This authoritative book, mapped to the foundation programme curriculum and GMC guidance, includes over 230 practice questions to help readers maximize their SJT score. Situational Judgement Test By Harveer Dev | Used ... There are no right or wrong response options in situational judgement assessments. But some response options can certainly speak better of you as a job candidate than others. In this case, options A and B demonstrate strong work ethic. Options C, D, and E may or may not be considered good judgements of the situation on your part. Situational Judgment Test (SJT): Free Questions & Answers This isn't merely a perception test; a situational judgement test is a way of assessing candidates' critical thinking, decision making and judgement skills. It provides a clear view of a candidate's innate values, worldview and behavioural traits to establish their suitability for a given role.
