The Cole Trilogy Grand Central Publishing
Back in print by popular demand--"A
stunning revelation of the historical
Macbeth, harsh and brutal and eloquent." -
-Washington Post Book World. With the
same meticulous scholarship and narrative
legerdemain she brought to her hugely
popular *Lymond Chronicles*, our foremost
historical novelist travels further into the
past. In *King Hereafter*, Dorothy Dunnett's
stage is the wild, half-pagan country of
eleventh-century Scotland. Her hero is an

ungainly young earl with a lowering brow
and a taste for intrigue. He calls himself
Thorfinn but his Christian name is
Macbeth. Dunnett depicts Macbeth's
transformation from an angry boy who
refuses to accept his meager share of the
Orkney Islands to a suavely accomplished
warrior who seizes an empire with the help
of a wife as shrewd and valiant as himself.
She creates characters who are at once
wholly creatures of another time yet
always recognizable--and she does so with
such realism and immediacy that she once
more elevates historical fiction into high
art.

House of Niccolo Routledge
The classic, magnificent bestselling novel

about Richard III, now in a special thirtieth
anniversary edition with a new preface by
the author In this triumphant combination
of scholarship and storytelling, Sharon Kay
Penman redeems Richard III—vilified as
the bitter, twisted, scheming hunchback
who murdered his nephews, the princes in
the Tower—from his maligned place in
history. Born into the treacherous courts of
fifteenth-century England, in the midst of
what history has called The War of the
Roses, Richard was raised in the shadow
of his charismatic brother, King Edward IV.
Loyal to his friends and passionately in
love with the one woman who was denied
him, Richard emerges as a gifted man far
more sinned against than sinning. With

revisions throughout and a new author's preface discussing the astonishing discovery of Richard's remains five centuries after his death, Sharon Kay Penman's brilliant classic is more powerful and glorious than ever.

With the bravura storytelling and pungent authenticity of detail she brought to her acclaimed Lymond Chronicles, Dorothy Dunnett presents The House of Niccolò series. The time is the 15th century, when intrepid merchants became the new knighthood of Europe. Among them, none is bolder or more cunning than Nicholas vander Poele of Bruges, the good-natured dyer's apprentice who schemes and swashbuckles his way to the helm of a mercantile empire. In 1462, Nicholas is a wealthy 21-year-old. His beloved wife has died. His stepchildren have locked him out of the family business. He and his private army are the target of multiple conspiracies. And both contenders for the throne of Cyprus, the brilliant Queen Carlotta and her charismatic, sexually ambivalent brother James, are demanding his support. Walking a tightrope of intrigue, Dunnett's hero juggles

adversaries and allies, from the delectable courtesan Primaflora to the Mameluke commander Tzani-Bey al Ablak, a man of undiluted evil. Masterfully paced, alive with sensual delights, *Race of Scorpions* confirms Dorothy Dunnett as the grande dame of the genre.

With the bravura storytelling and pungent authenticity of detail she brought to her acclaimed Lymond Chronicles, Dorothy Dunnett, grande dame of the historical novel, presents The House of Niccolò series. The time is the 15th century, when intrepid merchants became the new

knighthood of Europe. Among them, none is bolder or more cunning than Nicholas vander Poele of Bruges, the good-natured dyer's apprentice who schemes and swashbuckles his way to the helm of a mercantile empire. In 1461, Nicholas is in Florence. Backed by none other than Cosimo de' Medici, he will sail the Black Sea to Trebizond, last outpost of Byzantium, and the last jewel missing from the crown of the Ottoman Empire. But trouble lies ahead. Nicholas's stepdaughter--at the tender age of thirteen--has eloped with his rival in trade: a Machiavellian Genoese who races ahead of Nicholas, sowing disaster at every port. And time is of the essence: Trebizond may fall to the Turks at any moment. Crackling with wit, breathtakingly paced, *The Spring of the Ram* is a pyrotechnic blend of scholarship and narrative shimmering with the scents, sounds, colors, and combustible emotions of the 15th century. *The World Book Encyclopedia* Open Road Media

Born in a mission in China, Lucy Waring now finds herself with 15 small children to feed. How she tackles this task gets her thrown into the grim prison of Chengfu, where she meets a man about to die. He asks her a cryptic riddle, and its mystery echoes through all that befalls Lucy in the months that follow, even when she is brought to England, trying to make a new life with the Gresham family. Unused to English ways, she is constantly in disgrace and is soon involved in the long and bitter feud between the Greshams and the family who live across the valley in the house called Moonrakers. In England Lucy discovers danger, romance, heartache, and mystery as strange events lead her to doubt her own senses. It is only when Lucy returns to China that she finds the

answers to the mysteries of her past. It is there, at the moment when all seems lost, that she finally finds where her heart belongs.

Dorothy Dunnett has earned worldwide acclaim for the masterful blending of historical fact and imagination in her two series of novels set in brilliantly reconstructed fifteenth- and sixteenth-century landscapes. The Dorothy Dunnett Companion II is an encyclopedic resource that completes and expands the reach of the first Companion in documenting the historical and literary riches of Dunnett's Lymond Chronicles and House of Niccolo novels. In this second guide, Elspeth Morrison not only covers the final three Niccolo novels for the first time, but also provides a wealth of additional information about all of the earlier novels and highlights the links between the two now-completed series. Once again, she illuminates the real figures and events and the cultural and literary allusions Dunnett weaves into her works, translating foreign phrases and offering up fascinating background details, from the history of golf and the argot of galley slaves to the

uses of puffins and polar bears. Together with the first Companion, The Dorothy Dunnett Companion II provides a complete and essential guide to the world of Lymond and Niccolo.

Niccolo Rising Book One of the House of Niccolo

'Dunnett's legion of devoted readers will need no recommendation to buy GEMINI. They would, I imagine, walk barefoot to the bookshop over broken glass to get it ... Anyone reading this novel, even as an introduction to Dunnett's work will, I suspect, join that band of admirers' Sunday Times GEMINI represents the final appearance of Nicholas de Fleury, who opened this series as a carefree, clumsy 18 year old apprentice in Flanders. Now he is in his thirties. The culmination of this amazing series sees Niccolo face his toughest battle yet, against an enemy who will tax every skill he has acquired over the course of the last few years...

A Crooked Tree Vintage

In this fourth book in the legendary Lymond Chronicles, Francis Crawford of Lymond desperately searches the Ottoman empire for his kidnapped child. Somewhere within the bejeweled labyrinth of the Ottoman empire, a child is hidden. Now his father, Francis Crawford of Lymond, soldier of fortune and the exiled heir of Scottish nobility, is searching for him while ostensibly engaged on a mission to the Turkish Sultan. At stake is the political order of three continents, for

Lymond's child is a pawn in a cutthroat game whose gambits include treason, enslavement, and murder. In that game's final move, which is played inside the harem of the Topkapi palace, Lymond will come face to face with his most implacable enemy and the dreadful ambiguities of his own nature. With a Foreword by the author.

It is to France that Lymond must travel, exercising his sword hand and his agile wit while also undertaking the most unlikely of masquerades, all to make sure that his charge's royal person stays intact.

AFTER THE RAIN, 1

Courier Corporation

The bestselling author of *I'm Not Scared* delivers "a black thriller with the momentum of an action-packed Hollywood movie" (The Times Literary Supplement). The winner of the prestigious Strega Prize, *As God Commands* is a dizzying and compulsively readable novel set in a moribund town in industrial Italy, where a father and son contend with a hostile world and their own inner demons. The economically depressed village of Varrano, where Cristiano Zena lives with his hard-

drinking, out-of-work father, Rino, is a world away from the picturesque towns of travel-brochure Italy. When Rino and his rough-edged cronies Danilo and Quattro Formaggi come up with a plan to reverse all their fortunes, Cristiano wonders if maybe their lives are poised for deliverance after all. But the plan goes horribly awry. On a night of apocalyptic weather, each character will act in a way that will have irreversible consequences for themselves and others, and Cristiano will find his life changed forever, and not in the way he had hoped. Gritty and relentless, *As God Commands* moves at breakneck speed, blending brutal violence, dark humor, and surprising tenderness. With clear-eyed affection, Niccolò Ammaniti introduces a cast of unforgettable characters trapped at the crossroads of hope and despair. "It is impossible not to be gripped." —Financial Times "Punk-rock desperadoes and a daft father-son tragicomedy team run riot through the mess and splendor of today's Italy . . . Propulsive from the first page . . . Not at all pretty, but darkly, ferociously beautiful—a triumph for Europe's hottest novelist." —Kirkus Reviews (starred

Race of Scorpions Simon and Schuster With the bravura storytelling and pungent authenticity of detail she brought to her acclaimed Lymond Chronicles, Dorothy Dunnett, grande dame of the historical novel, presents *The House of Niccolo* series. The time is the 15th century, when intrepid merchants became the new knighthood of Europe. Among them, none is bolder or more cunning than Nicholas vander Poole of Bruges, the good-natured dyer's apprentice who schemes and swashbuckles his way to the helm of a mercantile empire. Scotland, 1468: a nation at the edge of Europe, a civilization on the threshold of the Modern Age. Merchants, musicians, politicians, and pageantry fill the court of King James III. In its midst, Nicholas seeks to avenge his bride's claim that she carries the bastard of his archenemy, Simon St. Pol. When she flees before Nicholas can determine whether or not the rumored child is his own—or exists at all—Nicholas gives chase. So begins the deadly game of cat and mouse that will lead him from the infested cisterns of Cairo to the misted canals of Venice at carnival. Breathlessly

paced, sparkling with wit. The Unicorn Hunt confirms Dorothy Dunnett as the genre's finest practitioner.

BOOK FIVE OF THE HOUSE OF NICCOLO

Faber & Faber

Ruler of Florence for seven bloody years, 1531 to 1537, Alessandro de' Medici was arguably the first person of color to serve as a head of state in the Western world. Born out of wedlock to a dark-skinned maid and Lorenzo de' Medici, he was the last legitimate heir to the line of Lorenzo the Magnificent. When Alessandro's noble father died of syphilis, the family looked to him. Groomed for power, he carved a path through the backstabbing world of Italian politics in a time when cardinals, popes, and princes vied for wealth and advantage. By the age of nineteen, he was prince of Florence, inheritor of the legacy of the grandest dynasty of the Italian Renaissance. Alessandro faced down family rivalry and enormous resistance from Florence's oligarchs, who called him

a womanizer-which he undoubtedly was--and a tyrant. Yet this real-life counterpart to Machiavelli's Prince kept his grip on power until he was assassinated at the age of 26 during a late-night tryst arranged by his scheming cousins. After his death, his brief but colorful reign was criticized by those who had murdered him in a failed attempt to restore the Florentine republic. For the first time, the true story is told in *The Black Prince of Florence*. Catherine Fletcher tells the riveting tale of Alessandro's unexpected rise and spectacular fall, unraveling centuries-old mysteries, exposing forgeries, and bringing to life the epic personalities of the Medicis, Borgias, and others as they waged sordid campaigns to rise to the top. Drawing on new research and first-hand sources, this biography of a most intriguing Renaissance figure combines archival scholarship with discussions of race and class that are still relevant today.
