Responsibility Kreuz

Subsea is fully committed to supporting its people, partners and clients. We respect and embrace all cultures and foster good relationship wherever we are operating in the world. Corporate Social Responsibility - Kreuz Subsealt provides in-depth studies on 11 sub-Saharan countries, demonstrating that

corporate social responsibility is forming and going through different stages of metamorphosis in the continent. Though corporate and individual attitudes towards sustainability in Africa still leave a lot to be desired, this book showcases how things are rapidly changing for the better in this regard. Corporate Social Responsibility in Sub-Saharan Africa ...- In recent years, the concept of corporate social responsibility (CSR) has gained recognition and importance in both business and political settings. While considerable research has been conducted on CSR in developed countries, the extant literature on CSR in Sub-Saharan Africa

(SSA) is scant and CSR is seen in terms of philanthropy. This paper aims to examine CSR from a broader perspective
