylvia Plath's legacy and vision will be reevaluated in the light of her original working draft.

Mary Ventura and The Ninth Kingdom Ariel: The Restored EditionA Facsimile of Plath's Manuscript, Reinstating Her Original Selection and Arrangement

Sylvia Plath began keeping a diary as a young child. By the time she was at Smith College, when this book begins, she had settled into a nearly daily routine with her journal, which was also a sourcebook for her writing. Plath once called her journal her "Sargasso," her repository of imagination, "a litany of dreams, directives, and imperatives," and in fact these pages contain the germs of most of her work. Plath's ambitions as a writer were urgent and ultimately all-consuming, requiring of her a heat, a fantastic chaos, even a violence that burned straight through her. The intensity of this struggle is rendered in her journal with an unsparing clarity, revealing both the frequent desperation of her situation and the bravery with which she faced down her demons. Written in electrifying prose, *The Journals of Sylvia Plath* provide unique insight, and are essential reading for all those who have been moved and fascinated by Plath's life and work.

THE LAST DAYS OF SYLVIA PLATH

Anchor

A New York Times Bestseller, chosen as Oprah's "Books That Help Me Through" for Oprah's Book Club "No matter where one starts reading, *Devotions* offers much to love, from Oliver's exuberant dog poems to selections from the Pulitzer Prize-winning *American Primitive*, and *Dream Work*, one of her exceptional collections. Perhaps more important, the luminous writing provides respite from our crazy world and demonstrates how mindfulness can define and transform a life, moment by moment, poem by poem." —The Washington Post "It's as if the poet herself has sidled

beside the reader and pointed us to the poems she considers most worthy of deep consideration." —Chicago Tribune Pulitzer Prize-winning poet Mary Oliver presents a personal selection of her best work in this definitive collection spanning more than five decades of her esteemed literary career. Throughout her celebrated career, Mary Oliver has touched countless readers

with her brilliantly crafted verse, expounding on her love for the physical world and the powerful bonds between all living things. Identified as "far and away, this country's best selling poet" by Dwight Garner, she now returns with a stunning and definitive collection of her writing from the last fifty years. Carefully curated, these 200 plus poems feature Oliver's work from her very first book of poetry, *No Voyage and Other Poems*, published

in 1963 at the age of 28, through her most recent collection, *Felicity*, published in 2015. This timeless volume, arranged by Oliver herself, showcases the beloved poet at her edifying best. Within these pages, she provides us with an extraordinary and invaluable collection of her passionate, perceptive, and much-treasured observations of the natural world.
