Joyce and Marshall each think the other is killed on September 11—and must swallow their disappointment when the other arrives home. As their bitter

divorce is further complicated by anthrax scares, suicide bombs, and foreign wars, they suffer, in ways unexpectedly personal and increasingly ludicrous, the many strange ravages of our time. In this astonishing black comedy, Kalfus suggests how our nation's public calamities have encroached upon our most private illusions.

The Natural Disorder of Things Vintage
 From Vladimir Voinovich, one of the great satirists of contemporary Russian literature, comes a new comic novel about the absurdity of politics and the place of the individual in the sweep of human events. Monumental Propaganda, Voinovich's first novel in twelve years, centers on Aglaya Stepanovna Revkina, a true believer in Stalin, who finds herself bewildered and beleaguered in the relative openness of the Khrushchev era. She believes her greatest achievement was to have browbeaten her community into building an iron statue of the supreme leader, which she moves into her apartment after his death. And despite the ebb and flow of political ideology in her provincial town, she stubbornly, and at all costs, centers

her life on her private icon. Voinovich's humanely comic vision has never been sharper than it is in this hilarious but deeply moving tale—equally all-seeing about Stalinism, the era of Khrushchev, and glasnost in the final years of Soviet rule. The New York Times Book Review called his classic work, *The Life & Extraordinary Adventures of Private Ivan Chonkin*, “a masterpiece of a new form—socialist surrealism . . . the Soviet Catch-22 written by a latter-day Gogol.” In *Monumental Propaganda* we have the welcome return of a truly singular voice in world literature.

A Novel Springer

The wondrous Aimee Bender conjures the lush and moving story of a girl whose magical gift is really a devastating curse. On the eve of her ninth birthday,

unassuming Rose Edelstein, a girl at the periphery of schoolyard games and her distracted parents' attention, bites into her mother's homemade lemon-chocolate cake and discovers she has a magical gift: she can taste her mother's emotions in the cake. She discovers this gift to her horror, for her mother—her cheerful, good-with-crafts, can-do mother—tastes of despair and desperation. Suddenly, and for the rest of her life, food becomes a peril and a threat to Rose. The curse her gift has bestowed is the secret knowledge all families keep hidden—her mother's life outside the home, her father's detachment, her brother's clash with the world. Yet as Rose grows up she learns to harness her gift and becomes aware that there are secrets even her taste

buds cannot discern. The Particular Sadness of Lemon Cake is a luminous tale about the enormous difficulty of loving someone fully when you know too much about them. It is heartbreaking and funny, wise and sad, and confirms Aimee Bender's place as "a writer who makes you grateful for the very existence of language" (San Francisco Chronicle). BONUS: This edition includes an excerpt from Aimee Bender's *The Color Master*.

In the spirit of Vanessa Diffenbaugh's *The Language of Flowers*--and with a touch of the magical--*The Peculiar Miracles of Antoinette Martin* is a spellbinding debut about a wondrously

gifted child and the family that she helps to heal. Sisters Rose and Lily Martin were inseparable when growing up on their family's Kentucky flower farm yet became distant as adults when Lily found herself unable to deal with the demands of Rose's unusual daughter. But when Rose becomes ill, Lily is forced to return to the farm and to confront the fears that had driven her away. Rose's daughter, ten-year-old Antoinette, has a form of autism that requires constant care and attention. She has never spoken a word, but she has a powerful gift that others would give anything to harness--she can heal with her touch. She brings wilted flowers back to life, makes a neighbor's tremors disappear, and even changes the course of nature on the flower farm. Antoinette's gift,

though, comes at a price, since each healing puts her own life in jeopardy. As Rose--the center of her daughter's life--struggles with her own failing health and Lily confronts her anguished past, the sisters, and the men who love them, come to realize the sacrifices that must be made to keep this very special child safe. Written with great heart and a deep understanding of what it feels like to be different, *The Peculiar Miracles of Antoinette Martin* is a novel about what it means to be family and about the lengths to which people will go to protect the ones they love. "This is the kind of book that invites you home, sits you down at the kitchen table, and feeds you something delicious and homemade. You will want to stay in this world where new relationships bloom out of broken ones,

sisters find one another again, and miracles really do occur.” —Tiffany Baker

A Novel Quirk Books

Obsessed by a belief that highly evolved beings exist on Mars, a turn-of-the-century British astronomer gets support for a massive project to build a signal that is undermined by malaria-stricken Egyptian laborers and two women who understand the astronomer more than he realizes. By the National Book Award finalist author of *A Disorder Peculiar to the Country*. 25,000 first printing.

A Novel Рипол Классик

This book challenges traditional notions of literary criticism, arguing that all attempts by writers, critics and literary theorists to define the language of literature have involved self-

contradiction. Through examination of key moments in literary history, Derek Attridge demonstrates that such contradictions in accounts of literary language are embedded in our cultural concept of 'literature', and asserts that in order to appreciate the forces that determine the limits of literary language we must look beyond the realm of the 'literary' and embrace the wider political and social sphere. While key examples have been drawn from the Renaissance, Romanticism and the work of James Joyce, Attridge's unique application of deconstructive methods has ensured that the influence of this book has been felt across the entire field of literary studies.

**ONE MAN'S HUMBLE QUEST TO
FOLLOW THE BIBLE AS LITERALLY
AS POSSIBLE**

Milkweed Editions

Winner of the National Book Award From the Pulitzer Prize-winning author of *The Overstory* and the Oprah's Book Club selection *Bewilderment* comes Richard Powers's *The Echo Maker*, a powerful novel about family and loss. "Wise and elegant . . . The mysteries unfold so organically and stealthily that you are unaware of his machinations until they come to stunning fruition . . . Powers accomplishes something magnificent." —Colson Whitehead, *The New York Times Book Review* On a winter night on a remote Nebraska road, twenty-seven-year-old Mark Schluter has a near-fatal

car accident. His older sister, Karin, returns reluctantly to their hometown to nurse Mark back from a traumatic head injury. But when Mark emerges from a coma, he believes that this woman—who looks, acts, and sounds just like his sister—is really an imposter. When Karin contacts the famous cognitive neurologist Gerald Weber for help, he diagnoses Mark as having Capgras syndrome. The mysterious nature of the disease, combined with the strange circumstances surrounding Mark's accident, threatens to change all of their lives beyond recognition. In *The Echo Maker*, Richard Powers proves himself to be one of our boldest and most entertaining novelists.

Apartment Anchor

Claudio Fratta is a garden designer at

the height of his career; a naturally solitary man, a tender, playful companion to his nephews, and a considerate colleague. But under his amiable exterior simmers a quiet rage, and a desire to punish the Mafioso who bankrupted his father and ruined his family. And when an enigmatic, alluring woman becomes entangled in Claudio's life after a near-fatal car crash, his desire for her draws him ever closer to satisfying that long-held fantasy of revenge.

A Novel Knopf

A bestselling, masterful novel about the intersections in the lives of three friends, now on the cusp of their thirties, making their way—and not—in New York City. There is beautiful, sophisticated Marina Thwaite—an “It” girl finishing her first

book; the daughter of Murray Thwaite, celebrated intellectual and journalist—and her two closest friends from Brown, Danielle, a quietly appealing television producer, and Julius, a cash-strapped freelance critic. The delicious complications that arise among them become dangerous when Murray's nephew, Frederick “Bootie” Tubb, an idealistic college dropout determined to make his mark, comes to town. As the skies darken, it is Bootie's unexpected decisions—and their stunning, heartbreaking outcome—that will change each of their lives forever. A richly drawn, brilliantly observed novel of fate and fortune—of innocence and experience, seduction and self-invention; of ambition, including literary ambition; of glamour, disaster, and promise—The

Emperor's Children is a tour de force that brings to life a city, a generation, and the way we live in this moment. A New York Times Book Review Best Book of the Year

A Disorder Peculiar to the Country
ABRAMS

A bestselling modern classic—both poignant and funny—about a boy with autism who sets out to solve the murder of a neighbor's dog and discovers unexpected truths about himself and the world. Nominated as one of America's best-loved novels by PBS's The Great American Read Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. He relates well to animals but has no understanding of human emotions. He cannot stand to be

touched. And he detests the color yellow. This improbable story of Christopher's quest to investigate the suspicious death of a neighborhood dog makes for one of the most captivating, unusual, and widely heralded novels in recent years.

A Novel Psychology Press

The acclaimed short story and novella collection by “a virtuoso of the dismal comedy of Soviet life”—and the basis for the HBO film PU-239 (The New York Times). Ken Kalfus traverses a century of Russian history in tales that range from hair-raising to comic to fabulous. The astonishing title story follows a doomed nuclear power plant worker as he attempts to hawk plutonium in Moscow's black market. In “Budyonnovsk,” a young man hopes that the takeover of

his town by Chechen rebels will somehow save his marriage. Set in the 1920s, "Birobidzhan" is the bittersweet story of a Jewish couple journeying to the Soviet Far East, where they intend to establish the modern world's first Jewish state. The novella, "Peredelkino," which closes the book, traces the fortunes of a 1960s literary apparatchik whose romantic intrigues inadvertently become political. In these and other stories, Kalfus captures the famously enigmatic Russian psyche. A PEN/Faulkner Award Finalist

The Particular Sadness of Lemon Cake
Zondervan

Jennifer Traig's memoir *Devil in the Details* paints a portrait of a well-meaning Jewish girl and her good-natured parents, and takes a very funny,

very sharp look back at growing up with obsessive-compulsive disorder. Recalling the agony of growing up an obsessive-compulsive religious fanatic, Traig fearlessly confesses the most peculiar behavior like tirelessly scrubbing her hands for a full half hour before dinner, feeding her stuffed animals before herself, and washing everything she owned because she thought it was contaminated by pork fumes. Jennifer's childhood mania was the result of her then undiagnosed OCD joining forces with her Hebrew studies-what psychiatrists call scrupulosity While preparing for her bat mitzvah, she was introduced to an entire set of arcane laws and quickly made it her mission to follow them perfectly. Her parents nipped her religious obsession in the bud

early on, but as her teen years went by, her natural tendency toward the extreme led her down different paths of adolescent agony and mortification. Years later, Jennifer remembers these scenes with candor and humor. In the bestselling tradition of *Running with Scissors* and *A Girl Named Zippy*, Jennifer Traig tells an unforgettable story of youthful obsession.

A Novel Grove Press

Read the #1 New York Times best-selling series before it continues in *A Map of Days*. Bonus features • Q&A with author Ransom Riggs • Eight pages of color stills from the film • Sneak preview of *Hollow City*, the next novel in the series
A mysterious island. An abandoned orphanage. A strange collection of very curious photographs. It all waits to be

discovered in *Miss Peregrine's Home for Peculiar Children*, an unforgettable novel that mixes fiction and photography in a thrilling reading experience. As our story opens, a horrific family tragedy sets sixteen-year-old Jacob journeying to a remote island off the coast of Wales, where he discovers the crumbling ruins of *Miss Peregrine's Home for Peculiar Children*. As Jacob explores its abandoned bedrooms and hallways, it becomes clear that the children were more than just peculiar. They may have been dangerous. They may have been quarantined on a deserted island for good reason. And somehow—impossible though it seems—they may still be alive. A spine-tingling fantasy illustrated with haunting vintage photography, *Miss Peregrine's Home for Peculiar Children*

will delight adults, teens, and anyone who relishes an adventure in the shadows. “A tense, moving, and wondrously strange first novel. The photographs and text work together brilliantly to create an unforgettable story.”—John Green, New York Times best-selling author of *The Fault in Our Stars* “With its X-Men: First Class-meets-time-travel story line, David Lynchian imagery, and rich, eerie detail, it’s no wonder *Miss Peregrine’s Home for Peculiar Children* has been snapped up by Twentieth Century Fox. B+”—*Entertainment Weekly* “‘Peculiar’ doesn’t even begin to cover it. Riggs’ chilling, wondrous novel is already headed to the movies.”—*People* “You’ll love it if you want a good thriller for the summer. It’s a mystery, and you’ll race

to solve it before Jacob figures it out for himself.”—*Seventeen*

Stephen King's legendary debut, the bestselling smash hit that put him on the map as one of America's favorite writers "Gory and horrifying. . . . You can't put it down." —*Chicago Tribune* Unpopular at school and subjected to her mother's religious fanaticism at home, Carrie White does not have it easy. But while she may be picked on by her classmates, she has a gift she's kept secret since she was a little girl: she can move things with her mind. Doors lock. Candles fall.

Her ability has been both a power and a problem. And when she finds herself the recipient of a sudden act of kindness, Carrie feels like she's finally been given a chance to be normal. She hopes that the nightmare of her classmates' vicious taunts is over . . . but an unexpected and cruel prank turns her gift into a weapon of horror so destructive that the town may never recover.

PECULIAR LANGUAGE

Head and the Hand Press
 Atheist, born in 1965 in the town of Kalgoorlie 300 miles east of the lovely although very insular city of Perth in the great nepotic, 'crony's only', 'British, Christian & loyal to the Queen & Mining forever' state of Western Australia.
 "Books that are sooo bad, -they good!!"

And many do love reading them just too damned ashamed to admit it lol! A short novella situated in and around the rather disrupted working life of one Cal.Tennyson. Laced with many diverse stories both amusing and dramatic related to Cal's life as a member of the working class. "Well told if not a little Wild & Reckless, but still an unrivalled working class story/memoir at its very core. That is undeniable" -Alan Stone book reviewer for The London Times Review

Bloomsbury Publishing USA

«Таинственный сад» – любимая классика для читателей всех возрастов, жемчужина творчества Фрэнсис Ходжсон Бернетт, роман о заново открытой радости жизни и магии силы. Мэри Леннокс, жестокое

и испорченное дитя высшего света, потеряв родителей в Индии, возвращается в Англию, на воспитание к дяде-затворнику в его поместье. Однако дядя находится в постоянных отъездах, и Мэри начинает исследовать округу, в ходе чего делает много открытий, в том числе находит удивительный маленький сад, огороженный стеной, вход в который почему-то запрещен. Отыскав ключ и потайную дверцу, девочка попадает внутрь. Но чьи тайны хранит этот загадочный садик? И нужно ли знать то, что находится под запретом?.. Впрочем, это не единственный секрет в поместье...

The Commissariat of Enlightenment

New Directions Publishing

In this withering satire of American life,

Marshall and Joyce are conducting a scorched-earth divorce campaign against each other. On the grim day when New York City is overcome with grief and shock, each thinks the other is dead, and each is visited by an intense, secret, guilty satisfaction. Both survive only to continue their fighting.

Devil in the Details Seal Books

It's a case tailor-made for the Peculiar Crimes Unit. A lonely hearts killer is targeting middle-aged women at some of England's most well-known pubs—including one torn down eighty years ago. What's more, Arthur Bryant happened to see one of the victims only moments before her death at the pub that doesn't exist. Indeed, this case is littered with clues that defy everything the veteran detectives know about the

habits of serial killers, the methodology of crime, and the odds of making an arrest. Now, with the public on the verge of panic and their superiors determined to shut the PCU down for good, Detectives Bryant and May must rise to the occasion in defense of two great English traditions—the pub and the Peculiar Crimes Unit. That’s easier said than done. A lost funeral urn, the eighteenth-century mystic Emanuel Swedenborg, the Knights Templars, the secret history of pubs, and the discovery of an astounding religious relic may be enough to convince one of the pair to take back his resignation letter. But with Bryant consulting a memory specialist and May encountering a brush with mortality, do the Peculiar Crimes Unit’s

two living legends have enough life left to stop a murderous conspiracy...and a deadly cupid targeting one of their own. *The Peculiars* Milkweed Editions
 "This first novel from historian and critic Popkin details the art scene of post-Colonial America. At the center of the story is John Lewis Krimmel (1786-1821), an artist today revered for his depiction of working Americans and urban scenes. The novel follows Krimmel and his contemporaries as they travel through Philadelphia and Baltimore sketching merchants, musicians, and celebrations in town squares. The clash between romanticism and reason in art escalates as arguments among Krimmel, members of his sketch club, and the older art establishment lead to violence and eventually death..."--Library Journal.
